2. The Undersigned, as a member of the Task Group on Radiofrequency Fields and Health Risks (collectively referred to as "the Advisory Process"), may have access to the Information in the course of his/her participation in the Advisory Process (whether at or in relation to Advisory Process meetings, internet-based collaborative workspaces, telephone conferences or otherwise).
3. WHO is willing to provide the Undersigned the Information, or arrange for the provision of the Information to the Undersigned, for the purpose of performing his/her responsibilities in connection with the activities of the Advisory Process ("the Purpose"), provided that the Undersigned undertakes to treat the Information as confidential and proprietary, and to disclose it only to persons who have a need to know for the Purpose and are bound by like obligations of confidentiality and non-use as are contained in this Undertaking.
4. The Undersigned undertakes to regard the Information as confidential and proprietary to WHO or parties collaborating with WHO and agrees to take all reasonable measures to ensure that the Information is not used, disclosed or copied, in whole or in part, other than as provided in this Undertaking, except that the Undersigned shall not be bound by any such obligations if and to the extent he/she is clearly able to demonstrate that the Information:

  - b) was in the public domain at the time of disclosure by or for WHO to the Undersigned; or
  - c) becomes part of the public domain through no fault of the Undersigned; or
