Subject: [EXT] WHO - Process to update the 'set of best buys and other recommended interventions for the prevention and control of NCDs' (also known as the Updated Appendix 3 of the WHO Global NCD Action Plan)

Dear Sir/Madam,

We have carefully gone through the First Draft of the discussion paper on "recommended interventions" for Global NCD Action Plan, under Appendix-3, and have no comments or amendments to propose at this stage.

Best regards,
Najuwa
