Table S1 Cutaneous leishmaniasis endemicity status, number of new autochthonous and imported cases, by country, 2006 to 2015

Tableau S1 Degré d'endémicité de la leishmaniose cutanée, nombre de nouveaux cas autochtones et importés, par pays, 2006-2015

Country – Pays	Cutaneous leishmaniasis (CL) – Leishmaniose cutanée (LC)													
	Status of endemicity – Degré d'endémicité	Number of cases of CL reported – Nombre de cas de LC signalés										Number of imported CL cases reported – Nombre de cas de LC importés signalés		
		2015	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2013	2014
African region – Région Africaine
