

## Immunization, Vaccines and Biologicals

### SAGE meeting of 13 - 15 April 2010

#### Declaration of Interests

All SAGE members participating in the meeting were requested to update their declaration of interest ahead of the meeting. Other meeting participants do not take part in the decision-making and are thus not required to complete a declaration of interest.

No SAGE members declared any personal or non personal interest specific to issues under discussion at the meeting so that all SAGE members could take part in all of the discussions.
