[Redacted]@gmail.com

Stay signed in?

Skip having to sign in every time. [Learn more](#)

Yes

No

STEP 5

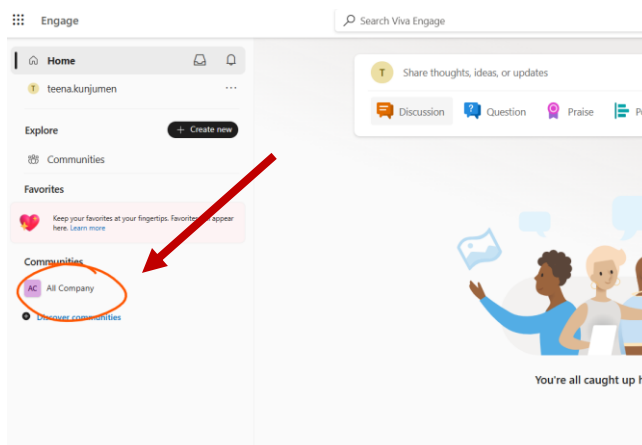

Workload Indicators of Staffing Need (WISN) Acceptable Use Policy

The admin of the Workload Indicators of Staffing Need (WISN) network requires you to accept this policy to join:

<https://www.who.int/about/policies/privacy> <https://www.who.int/about/policies/publishing/data-policy>

I accept

STEP 6

STEP 7

The screenshot shows the Viva Engage interface for the 'All Company' group. The left sidebar contains navigation options: Home, Explore (with a 'Create new' button), Communities (with a 'NEW' badge), Favorites, and Communities (with a 'Discover communities' link). The main content area displays a post by KUNJUMEN, Teena, dated Feb 13. The post text reads: 'Many of you have been finding it difficult to locate the WISN tool. Sincere apologies for the confusion and any convenience. You can access the WISN tool here: https://worldhealthorg-my.sharepoint.com/:f/g/personal/kunjument_who_int/IgAlgSt_i1jDRYuVpPKuCAp3AfAruA96q7l4FaKrejBQoEo?e=Dcbihm and user manuals here: <https://www.who.int/tools/wisn>'. A red arrow points to the first link. Below the post, there are two links: 'https://worldhealthorg-my.sharepoint.com/:f/g/personal' and 'Indicators of staffing need (WISN)'.

In case of any queries or issues, email hrhinfo@who.int
