Evolution of the HeRAMS platform user community

User community

3024

New users

8203

Cumulative users

In 2022, over 3000 new users signed up for the HeRAMS platform, an increase of 37%, bringing the cumulative number of registered users to over 8000.

Training

47

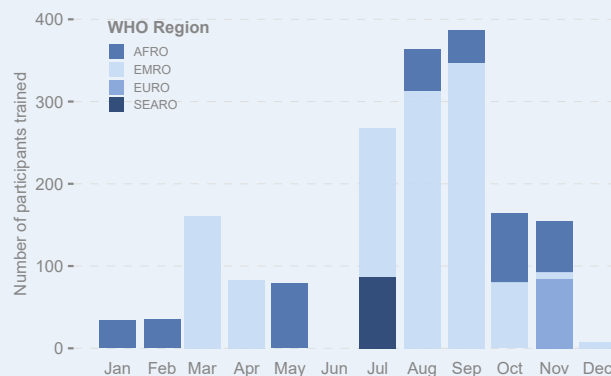

Training workshops

1736

Participants trained

Throughout 2022, 47 training workshops were conducted across 12 countries reaching over 1700 participants. Using a combination of on-site, online and hybrid training modalities, participants were trained in the HeRAMS methodology and how to use and contribute data.

Number of participants trained by month and WHO region

Country	Status	Master plan	Report published	HSDUs	Number of updates submitted in 2022
Afghanistan	✓	⚙️	report	4218	5114
