Other indirect bans	Yes	
Compliance score of indirect bans		5
Law requires fines for violations of indirect advertising bans	Yes	

¹ The law does not explicitly address cross-border advertising. However, given that advertising is banned on all TV and radio, it is interpreted that both domestic and international levels are covered by the ban.

² The law does not explicitly address cross-border advertising. However, given that advertising is banned in all magazines and newspapers, it is interpreted that both domestic and international levels are covered by the ban.

³ Although the law does not explicitly ban the identification of non-tobacco products with tobacco brand names (brand stretching) and does not provide a definition of tobacco advertising and promotion, we interpret that brand stretching is covered by the existing ban of all forms of advertising and promotion because this country is a Party to the WHO FCTC and we assume that the WHO FCTC definition applies.

⁴ Although the law does not explicitly ban the usage of brand names of non-tobacco products for tobacco products (brand sharing) and does not provide a definition of tobacco advertising and promotion, we interpret that brand sharing is covered by the existing ban of all forms of advertising and promotion because this country is a Party to the WHO FCTC and we assume that the WHO FCTC definition applies.
