

▶ Hantavirus in focus III: maritime and transport workers

1. Seafarers

▶ Maritime Labour Convention, MLC 2006, as amended

- Seafarers' “Bill of Rights”
- The MLC, 2006 requires shipowners to provide medical care and repatriation to sick or injured crew.

2. Seafarers and transport workers

JAG-TSC

- Joint Action Group on the impact of the Covid-19 on pandemic on the world's transport workers and the global supply chain

3. JAG-TSC

See: [JAG Recommendations](#) to address the challenges of the transport sectors and their workers on issues specific to public health emergencies of international concern:

Respect the rights and safeguard the livelihoods and physical and mental health of transport workers by for example:

- involving more systematically and proactively UN Resident Coordinators, including facilitating government meetings with the ILO, IMO and WHO
- UN: support the coordination efforts between ministries
