

November 6, 2023 (Day 1)

09:00 – 10:45

Grand Opening of the 2nd WLPF

Location: King Willem Alexander Theatre 

Grand Opening Dutch Cultural Performance

The grand opening starts and is moderated by Ikenna Azuike

Welcoming Remarks

Speakers:

- H.E. Dr. Ernst Kuipers, Minister, Ministry of Health, Welfare and Sport, The Netherlands
- H.E. Dr. Tedros Adhanom Ghebreyesus, Director General, World Health Organization
- H.E. Dr. Khaled Abdel Ghaffar, Minister, Ministry of Health and Population, Egypt
- H.E. Mr. Bhagwanth Khuba, Minister of State, Chemicals, Fertilizers and New and Renewable Energy, India
- H.E. Mr. Daren Tang, Director General, World Intellectual Properties Organization
- H.E. Dr. Ngozi Okonjo-Iweala, Director General, World Trade Organization
- H.E. Ms. Stella Kyriakides, Commissioner, European Commission for Health and Food Safety, European Commission

Interlude Mr. Daniel Zeymer-von Metnitz, Vice-President for External Affairs, International Federation of Medical Students Association and Ikenna Azuike

Global Leader's Debate “Leaving no one behind: Interfacing multiple sectoral agendas for local production, timely access, and health equity”

Chair: Dr. Ayoade Alakija, Chair, Board of Foundation for Innovative New Diagnostics

Speakers:

- H.E. Ms. Anne Beathe Tvinneim, Minister, Ministry of International Development, Norway
- Dr. Rajeev Singh Raghuvanshi, Drugs Controller General, Central Drugs Standard Control Organization, Ministry of Health and Family Welfare, India
- Dr. Ciyong Zou, Deputy to the Director General and Managing Director of the Directorate of Technical Cooperation and Sustainable Industrial Development, United Nations Industrial Development Organization
- Dr. Yukiko Nakatani, Assistant Director General, Access to Medicines and Health Products Division, World Health Organization
- Mr. Farid Fezoua, Director, Global Health and Education Department, International Finance Corporation
- Mr Daniel Thornton, Director for Replenishments, GAVI the Vaccine Alliance

Setting the Scene “WLPF in the spotlight: Connecting the dots of global health to local production and technology transfer for timely, equitable access”

Speaker: Dr. Jicui Dong, Unit Head, Local Production and Assistance Unit and WLPF Secretariat, World Health Organization

10:45 – 11:15

Theme 1: Strengthening the ecosystem for sustainable local production to improve access

Location: King Willem Alexander Theatre 

Moderator: Ikenna Azuike

Keynote Speech “Developing a conducive business eco-system to strengthen sustainable local and regional production to improve access to quality health products”

Speaker: H.E. Dr. Ernst Kuipers, Minister, Ministry of Health, Welfare and Sport of The Netherlands

Presentation “Exploring policies, investment mechanisms, and incentives to build sustainable local production capacity”

Speaker: Mr. Rajinder Kumar Suri, Chief Executive Officer, Developing Countries Vaccine Manufacturers Network

Presentation “Leveraging science, technology, and the Intellectual property (IP) system to stimulate innovation and drug development”

Speaker: Mr. Greg Perry, Assistant Director General, International Federation of Pharmaceutical Manufacturers Associations

Presentation “Promoting regulatory reliance to ensure the quality and accessibility of health products”

Speaker: Dr. Rogerio Gaspar, Director, Regulation and Prequalification Department, World Health Organization

Practical information by Ikenna Azuike

11:15 – 11:45

Networking and Marketplace / Health Break

11:45 – 12:45

Parallel Panel Discussion 1

Location: King Willem Alexander Theatre 

“Leap-frogging local production in LMICs with needs-based innovation and talent cultivation”

Chair: Dr. Yukiko Nakatani, Assistant Director General, Access to Medicines and Health Products Division, World Health Organization

Panel Discussion Speakers:

- Mr. Andrew Czajkowski, Director, Technology and Innovation Support Division, World Intellectual Property Organization
- Ms. Marie-Paule Kieny, Chair, Governance Board, Medicines Patent Pool
- Mr. Symerre Grey-Johnson, Director, Human Capital and Institutional Development, African Union Development Agency - New Partnership for Africa's Development
- Dr. Kim Dong Hyun, Director, WHO Workforce Training Hub in Support Team, Global Vaccine Hub, Republic of Korea

Open Discussion Q & A with: Mr. Andrew Czajkowski, Ms. Marie-Paule Kieny, Mr. Symerre Grey-Johnson, Dr. Kim Dong Hyun

11:45 – 12:45

Parallel Panel Discussion 2

Location: Amazon Hall 

“Leap-frogging local production in LMICs with reliable market data and pooled procurement”

Chair: Dr. Jayasree K. Iyer, Chief Executive Officer, Access to Medicines Foundation

Panel Discussion Speakers:

- Mr. Roy Himawan, Director of Pharmaceutical and Medical Devices Resiliency, Ministry of Health, Indonesia
- Ms. Hui C. Yang, Head of Supply Operations, Global Fund to Fight AIDS, Tuberculosis and Malaria
- Dr. Robert Matiru, Director of Programs, UNITAID
- Dr. Christopher Lim, Chief, Pan American Health Organization Strategic Fund for Public Health Supplies, Pan American Health Organization

Open Discussion Q & A with: Ms. Hui C. Yang, Dr. Robert Matiru, Mr. Christopher Lim

12:45 – 14:15

Networking, Marketplace and Side Event / Lunch Break

14:15 – 15:50

Theme 2: Leveraging existing regional initiatives and promoting convergence and partnership

Location: King Willem Alexander Theatre 

Moderator: Ikenna Azuike

Keynote Speech “Forging robust partnerships to improve productivity and production efficiencies in sustainable local production”

Speaker: Dr. Carlos Graboia Gadelha, Secretary-Science, Technology, Innovation, and Complex of Health, Ministry of Health, Brazil

Panel Discussion 1 “Regional perspective on fostering local production through existing regional partnerships and initiatives”

Chair: Dr. Mubashar Riaz Sheikh, Director, Quality Assurance of Norms and Standards Department, World Health Organization

Speakers:

- Mr. Olivier Girard, Head, Medical Counter-Measures Unit, Health Emergency Preparedness and Response Authority, European Commission
- Dr. Carlos Correa, Executive Director, South Centre
- Ms. Lora du Moulin, Global Health and Security Lead, World Economic Forum
- Professor Jan Fransoo, Professor of Operations and Logistics Management, Tilburg University, Netherlands

Open Discussion Q & A on Panel Discussion 1

Panel Discussion 2 “Reaction from regional perspective: Fostering local production through existing regional partnerships and initiatives”

Chair: Dr. Mubashar Riaz Sheikh, Director, Quality Assurance of Norms and Standards Department, World Health Organization

Speakers:

- Dr. Abdunaser Sijari, Chairman, Arab Union of Manufacturers of Pharmaceuticals and Medical Appliances
- Dr. Rizka Andalucia, Director General, Pharmaceutical and Medical Devices, Ministry of Health, Indonesia
- Dr. Sai D. Prasad, Executive Director, Bharat Biotech International, India
- Mr. Philip Dorrell, Program Manager, Vaccine Markets, Clinton Health Access Initiative

Open Discussion Q & A on Panel Discussion 2

Practical information by Ikenna Azuike

15:50 – 16:15

Networking and Marketplace / Health Break

16:15 – 18:00

Theme 3: Tackling the bottlenecks of regional production

Location: King Willem Alexander Theatre 

Moderator: Ikenna Azuike

Keynote Speech “Exploring regional bottlenecks in sustainable local production: a holistic perspective”

Speaker: Dr. Frederik Kristensen, Deputy Chief Executive Officer, Coalition for Epidemic Preparedness Innovations

Panel Discussion 1 “Understanding the key policy challenges of regional production: focus on a holistic approach”

Chair: Dr. Bruce Aylward, Assistant Director General, Universal Health Coverage-Life Course Division, World Health Organization

Speakers:

- H.E. Dr. Amar Ramadhin, Minister, Ministry of Health, Suriname
- Mr. Jon-Åge Øyslebø, Senior Advisor, Global Health, Department of Sustainable Development, Ministry of Foreign Affairs, Norway
- Dr. Asma Ibrahim Al Mannaie, Executive Director, Research and Innovation Center, Department of Health-Abu Dhabi, United Arab Emirates
- Ms. Gayatri Nair, Economic Advisor, Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, India

Open Discussion Q & A on Panel Discussion 1

Panel Discussion 2 “What are the key implementation challenges for regional production?”

Chair: Dr. Bruce Aylward, Assistant Director General, Universal Health Coverage-Life Course Division, World Health Organization

Speakers:

- Mr. Charles Gore, Executive Director, Medicines Patent Pool
- Dr. Carlos Passarelli, Senior Adviser, Access to Medicines, Joint United Nations Programme on HIV/AIDS
- Mr. Alejandro Rivera-Rojas, Executive Officer, Industrial Development - Health Industry Team Leader, United Nations Industrial Development Organization
- Dr. Jean-Pierre Amorij, Vaccine Technology Specialist, Vaccine Centre, United Nations Children's Emergency Fund Supply Division

Open Discussion Q & A on Panel Discussion 2

Summary of Day 1 Highlights of Day 1 moderated by Ikenna Azuike

18:00 – 18:30 Transport to Louwman Museum

18:30 – 21:30

Walking Dinner

Location: Louwman Museum

November 7, 2023 (Day 2)

09:00 – 10:30

Theme 4: Reaching the most vulnerable in the regional production context

Location: King Willem Alexander Theatre 

Welcome moderated by Ikenna Azuike

Keynote speech “The strategic imperative of boosting local pharmaceutical production in Africa”

Speaker: Dr. Jean Kaseya, Director General, Africa Centers for Disease Control and Prevention

Presentation “Strengthening Africa’s research and development capacities to promote technology transfer and local production”

Speaker: Dr. Luis Pizarro, Executive Director, Drugs for Neglected Diseases initiative

Practical information by Ikenna Azuike

15 min for splitting the plenary into breakout rooms

09:35 – 10:30

Parallel Panel Discussion 1

Location: King Willem Alexander Theatre 

“Leveraging regional integration initiatives to promote local production and access in Africa”

Chair: H.E. Dr. Khaled Abdel Ghaffar, Minister, Ministry of Health and Population, Egypt

Panel Discussion Speakers:

- Mr. Stephen Karingi, Director, Regional Integration and Trade Division, United Nations Economic Commission for Africa
- Mr. Themba Khumalo, Principal Industrial Development Advisor, African Continental Free Trade Area
- Mr. Martin Seychell, Deputy Director General, Directorate General for International Partnerships, European Commission
- Mr. Antony Taubman, Director, Intellectual Property, Government Procurement & Competition Division, World Trade Organization

Open Discussion Q & A on Panel Discussion 1

09:35 – 10:30

Parallel Panel Discussion 2

Location: Amazon Hall 

“Supporting Africa to achieve its local production aspirations and targets”

Chair: H.E. Dr. Lia Tadesse, Minister, Ministry of Health, Ethiopia

Panel Discussion Speakers:

- Dr. Anthony Nsiah-Asare, Presidential Advisor on Health, Presidential Committee for Vaccine Manufacturing, Ghana
- Madam Clélia Chevrier-Kolacko, Deputy Director for Sustainable Development, Ministry for Europe and Foreign Affairs, France
- Dr. Nicaise Ndembi, Senior Advisor to the Director General, Africa Centres for Disease Control and Prevention
- Dr. Ayman Abdelmohsen, Chief, Family Planning Branch, Technical Division, United Nations Population Fund
- Dr. Abdu Mukhtar, Director, Industrial and Trade Development, African Development Bank
- Dr. Jan Hendriks, Member, Technical Advisory Group of COVID-19 Technology Access Pool

Open Discussion Q & A on Panel Discussion 2

10:30 – 11:00

Networking and Marketplace / Health Break

11:00 – 12:40

Theme 5: Addressing the policy challenges and operational bottlenecks

11:00 – 12:40

Parallel Panel Discussion 1

Location: King Willem Alexander Theatre 

“Overcoming local production capacity limitations: Mechanisms and policy options”

Chair: Dr. Rogerio Gaspar, Director, Regulation and Prequalification Department, World Health Organization

Panel Discussion Speakers:

- Dr. Tom B. Menge, Head, Directorate of Health Products and Technologies, State Department of Medical Services, Ministry of Health, Kenya
- Mr. Richard Bolwijn, Head, Investment Trends and Issues Branch, United Nations Conference on Trade and Development
- Ms. Yaneth Giha, Executive Director, Latin American Federation of the Pharmaceutical Industry
- Dr. Hanan Sboul, Secretary General, Jordanian Association of Pharmaceutical Manufacturers, Jordan

Open Discussion Q & A on Panel Discussion 1

11:00 – 12:40

Parallel Panel Discussion 2

Location: Amazon Hall 

“Overcoming financing limitations to sustainable local production: Mechanisms and policy options”

Chair: Dr. Rana Hajjeh, Director of Programme Management, Regional Office of the Eastern Mediterranean, World Health Organization

Panel Discussion Speakers:

- Dr. Heidy Rombouts, Director General, Department of International Development Cooperation, Belgium Development Agency, Belgium
- Dr. Oumy Ndao, Director General, Agence Sénégalaise de Réglementation Pharmaceutique, Senegal
- Ms. Khadija K. Jamaloodien, Chief Director, Sector Wide Procurement, Department of Health, South Africa
- Mr. Chatuphon Charoenkitpaiboon, Director, Strategic Management and Business Development, Government Pharmaceutical Organization, Thailand
- Mr. Frank Muonemeh, Executive Secretary, Pharmaceutical Manufacturers Group of Manufacturers Association of Nigeria, Nigeria
- Dr. Subir K. Basak, Global Sector Specialist, Pharma/Biotech, International Finance Corporation

Open Discussion Q & A on Panel Discussion 2

11:00 – 12:40

Parallel Panel Discussion 3

Location: Mississippi Hall

“Ensuring sustainability and quality in local production: mechanisms and policy options”

Chair: Dr. Ariane Hildebrandt, Director General, Bundesministerium für Wirtschaftliche Zusammenarbeit und Entwicklung, Germany

Panel Discussion Speakers:

- Dr. Aziz Mrabti, Director, Directorate of Drugs and Pharmacy, Ministry of Health and Social Protection, Morocco
- Ms. Marion Dietterich, Director, Global Challenges Division, World Intellectual Property Organization
- Dr. Zhendong Song, Senior Medical Device Industry Specialist, Department of Health and Education, International Finance Corporation
- Mr. Rabbur Reza, Chief Operating Officer, Beximco Pharmaceuticals Ltd., Bangladesh

Open Discussion Q & A on Panel Discussion 3

12:40 – 14:15

Networking, Marketplace and Side Event / Lunch Break

14:15 – 15:45

Theme 6: Strengthening local production capacity of quality health products

14:15 – 15:45

Parallel Panel Discussion 1

Location: Mississippi Hall

“Strategic approaches to accelerate regional API development and manufacturing in Africa”

Chair: Dr. Philippe Duneton, Executive Director, Unitaid

Presentation “API production across borders: From research and development laboratories to finished products”

Speaker: Mr. Hannes Malan, Managing Director, Chemical Process Technologies Pharma, South Africa

Presentation “API manufacturing in Africa: Manufacturers’ perspectives”

Speaker: Mr. Emeka Okoli, Chairman and Chief Strategy Officer, Emzor Pharmaceuticals, Nigeria

Panel Discussion “Setting the goals and defining a roadmap”

Speakers:

- Mr. Seth K. Seaneke, Deputy Chief Executive Officer, Ghana Food and Drugs Authority, Ghana
- Mrs. Sybil Nana Ama Ossei-Agyeman-Yeboah, Ag. Principal Professional Officer, Public Health & Responsible for Pharmaceuticals, Head, Public Health Division, West African Health Organisation
- Mr. Hannes Malan, Managing Director, Chemical Process Technologies Pharma, South Africa
- Mr. Simone Blayer, Global Head, Chemistry, Manufacturing, Control and Nonclinical Toxicology, Program for Appropriate Technology in Health

Open Discussion Q & A on Panel Discussion

14:15 – 15:45

Parallel Panel Discussion 2

Location: King Willem Alexander Theatre 

“Strengthening the scalability and sustainability of vaccine production”

Chair: Dr. Hans Schikan, Chief Executive Officer, Health Holland

Setting the Scene “Scaling Up and Sustaining Vaccine Production: Exploring Opportunities and Challenges for Strengthening Local Production Capacity of Quality Health Products”

Speaker: Ms. Winnie Byanyima, Executive Director, Joint United Nations Programme on HIV/AIDS and Co-Chair of Peoples Vaccine Alliance

Panel Discussion Speakers:

- Dr. Dominic Hein, Director, Market Shaping, GAVI the Vaccine Alliance
- Dr. William Ampofo, Chief Executive Officer, National Vaccine Institute, Ghana
- Dr. Luka Dragačević, Managing Director, Institute of Virology, Vaccines and Sera “Torlak”, Serbia
- Dr. Nizar Laabidi, Director, Vaccines and Serums Production Unit, Institute Pasteur de Tunis, Tunisia
- Mr. Fernando Lobos, Deputy Chief Executive Officer, Sinergium Biotech, Argentina
- Ms. Iin Susanti, Production and Supply Chain Director, PT Bio Farma (Persero), Indonesia

Open Discussion Q & A on Panel Discussion

14:15 – 15:45

Parallel Panel Discussion 3

Location: Yangtze 1 & 2 Rooms

“Understanding the diagnostics and devices value chains for sustainable production and access”

Moderator: Ikenna Azuike

Keynote speech “Challenges and opportunities for sustainable production of diagnostics and medical devices along the value chain”

Speaker: Dr. Marta Fernández Suárez, Chief Technology Officer, Foundation for Innovative New Diagnostics

Panel Discussion 1 “Manufacturer’s perspective”

Chair: Professor Michael L. Wilson, Co-Deputy Chair, The Lancet Commission on Diagnostics

Speakers:

- Ms. Krupali Shah, Technical Director, Revital Healthcare, Kenya
- Mr. Felipe Maricondi, Executive Director, WAMA Diagnóstica, Brazil
- Mr. Sriram Natajaran, Chief Executive Officer, Molbio Diagnostics Pvt. Ltd., India
- Mr. Sun Yipeng, Director, Infervision Europe Division, Germany
- Dr. Patrick Vaughan, Chief Operating Officer, DCN Diagnostics, United States of America

Open Discussion Q & A on Panel Discussion 1

Panel Discussion 2 “Regional and global agencies perspectives, with a focus on defining what we mean by local or regional manufacturing as we consider the entire value chain”

Chair: Ms. Sharonann Lynch, Senior Scholar, O’Neill Institute for National and Global Health Law

Speakers:

- Dr. Robert Matiru, Director of Programs, UNITAID
- Dr. Dianna Edgil, Chief, Supply Chain for Health Division, United States Agency for International Development, United States of America

- Mr. Michael Anderson, Chief Executive Officer, MedAccess, United Kingdom of Great Britain and Northern Ireland

Open Discussion Q & A on Panel Discussion 2

14:15 – 15:45

Parallel Panel Discussion 4

Location: Amazon Hall 

“Addressing climate change through eco-friendly local production”

**Panel Discussion
with audience
interaction**

Chair: Dr. Claudia Martínez, Research Programme Manager, Access to Medicine Foundation

Speakers:

- Dr. Megha Rathi, Technical Officer, Climate Change and Health Unit, World Health Organization
- Ms. Jackline Kiarie, Regional Programme Manager, AMREF Health Africa
- Dr. Perrin Toso, Director, Pharmaceutical Manufacturing Programs, United States Pharmacopoeia, United States of America
- Dr. Jenny-Lee Panayides, Research Group Leader, Pharmaceutical Technologies, Council for Scientific and Industrial Research, South Africa
- Dr. Axel Klaphake, Director, Department for Economic and Social Development, Digitalisation, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, Germany
- Ms. Marina Smelyanskaya, Team Lead, HIV and Health Group, Eastern European and Central Asia Region, United Nations Development Programme
- Ms. Sarah Ouanhnon, Head, Net Zero Delivery and Partnerships, National Health Service, United Kingdom of Great Britain and Northern Ireland
- Dr. Kai Donsbach, Head of Scientific Innovation & Professor of the Practice, Medicines for All

15:45 – 16:15

Networking and Marketplace / Health Break

16:15 – 18:00

Spotlight: Chief Executive Officer (CEO) Forum

Location: King Willem Alexander Theatre 

Moderator: Ikenna Azuike

“The role of industry leadership in promoting local production of medicines, vaccines, and medical devices”

Co-Chairs:

- Mr. Rajinder Kumar Suri, Chief Executive Officer, Developing Countries Vaccine Manufacturers Network
- Dr. Jicui Dong, Unit Head, Local Production and Assistance Unit and WLPF Secretariat, World Health Organization

Speakers:

- Dr. Liu Jingzhen, Chairman, Sinopharm, China
- Dr. Uğur Şahin, Chief Executive Officer, BioNTech SE, Germany
- Mr. Markus Sieger, Chief Executive Officer, Polpharma Group B.V., Netherlands
- Ms. Gülşah Sönmez, Chief Executive Officer, Bome Trivitron Sanayi Ürünleri Dış Ticaret AŞ, Turkey
- Mr. Abdul Muktedir, Chairman, Incepta Pharmaceuticals Ltd, Bangladesh
- Mr. Morena Makhoana, Chief Executive Officer, Biovac, South Africa
- Mr. Adam El Daba, Chief Executive Officer, Gennecs Pharmaceuticals, United Arab Emirates

Open Discussion Q & A on CEO Forum

Summary of Day 2 **Highlights of Day 2** moderated by Ikenna Azuike

18:10 – 19:45

Special Event

Unitaid–WHO-AUDA NEPAD Hosted Cocktail

“Regional Manufacturing of Health Technologies in Africa: From commitment to action”

Location: Yangtze 1 & 2 Rooms

Refer to Annex 1 for the provisional agenda

Refer to the Annexes 2 and 3 for the list of organizations in the Marketplace and the list of side events

November 8, 2023 (Day 3)

09:00 – 10:30

Theme 7: Strengthening local production for global health security and emergency preparedness

Location: King Willem Alexander Theatre 

Welcome moderated by Ikenna Azuike

Keynote Speech “Integrating local production as a component of the health system”

Speaker: Dr. Joy Phumaphi, Executive Secretary, African Leaders Malaria Alliance and Board Member, Medicines for Malaria Venture

Keynote Speech "Expediting Access to Safe and Effective Emergency Products: Strengthening Regulatory Systems for Rapid Response During Health Emergencies"

Speaker: Dr. Michel Sidibé, African Union Special Envoy for the African Medicines Agency

Practical information by Ikenna Azuike

15 min for splitting the plenary into breakout rooms

09:35 – 10:30

Parallel Panel Discussion 1

Location: King Willem Alexander Theatre 

“Geo-diversifying manufacturing capacity through licensing and technology transfer”

Chair: Dr. Gilles Forte, Head (Special Projects), Office of the Assistant Director General, Access to Medicines and Health Products Division, World Health Organization

Panel Discussion Speakers:

- Professor Frederick Abbott, Edward Ball Eminent Scholar Professor of Law, College of Law, Florida State University, United States of America and Chair, WHO Technical Advisory Group on Local Production and Technology Transfer of Health Products
- Dr. Ellen t’Hoen, Director, Medicines Law & Policy
- Mr. Esteban Burrone, Head of Policy, Strategy and Market Access, Medicines Patent Pool
- Mr. Siddhartha Prakash, Head, Global Health, World Intellectual Property Organization
- Mr. Ermias Biadgleng, Legal Affairs Officer, Intellectual Property Unit, Division on Investment and Enterprise, United Nations Conference on Trade And Development

Open Discussion Q & A on Panel Discussion 1

09:35 – 10:30

Parallel Panel Discussion 2

Location: Amazon Hall 

“Getting regulatory systems ready for rapid response during health emergencies”

Chair: Dr. Murray M. Lumpkin, Deputy Director, Integrated Development (Regulatory Affairs), Lead for Global Regulatory Systems Initiatives, Bill & Melinda Gates Foundation

Panel Discussion Speakers:

- Professor Mojisola Christianah Adeyeye, Director General, National Agency for Food and Drug Administration Control, Nigeria
- Dr. Jörg Schläpfer, Head, Management Services and International Affairs, Member of the Management Board, Swiss Agency for Therapeutic Products, Switzerland
- Mr. Roberto Conocchia, Good Manufacturing Practice Technical Lead, European Medicines Agency
- Mr. Hiiti Sillo, Unit Head, Regulation and Safety Unit, World Health Organization
- Mr. Deusdedit Mubangizi, Unit Head, Prequalification Unit, World Health Organization

Open Discussion Q & A on Panel Discussion 2

10:30 – 11:00

Networking and Marketplace / Health Break

11:00 – 12:30

Closing Session

Location: King Willem Alexander Theatre 

Moderator: Ikenna Azuike

Summary of Day 3 Highlights of Day 3

Member States and Stakeholders' Reflections “Overview and reflection on the 2nd World Local Production Forum”

Chair: Dr. Rogerio Gaspar, Director, Regulation and Prequalification Department, World Health Organization

Speakers:

- Dr. Adda Abbou Leila, Deputy Director, Promotion of Clinical Studies and Pharmaceutical Research, Ministry of Industry and Pharmaceutical Production, Algeria
- Mr. Md. Anwar Hossain Akand, Joint Secretary, Health Services Division, Ministry of Health and Family Welfare, Bangladesh
- Mr. Meraee AlQahtani, Deputy Minister for Supply Chain, Ministry of Health, Saudi Arabia
- MSc. Lisette Pérez Ojeda, Advisor to the Director, Centro para el Control Estatal de Medicamentos, Equipos y Dispositivos Médicos, Cuba
- Dr. Osamu Kunii, Global Health Innovative Technology Fund, Japan

Presentation “World Local Production Forum outcomes” with moderation by Ikenna Azuike

Speaker: Dr. Jicui Dong, Unit Head, Local Production and Assistance Unit and WLPF Secretariat, World Health Organization

Signing Ceremony Signing ceremony

Closing Ceremony Speakers:

- H.E. Dr. Ernst Kuipers, Minister, Ministry of Health, Welfare and Sport, The Netherlands
- H.E. Mr. Paul Huijts, Secretary General, Ministry of Foreign Affairs, The Netherlands
- The Delegate of the United Arab Emirates
- Dr. Yukiko Nakatani, Assistant Director General, Access to Medicines and Health Products Division, World Health Organization

Side Event / Dutch goodbyes

The above programme may be subject to change.

More information will be available in due course on the WLPF and LPA websites.

Annex 1. Provisional agenda of Unitaid-WHO-AUDA-NEPAD Hosted Cocktail Special Event

**“Regional Manufacturing of Health Technologies in Africa: From commitment to
action”**

Provisional agenda

Time	Activity
18:10-18:20	Opening cocktail
18:20-18:25	Introductory remarks by Co-Moderators <i>Dr. Jicui Dong, Unit Head, WHO Local Production and Assistance Unit</i> <i>Mr. Robert Matiru, Director, Programme Division, Unitaid</i>
18:25-18:45	Presentations 1. AUDA-NEPAD’s Pharmaceutical Manufacturing Plan for Africa <i>Mr. Symerre Grey-Johnson, Director, Human Capital & Institutional Development</i> 2. Unitaid’s Regional Manufacturing Strategic initiative: Phase 1 objectives <i>Dr. Philippe Duneton, Executive Director</i> 3. WHO’s support in strengthening local production to improve access <i>Dr. Yukiko Nakatani, Assistant Director General, Access to Medicines and Health Products Division, World Health Organization</i> 4. Government of the United States of America/PEPFAR/USAID <i>Dr. Dianna Edgil, Chief, Supply Chain for Health Division, USAID</i>
18:45-19:25	“Regional Manufacturing in Africa: from commitment to action” Co-Moderators: <i>Dr. Jicui Dong, Unit Head, WHO Local Production and Assistance Unit</i> <i>Mr. Robert Matiru, Director, Programme Division, Unitaid</i> Presentation: “The Health Products Manufacturing Support Platform concept” <i>Dr. Iain Barton, Founding Principal, Health4Development</i> Panel Discussion with the Panelists: ▪ <i>Dr. Skhumbuzo Ngozwana, CEO Kiara Health, South Africa</i> ▪ <i>Mr. Frank Muonemeh, Executive Secretary, Pharmaceutical Manufacturers Group of Manufacturers Association of Nigeria</i> ▪ <i>Dr. Janet Byaruhanga, Senior Programme Officer, Health,, AUDA-NEPAD</i> ▪ <i>Mr. Abdul Muktedir, Chairman, Incepta Pharmaceuticals Ltd, Bangladesh</i>
19:15-19:20	Summary and Closing by Dr. Rogerio Gaspar, Director, Regulation and Prequalification Department, WHO
19:20-20:30	Closing cocktail

Annex 2. 2nd World Local Production Forum Marketplace – List of Organizations

Organizations:

1. Local Production and Assistance Unit, World Health Organization
2. Ministry of Health, Welfare and Sport, Netherlands
3. International Finance Corporation
4. Medicines Patent Pool
5. International Pharmacy Students' Federation
6. Joint Action “Support towards Industrialisation and Productive Sectors” in the South African Development Community
7. Medicines for Malaria Venture
8. Emerging Biopharmaceutical Manufacturers Network
9. Wemos
10. Pediatric Praziquantel Consortium / Lygature
11. Beijing Institute of Biological Products Co., Ltd.
12. Instituto Mechnikov
13. Biogeneric Pharma
14. Unizima
15. IDA Foundation
16. Biotech Training Facility
17. Netherlands Youth Arts Group

Annex 3. 2nd World Local Production Forum Side Events

6 November 2023 (Day 1) from 12:45-14:15

“Lessons learnt from capacity building of the pharmaceutical industry and medical technologies sector in the SADC region”, organized by Joint Action “Support towards Industrialisation and Productive Sectors” in the South African Development Community

Room: Africa

“Regional Production and Satellite Sites: Friends or Foes?”, organized by Wemos

Room: Antarctica

“Strengthening Regional Production of Pharmaceuticals and Health Commodities for Equitable Access”, organized by United Nations Industrial Development Organization

Room: Central America

“Sustainable local vaccine production: shifting towards a systems lens”, organized by KU Leuven

Room: North America

7 November 2023 (Day 2) from 12:40 - 14:15

“Broadening Vaccine Manufacturing Capacity and Capability: drawing lessons from a concrete Tech Transfer project”, organized by Coalition for Epidemic Preparedness Innovations

Room: Africa

“Strengthening Resilience and Access Through Local Health Production and Technology Transfer in Africa”, organized by AMREF Flying Doctors

Room: Antarctica

“Empowering Youth Voices in Local Production of Health Technologies”, organized by Universities Allied for Essential Medicines and International Pharmaceutical Students’ Federation

Room: Central America

“Opportunities to shape market access dynamics for sustainable growth: The manufacturer’s perspective”, organized by United States Pharmacopoeia

Room: North America

8 November 2023 (Day 3) from 12:30 - 14:00

“Creating Sustainable Markets for Local Manufacturing Across the Health Supply Chains”, co-organized by International Finance Corporation and World Health Organization

Room: Kilimanjaro
