Hiring of a professional editor to edit health facility management manuals

1. Background

Ministry of Health in consultation with all relevant experts and stakeholders have drafted the following documents:
1. Manual on management of divisional hospitals (approx. 225 pages)
2. Manual on management of primary medical care units (approx. 100 pages)
3. Manual on management of provincial and regional directorates of health services (approx. 145 pages)

The draft documents are in MS Word format in English language.

2. Purpose

The purpose of this Request For Proposal (RFP) is to identify a suitable professional to proofread, conduct language editing as required and format the documents to a print-ready version.

3. Methodology

The selected contractual partner is expected to engage in the activity in close collaboration with WHO Sri Lanka and Director (Planning), the focal point from the Ministry of Health for the activity. He/she is expected to proofread, conduct language editing as required and format all three documents to a print-ready version. The soft copies of the draft documents (in MS Word format) will be shared with the selected contractual partner.

4. Expected outputs
