

### Abbreviated Biosketch for Proposed Members of the Guideline Development Group

Title:	Dr
First name:	Hannah
Last name:	Koenker
Current position:	Project Director
Affiliation*:	PATH
Country:	USA
<p>Dr Koenker is currently the Project Director for the PMI REACH Malaria global malaria service delivery project. She was previously the Technical Director at Tropical Health, LLP, and prior to that, Project Director for the PMI Vectorworks, a five-year global insecticide-treated net (ITN) project. She has an MPH in International Health and Social Behavioral Studies from the Johns Hopkins University School of Public Health and a PhD in epidemiology from the University of Basel Swiss Tropical and Public Health Institute. She has served on the Global Fund Technical Review Panel and as co-chair of ITN workstreams within the RBM Vector Control Working Group. Her research has focused on ITN access, use, and durability, and on operationalizing continuous distribution of ITNs through primary schools and community channels. She has supported epidemiological, qualitative, and durability studies on dual-active ingredient nets under the New Nets Project in Mozambique.</p>
