

Live Learning Webinars

COLLABORATING **The Global Strategic Directions** **for Nursing & Midwifery**

Nursing and Midwifery Global Community of Practice (NMGCoP)

The webinar aims to demonstrate examples of how the WHO Global Strategic Directions for Nursing and Midwifery 2021-2025 (SDNM) have been achieved across the four policy focus areas of Education, Leadership, Service Delivery and Jobs. Our speakers are globally situated and will offer examples of work related to the strategic directions and the policy priorities in the SDNM. They include:

- Dr Amelia Latu Afuhaamango Tuipulotu (Switzerland)- WHO Chief Nursing Officer
- Prof Rowaida Al-Maaitah (Jordan)- NMGCoP Steering Group Member
- Ms Annree Wogan (Australia)- Leadership & Medical Affairs Consultant
- Prof Brendan Mc Cormack (Australia) - Head of The Susan Wakil School of Nursing and Midwifery (inc. Sydney Nursing School) & Dean, Faculty of Medicine and Health, The University of Sydney.
- Dr Philip Dickson (USA)- President of National Council of State Boards of Nursing (NCSBN)
- Dr Silvia Cassiani (USA)- Regional Advisor for Nursing and Health Technicians at the Pan American Health Organization (PAHO)
- Ms Pilar Lozano González (Spain)- WHO Consultant on Leadership Development for Early Career Nurses and Midwives
- Ms Violet Mirembe (Uganda) - Nursing Officer, Uganda
- Ms Helene Maucher & Ms Carla Eysel (Germany)- Nursing education in Germany
- Prof Jacqueline Dunkley-Bent (UK)- Chief Midwife of the International Confederation of Midwives (ICM)
- Prof Nancy Reynolds (USA)- NMGCoP Steering Committee Member, Johns Hopkins School of Nursing
- Dr Susan Kent (Ireland)- WHO Consultant for the NMGCoP & Basic Emergency Care 25x25x25 Campaign
