Body Structure and Function

Everyone needs to stay fit and healthy both physically and mentally. Help me find ways to keep fit.

Fitness

Activity

I might do things differently but I CAN do them. How I do it is not important. Please let me try!

Functioning

Participation

Having friends is important. Please give me opportunities to make friends.

Friends

Environmental Factors

My family knows me best and I trust them. Listen to them. Talk to them. Hear them. Respect them.

Family

Personal Factors

Life is about having fun. Please help me do the activities that I find the most fun.

Fun

Future

I am growing up every day, so please find ways for me to participate and be included in my community.

Take home message:

- » Think in Long Covid.
- » Team work is important.
- » Long Covid could affect functioning of children.
- » Referral to rehab services as soon as posible.
- » Develop programs with holistic approach based on ICF.
- » Listen to the children's voice, set goals with them.
