

## *Colette Strnadova*

*Members of the WHO Expert Advisory Panel on The International Pharmacopoeia and Pharmaceutical Preparations serving the INN Expert Group*

### *Biography*

Dr. Colette Strnadova is a Ph.D. pharmacologist who serves as a pharmacology and pharmaceutical regulation consultant. Her professional experience has included service as a senior scientific advisor for the Pharmaceutical Drugs Directorate of Health Canada, with responsibility for evaluation of clinical trial data in new drug submissions in a wide range of therapeutic areas, regulatory guidance document development, and continuing education training. Dr. Strnadova has served on the International Council for Harmonisation of Technical Requirements for Pharmaceuticals for Human Use (ICH) guideline projects (ICH E14 and S7B), the Cardiac Safety Research Consortium (CSRC) Executive Committee, and the Health and Environmental Sciences Institute (HESI) Comprehensive in Vitro Proarrhythmia Assay Steering Committee and Proarrhythmia Working Group.

Dr. Strnadova joined the WHO Committee on International Nonproprietary Names (INN) in 2017.
