Singapore

Summary of MPOWER measures in Singapore

Compliance is scored 0—10 where 10 is the highest level of compliance. Compliance is measured only for P and E.

The methods used to compile this profile are described in the technical notes of the *WHO report on the global tobacco epidemic, 2025*.

M	P	O	W		E	R	
MONITORING	SMOKE-FREE ENVIRONMENTS	CESSATION PROGRAMMES	HEALTH WARNINGS	MASS MEDIA	ADVERTISING BANS	TAXATION	CIGARETTES LESS AFFORDABLE IN 2024 THAN IN 2014
	...				...	71.2%	NO

MPOWER score colour key

Complete measure	Moderate measure	Minimal measure	No measure or weak measure	No data
------------------	------------------	-----------------	----------------------------	---------

Affordability category

YES cigarettes became less affordable	NO cigarettes did not become less affordable	↔ no trend change in affordability of cigarettes
--	---	---

The colours are explained in more detail in the MPOWER legend on the last page of this document.

In all tables “...” means data are not available and “–” means data are not required.

WHO Framework Convention on Tobacco Control

Date of signature

Date of ratification
(or legal equivalent)

29 Dec 2003

14 May 2004

Population
(UN WPP 2024)

Income group
(World Bank 2024)

5 832 000

High income

National tobacco control programme as at 31 December 2024

Specific national government objectives in tobacco control	Yes
National agency or technical unit for tobacco control	Yes
Number of full-time equivalent staff	33
Government's expenditures on tobacco control, latest available year (...), in currency reported by country

WHO report on the global tobacco epidemic, 2025

Country Profile: Singapore

Protect people from tobacco smoke

	2024	Compliance
Complete* smoke-free laws exist in the following places:		
Health-care facilities	Yes	...
Educational facilities except universities	Yes	...
Universities	Yes	...
Government facilities	No	—
Indoor offices and workplaces	No	—
Restaurants	Yes	...
Cafés, pubs and bars	No ¹	—
Public transport	Yes	...
Compliance score		...
Law requires fines for smoking	Yes	
Fines levied on the establishment	Yes	
Fines levied on the smoker	Yes	
Funds dedicated for enforcement	Yes	
Complaint system that requires an investigation after a complaint	Yes	

* "Complete" means that smoking is not permitted, with no exemptions allowed. Laws that allow for the provision of smoking areas or designated smoking rooms in public places and workplaces are not effective at protecting people from second-hand smoke, so where they are allowed, the places are not considered smoke-free environments.

¹ Designated smoking rooms are permitted under the law.

Subnational laws on smoke-free environments

No subnational jurisdictions exist.

Offer help to quit tobacco use

Treatment of tobacco dependence as at 31 December 2024

Is there a toll-free telephone quit line/help line with a live person available to discuss cessation with callers in Singapore?		Yes
	Is this product legally sold in the country?	Yes
	Where and how can this product be legally purchased in your country?	In a pharmacy without a prescription
	Is this product cost-covered?	Partially
	Is any NRT on the country's essential drugs list?	No
Nicotine replacement therapy (NRT, e.g., patch, gum, lozenge, spray or inhaler)	Is this product legally sold in your country?	Yes
	Where and how can this product be legally purchased in your country?	In a pharmacy with a prescription
	Is this product cost-covered?	No
	Is this product on the country's essential drugs list?	No
	Is this product legally sold in your country?	Yes
Bupropion (e.g., Zyban, Wellbutrin)	Where and how can this product be legally purchased in your country?	In a pharmacy with a prescription
	Is this product cost-covered?	No
	Is this product on the country's essential drugs list?	No
	Is this product legally sold in your country?	Yes
	Where and how can this product be legally purchased in your country?	In a pharmacy with a prescription
Varenicline	Is this product cost-covered?	No

Date/length of time specified after which the warning will change	Yes	Yes	—	Does the law prevent the display of expiry dates on tobacco packaging?	No	No	—
Are the health warnings on packages written in the principal language(s) of the country?	Yes	Yes	—	Is it mandatory for the quit line number to appear on packaging or labelling?	Yes	Yes	—
Does the law require that health warnings on packages are not obscured in any way, including by required markings such as tax stamps?	Yes	Yes	—	Does the law mandate plain packaging?	Yes	Yes	—
Do the health warnings on packages include a photograph or graphic?	Yes	Yes	—				
Do health warnings appear on each package and any outside packaging and labelling used in the retail sale?	Yes	Yes	—				
Does the law on health warnings apply to products whether manufactured domestically, imported, AND for duty-free sale?	Yes	Yes	—				
Do health warnings on packages describe the harmful effects of tobacco use on health?	Yes	Yes	—				
Does the law mandate specific health warnings on packages?	Yes	Yes	—				
How many specific health warnings are approved by the law?	6	6	—				

¹ Except for shisha tobacco which is banned.

WHO report on the global tobacco epidemic, 2025

Country Profile: Singapore

Anti-tobacco mass media campaigns between 1 July 2022 and 30 June 2024

Was there a national campaign aired during the period?	Yes
Was the campaign aired on television and/or radio?	No
Before the campaign, was any research about the target audience conducted or used to develop the campaign messages/materials?	Yes
Were the campaign materials tested with the target audience before the campaign was run?	Yes
Did you obtain air time (radio, television) and/or placement (billboards, print advertising, etc) by purchasing or securing them using either your organisation/institution's internal resources or an external media planner or agency?	Yes
Did you, or your media planner/agency, use a monitor to confirm that the campaign materials were used as planned/scheduled on television, radio, print, billboards, internet, etc?	Yes
Did you work with journalists to gain publicity or coverage in the news for the campaign?	Yes
Was an evaluation done to assess the impact of the campaign?	Yes
Was this campaign part of a comprehensive government tobacco control program?	Yes

WHO report on the global tobacco epidemic, 2025

Country Profile: Singapore

	2024	Compliance
Bans on direct tobacco advertising		
National TV and radio	Yes	...
International TV and radio	Yes ¹	
Local magazines and newspapers	Yes	...
International magazines and newspapers	Yes	
Billboards and outdoor advertising	Yes	...
Advertising at point of sale	Yes	...
Advertising on internet	Yes	
Other direct bans	Yes	
Compliance score of direct bans		...
Law requires fines for violations of direct advertising bans	Yes	
Bans on tobacco promotion and sponsorship		
Free distribution	Yes	...
Promotional discounts	Yes	...
Non-tobacco products identified with tobacco brand names	Yes	...
Brand name of non-tobacco products used for tobacco product	No	—
Appearance of tobacco brands in TV and/or films (product placement)	Yes	...
Appearance of tobacco products in TV and/or films	No	—
Prescribed anti-tobacco advertisements required to be presented before, during or after the broadcasting or showing of any visual entertainment media product that depicts tobacco products, use or images	No	
Complete ban on sponsorship	Yes	...
Ban on Corporate Social Responsibility activities (CSR)	No	
Tobacco companies/the tobacco industry publicizing their CSR activities	Yes	
Entities other than tobacco companies/the tobacco industry publicizing the CSR activities of the tobacco companies	Yes	
Tobacco companies funding or making contributions (including in-kind contributions) to smoking prevention media campaigns, including those directed at youth	Yes	
Law explicitly bans tobacco products display at point of sale	No	
Other indirect bans	No	
Compliance score of indirect bans		...
Law requires fines for violations of indirect advertising bans	Yes	

¹ The law does not explicitly address cross-border advertising. However, given that advertising is banned on all TV and radio, it is interpreted that both domestic and international levels are covered by the ban. Display at points of sale is banned in general, except in duty-free shops and in specialized retail outlets for tobacco products only.

Subnational laws on tobacco advertising, promotion and sponsorship

No subnational jurisdictions exist.

WHO report on the global tobacco epidemic, 2025

Country Profile: Singapore

WHO report on the global tobacco epidemic, 2025

Country Profile: Singapore

Legend: Summary of MPOWER measures (see page 1)

MONITORING: PREVALENCE DATA

	No known data or no recent data or data that are not both recent and representative
	Recent and representative data for either adults or youth
	Recent and representative data for both adults and youth
	Recent, representative and periodic data for both adults and youth

SMOKE-FREE ENVIRONMENTS: SMOKING BANS

	Data not reported
	Complete absence of ban, or up to two public places completely smoke-free
	Three to five public places completely smoke-free
	Six to seven public places completely smoke-free
	All public places completely smoke-free (or at least 90% of the population covered by complete subnational legislation)

CESSATION PROGRAMMES: TREATMENT OF TOBACCO DEPENDENCE

	Data not reported
	None
	NRT and/or some cessation services (neither cost-covered)
	NRT and/or some cessation services (at least one of which is cost-covered)
	National quit line, and both NRT and some cessation services cost-covered

HEALTH WARNINGS: HEALTH WARNINGS ON CIGARETTE PACKAGES

	Data not reported
	No warnings or small warnings
	Medium size warnings missing some or many appropriate characteristics OR large warnings missing many characteristics
	Medium size warnings with all appropriate characteristics OR large warnings missing some appropriate characteristics
	Large warnings with all appropriate characteristics

MASS MEDIA: ANTI-TOBACCO CAMPAIGNS

	Data not reported
	No national campaign conducted between July 2022 and June 2024 with duration of at least three weeks
	National campaign conducted with one to four appropriate characteristics
	National campaign conducted with five to six appropriate characteristics, or with seven characteristics excluding airing on television and/or radio
	National campaign conducted with at least seven appropriate characteristics including airing on television and/or radio

ADVERTISING BANS: BANS ON ADVERTISING, PROMOTION AND SPONSORSHIP

	Data not reported
	Complete absence of ban, or ban that does not cover national television, radio and print media
	Ban on national television, radio and print media only
	Ban on national TV, radio and print media as well as on some but not all other forms of direct and/or indirect advertising
	Ban on all forms of direct and indirect advertising (or at least 90% of the population covered by complete subnational legislation)

TAXATION: SHARE OF TOTAL TAXES IN THE RETAIL PRICE OF THE MOST SOLD BRAND OF CIGARETTES

	Data not reported
	<25% of retail price is tax
	≥25% and <50% of retail price is tax
	≥50% and <75% of retail price is tax
	≥75% of retail price is tax

AFFORDABILITY

YES	Cigarettes less affordable – per capita GDP needed to buy 100 packs (or 2000 cigarettes) of the most sold brand increased on average between 2014 and 2024.
NO	Cigarettes more affordable – per capita GDP needed to buy 100 packs (or 2000 cigarettes) of the most sold brand declined on average between 2014 and 2024.
↔	No trend change in affordability of cigarettes since 2014.
