**GLOBAL  
SCHOOL**  
ON REFUGEE AND  
MIGRANT HEALTH

Advancing Universal  
Health Coverage for  
refugees and  
migrants: from  
evidence to action

Hybrid event – Web streamed from Bogotá Colombia

2 – 6 DECEMBER 2024

## ABOUT THE EVENT

The Fifth Global School on Refugee and Migrant Health is a 5-day hybrid event aimed at fostering dialogue and inspiring action to improve the health and well-being of refugees and migrants within the framework of Universal Health Coverage.

Join this platform for global health leaders, policymakers, government officials, healthcare providers, academics, youth organizations and civil society groups committed to advancing solutions for refugee and migrant health.
