Did you know that air pollution impacts human health even before a child is born?

THE BIG PICTURE
Catalyzing cooperation on air pollution for health

Join us for a stakeholder consultation on air pollution solutions for health at different scales: citizen action; health sector leadership; multisector interventions; and intergovernmental cooperation.

Friday, 26 May 08:30-10:00 CET
InterContinental Hotel, Paris Room
Chemin du Petit Saconnex 7-9, Geneva

Invitation only
