

Clarification to the Queries: RFP/NEP/2026/001

Query 1: On Page 11, it was mentioned that Annex 1: Outline for technical and financial proposal but we could not find the outline for the financial proposal.

- The financial proposal is provided as an Excel-format file attached to the overall proposal package. You are kindly requested to review the attached Excel document and populate it with your detailed financial requirements, ensuring that all relevant cost components are clearly specified and aligned with the proposed activities. Please ensure that the information entered is accurate, complete, and consistent with the technical proposal, as this will facilitate a comprehensive evaluation.
- The details are in the Terms of Reference for the activity.

Query 2: On cost engaging excel sheet we could not find the cost separated for human resources which will be used from vendor

- We kindly request vendors and service providers to comprehensively include all associated costs in the attached Excel financial proposal template, in accordance with the requirements of the proposed activities. This should encompass all relevant cost components, including but not limited to human resources (HR), operational expenses, logistics, administrative support, and any other applicable expenditures necessary for the effective implementation of the activity.
- Please ensure that all costs are clearly itemized, justified where necessary, and aligned with the scope of work and deliverables. Providing a complete and detailed cost breakdown will support accurate assessment and facilitate a transparent and efficient evaluation process.
- The non-associated cost of this call (related to the government participation) will be dealt with separately.
