

## LAUNCHING THE WHO & ILO GUIDANCE ON SOCIAL PROTECTION FOR PEOPLE AFFECTED BY TUBERCULOSIS

17 October 2024  
12:00-14:00 CEST

Join us for the #ENDTB Webinar on the WHO/ILO Guidance on Social Protection for People Affected by Tuberculosis. This event will present the key insights of the Guidance, showing how social protection tackles the social and structural drivers of TB. With participation from ILO, UN agencies, researchers, the webinar will explore strategies to scale up social protection for people affected by TB. Held on the Day for the Eradication of Poverty, it will emphasize the vital role of social protection in breaking the cycle of poverty and reducing barriers to TB care.
