## International Nurses Day Our Nurses: Our Future

### Invitation to join our webinar "Hope, Peace & Health Security"

#### Nursing and Midwifery Global Community of Practice

To celebrate nurses around the world on INTERNATIONAL NURSES DAY 2023, we invite you to join us for a global webinar on 12th May 15.00hrs -16.30hrs CEST. The aim of the webinar is to recognise International Nurses Day by celebrating and thanking nurses around the world. It will highlight the WHO 25x25x25 campaign, using its mission to save lives as an opportunity for hope and a mechanism to build health security through high quality education and training. Six Government Chief Nursing and Midwifery representatives from all WHO regions will be invited to present their country context of emergency care nursing and midwifery, and discuss their strategy to engage and support the WHO 25x25x25 emergency care campaign.
