

BROWN BAG SEMINAR

STRENGTHENING NATIONAL CAPACITY ON GLOBAL HEALTH ENGAGEMENT

8 October 2024
01:00 pm IST
(lunch time)

OBJECTIVES

The Seminar aims to further enhance the national capacity for effective global health engagement by:

- showcasing best practices by Member States from SE Asia Region, fostering knowledge exchange and collaboration;
- enhancing the understanding of the relationship between foreign policy and global health and highlighting how diplomatic strategies can drive health outcomes; and
- further strengthening the infrastructure for delivering evidence-based policy guidance.

1.00 pm | Welcome by the moderator and introduction – 5 minutes

1.05 pm | Panel discussions – 15 minutes (5 minutes each)

1.20 pm | Question – answer session – 15 minutes

1.35 pm | Summing up by the moderator – 5 minutes

PROGRAMME

Join us for this unique opportunity to learn from experienced panelists and health experts as they share their strategies for navigating the complex landscape of global health policy.
