

Join WHO's web meeting

Early detection changes lives!

Join WHO's 90-minute web meeting to explore [the Vision and hearing school screening handbook](#)

What you'll gain:

- Practical steps for implementing vision and hearing school screening
- Insights from countries already doing it
- Guidance on adapting the WHO handbook to your context

Date & time

(the same session will be held twice to accommodate different time zones):

Session 1: 4 September,
08:00–09:30 CEST. [Register here](#)

Session 2: 4 September,
16:30–18:00 CEST. [Register here](#)

Panel discussion

As part of the web meeting, a panel discussion will aim to explore practical experiences, challenges, and lessons learned in designing and implementing school-based vision and hearing screening programmes. The discussion will offer actionable insights to support national adaptation and scale-up of the [WHO's Vision and hearing school screening handbook](#).

Speakers

The panel discussion will bring together representatives of various stakeholders, including ministries of health and education, implementing partners, and school health practitioners, and will be moderated by WHO.
