Erratum: Intersectoral Forum to Fight NCDs in Brazil - ForumDCNTs' Recommendations to the World Health Organization (WHO) on the Updated Appendix 3 of the WHO Global NCD action plan 2013-2030.

For the paragraph

..."We also recommend that diagnosis and treatment of sleep disorders are incorporated to the Best Buys as a strategy to prevent NCDs, since evidence accumulate that they are very relevant risk factors for the development and worsening of several NCDs and leaving them untreated has an important burden on individuals, society, and a financial impact on health and economy of nations." ...

Dear Sir/Madam,

On behalf of the Intersectoral Forum to Fight NCDs in Brazil (ForumDCNTs), its members, and especially the institutions signing the below and attached document, I respectfully submit our recommendations to the Draft Updated Appendix 3 of the WHO Global NCD action plan 2013-2030

The ForumDCNTs is always pleased to collaborate and partner with WHO and PAHO, especially in recommendations and initiatives to improve NCDs' prevention and care.

Sincerely yours,

Pedro Ripoli
