What is needed to go forward:
Uganda perspective

Adatu-Engwau Francis
Imoko Joseph

15th October 2009
Write up presents:

- What Uganda is to do to go forward
- Areas for urgent intervention
- Expected areas of TA in 2010
- What is expected of the Task Force/TA agencies
What Uganda is to do:

- Finalize Protocol & Survey Tools; develop SOPs and Manuals
- Mobilize resources – urgently.
  GF R 6 granted $ 840,600 of $ 3.2 million
- Officially constitute Steering Committee
- Active involvement of all TWG
- Identify potential clusters
Areas of urgent interventions

- **Budget**
  - **GFATM**
    - Period of implementation – shift implementation to phase 2 while procurement is done in phase 1
    - Reallocate phase 1 funds
  - Mobilize other partners: USAID/TBCAP, CDC, GLRA, WHO, Government

- **Procurement**
  - PPDA lengthy, propose to use UN Agencies
  - Capital items –
  - Final specifications
Expected areas of TA in 2010

- Development of SOPs and Manuals
- Procurement
- Implementation of survey
  - Initial stage, data analysis, report writing
What is expected of the Task Force/TA agencies?

- Guidance on finalization of protocol & development of SOPs and Manuals
- Coordinate TA
- Coordination with potential funding partners
- Support with procurements
