Clinical management of COVID-19 during pregnancy

Wednesday, 9 September 2020, 13:00 hrs IST

The fourth webinar in the series is focused on the clinical management of COVID-19 during pregnancy. The WHO guidelines on the management of COVID-19 in pregnancy, the country's experience of management of COVID-19 pregnancies, and the classification of deaths of COVID-19 complicating pregnancy will be discussed. This will help to standardize the management of maternal health services during the COVID-19 pandemic and to take the most appropriate management decisions.

Key discussion points:
- Introduction of WHO guidelines on the management of COVID-19 pregnancy - Dr Mercedes Bonet
- Country experience of management of COVID-19 pregnancies - Prof Sunesh Kumar
- How to classify deaths of COVID-19 complicating pregnancy - Dr Lale Say & Dr Jennifer Cresswell
- Orientation of Case Report Form in pregnancy (CRF-P) - Dr Caron Rahn Kim
