

Influenza Situation Update in SEAR

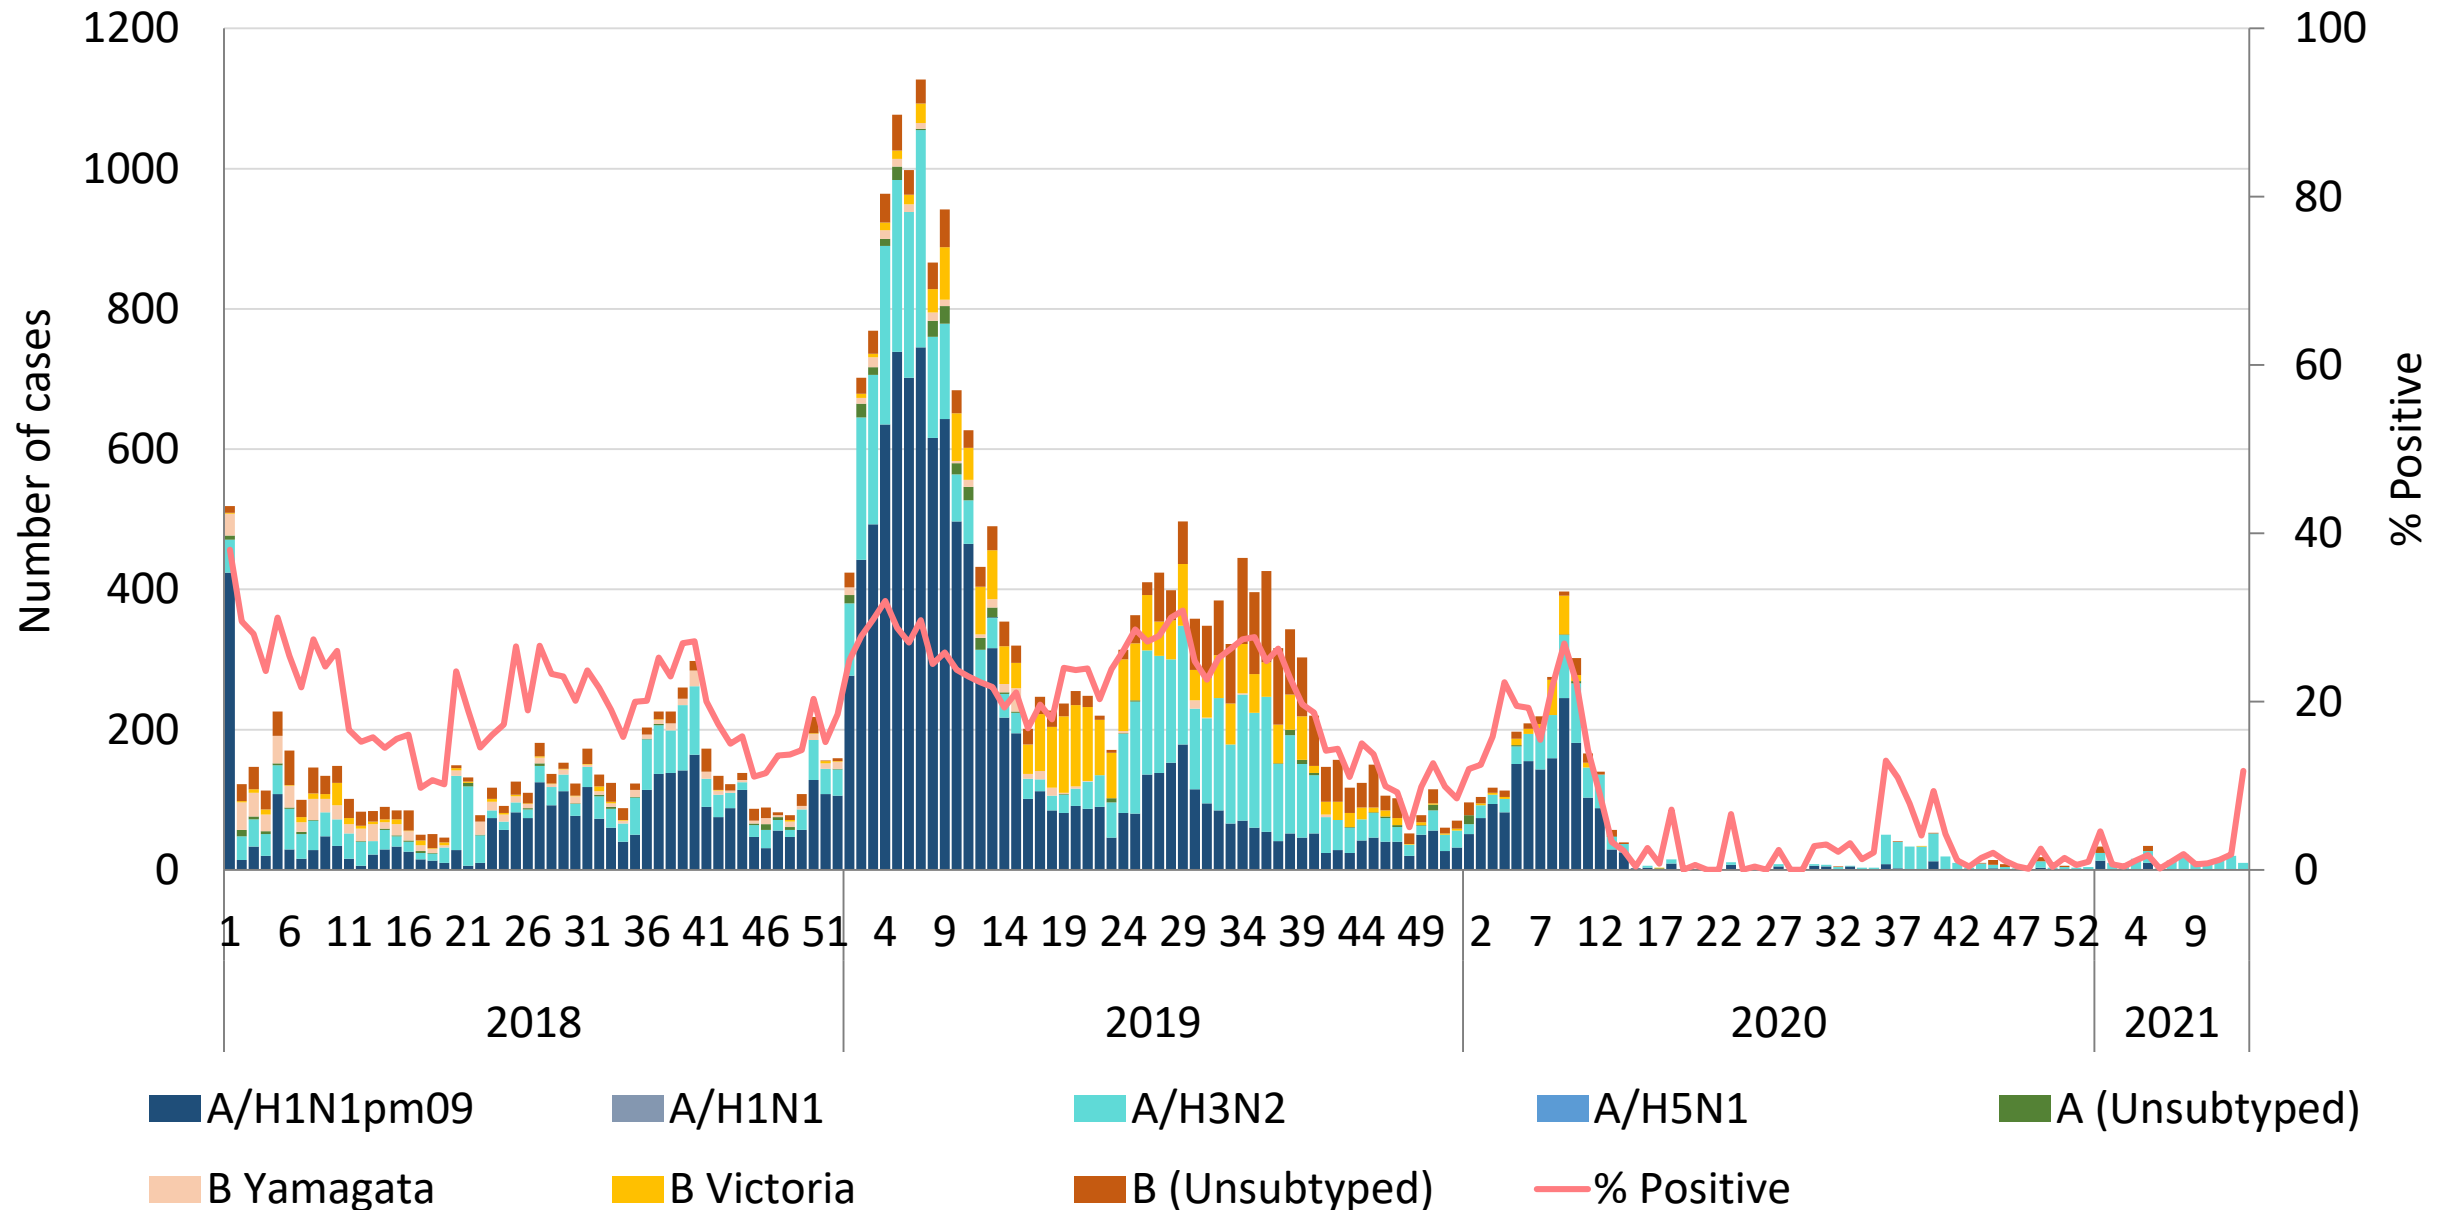

(25 March 2021)

Infectious Hazard Management (IHM)
WHO Health Emergency Programme

Number of specimens processed for influenza by month and year SEAR, 2018-2021*

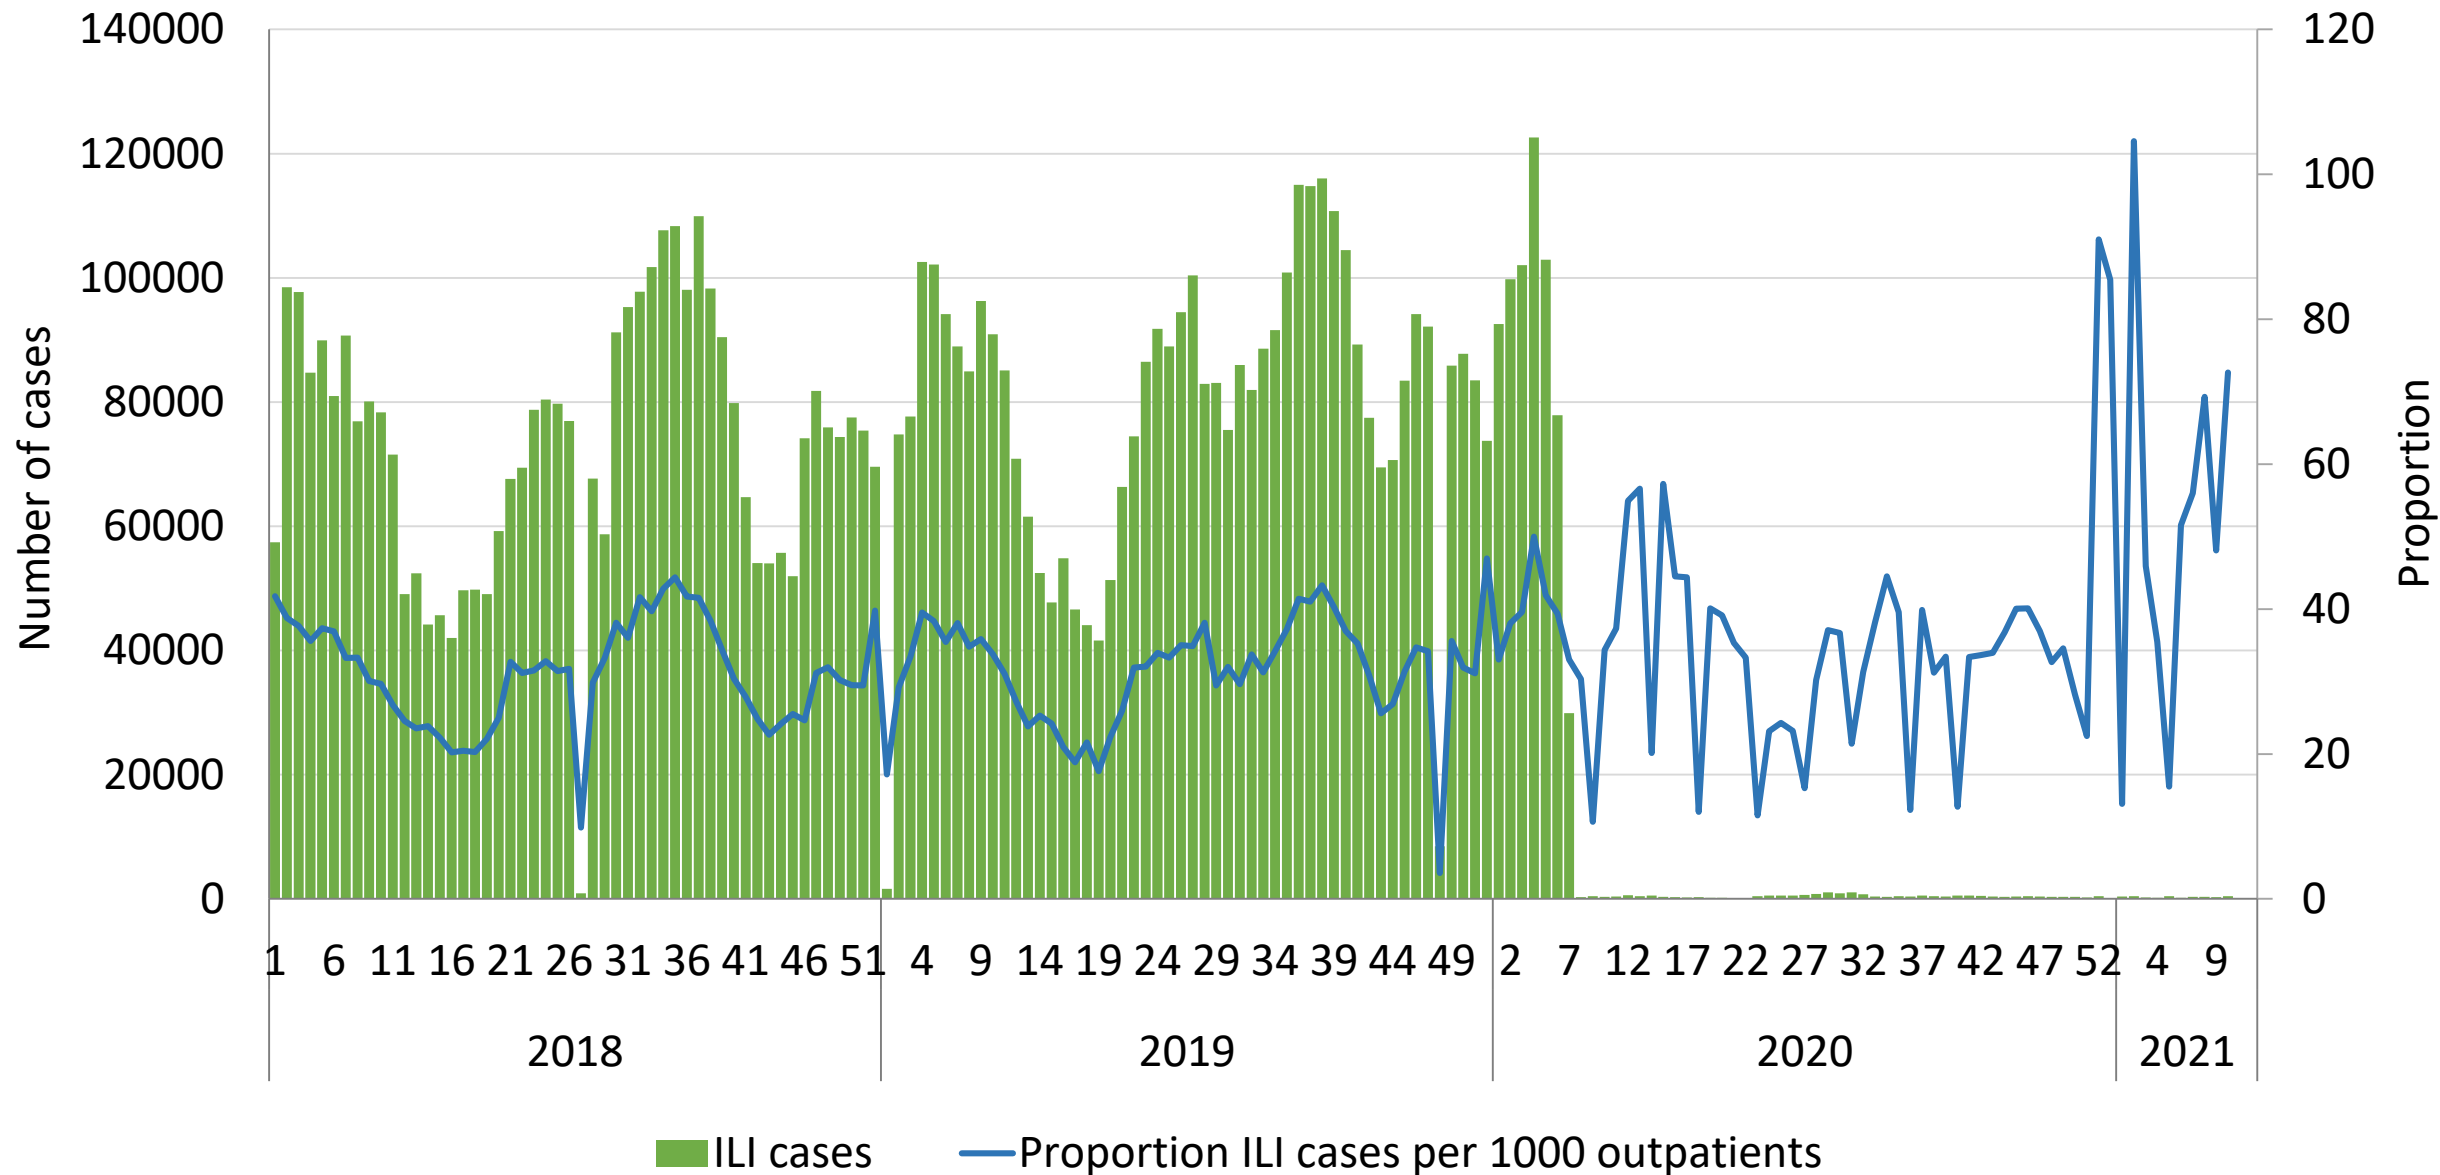

Number of specimens positive for influenza by subtype and % positive SEAR, 2018-2021*

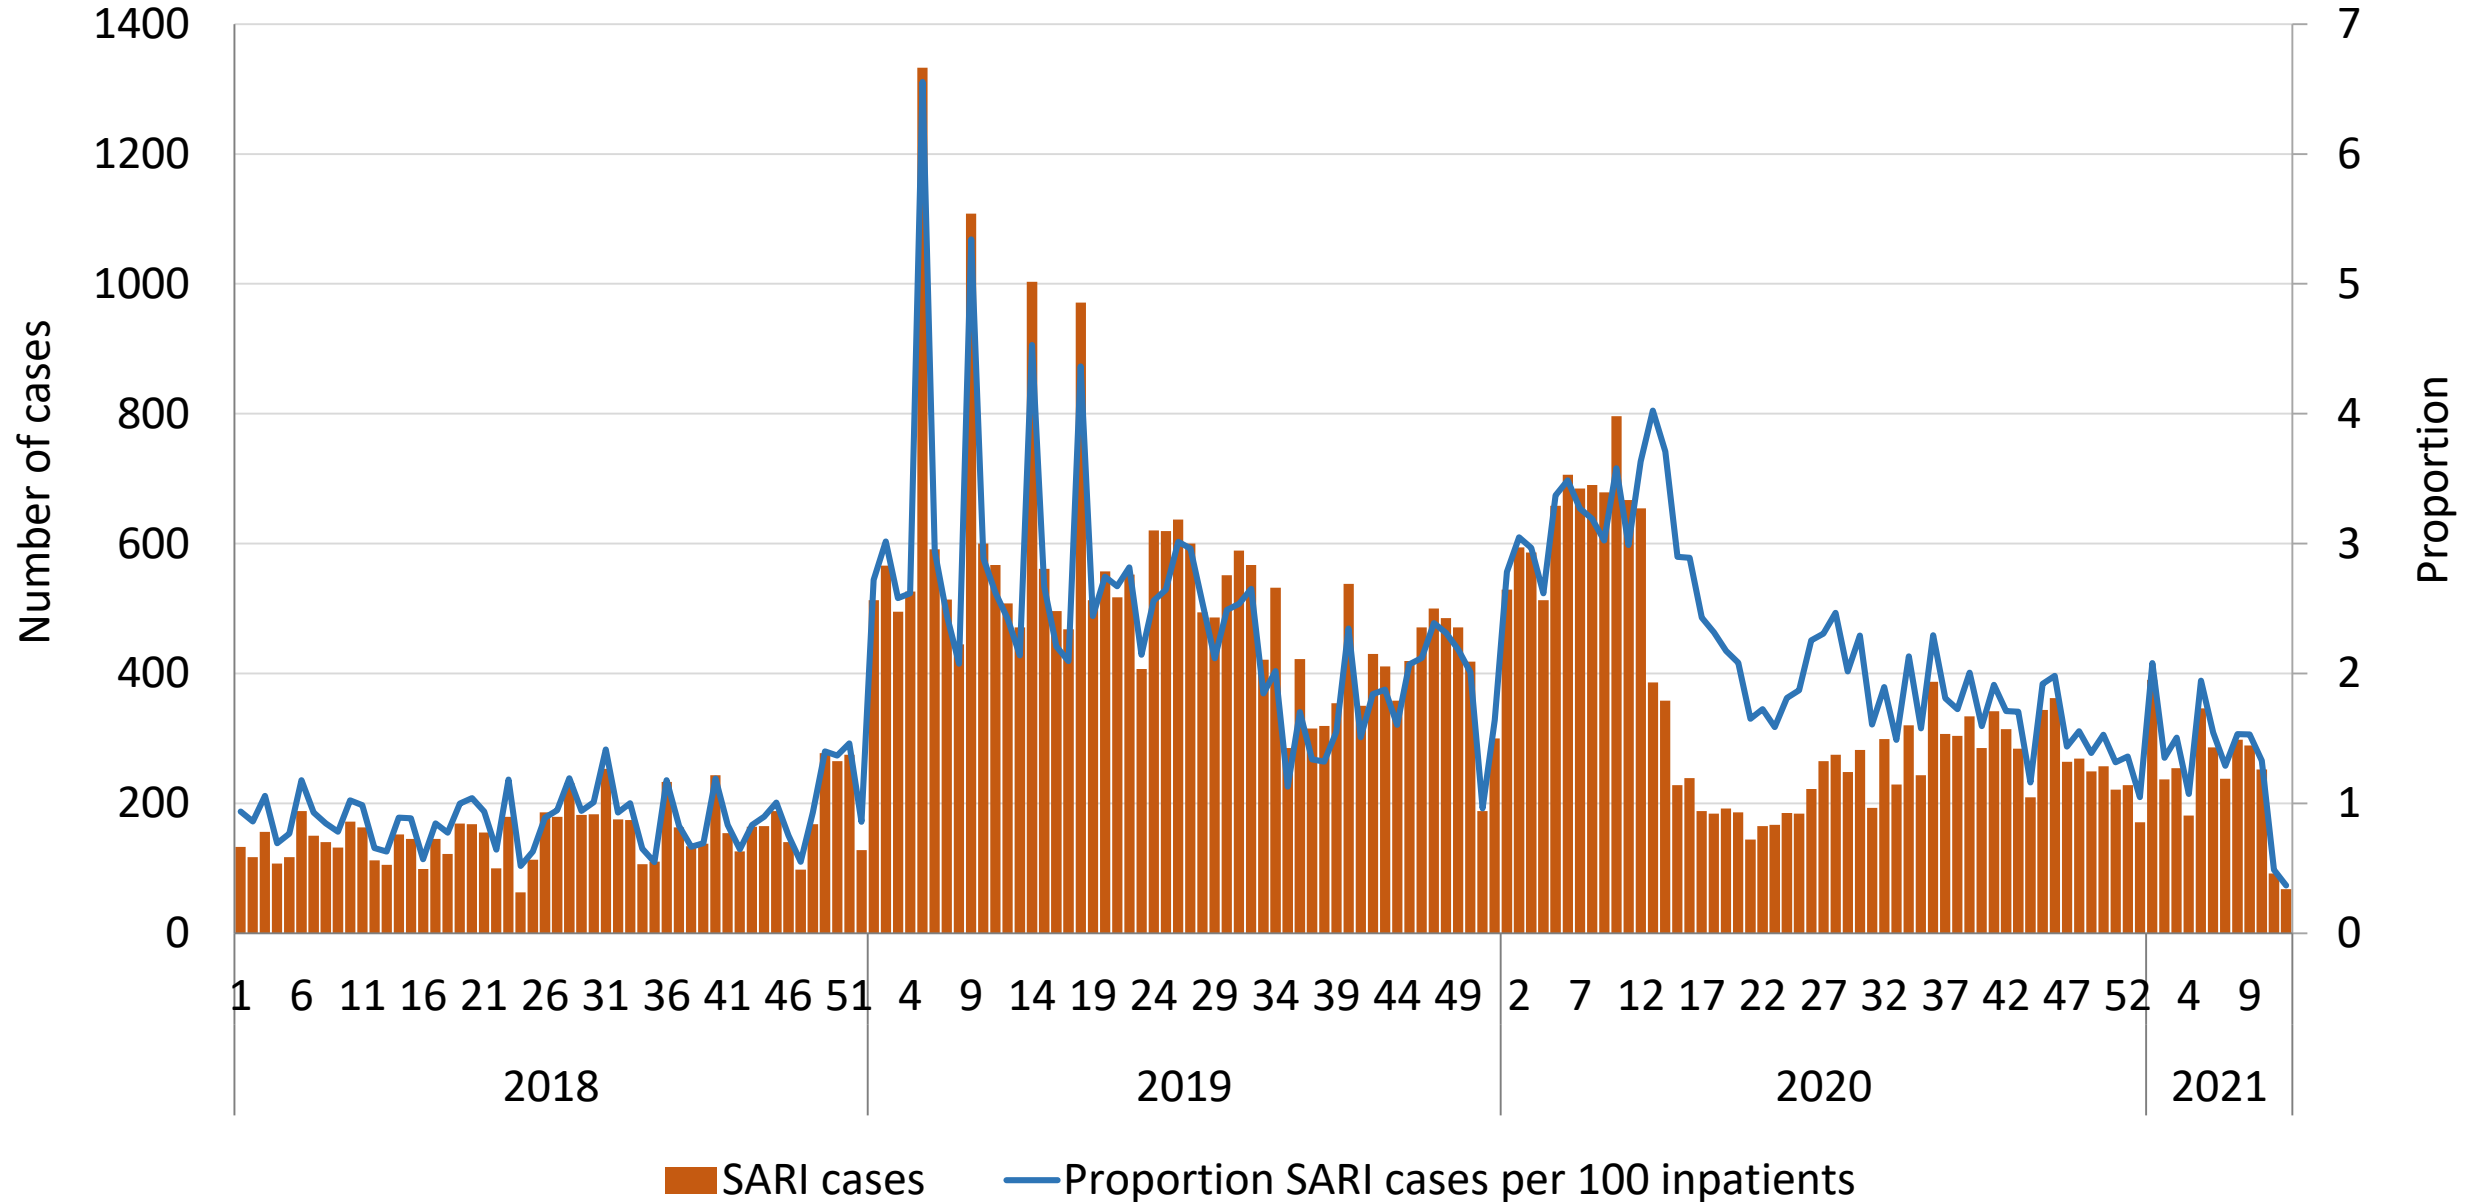

*Data source: FluMart, GISRS as of 15 March 2021

Number of influenza-like illness (ILI) cases and proportion of ILI cases per 1,000 outpatients SEAR, 2018-2021*

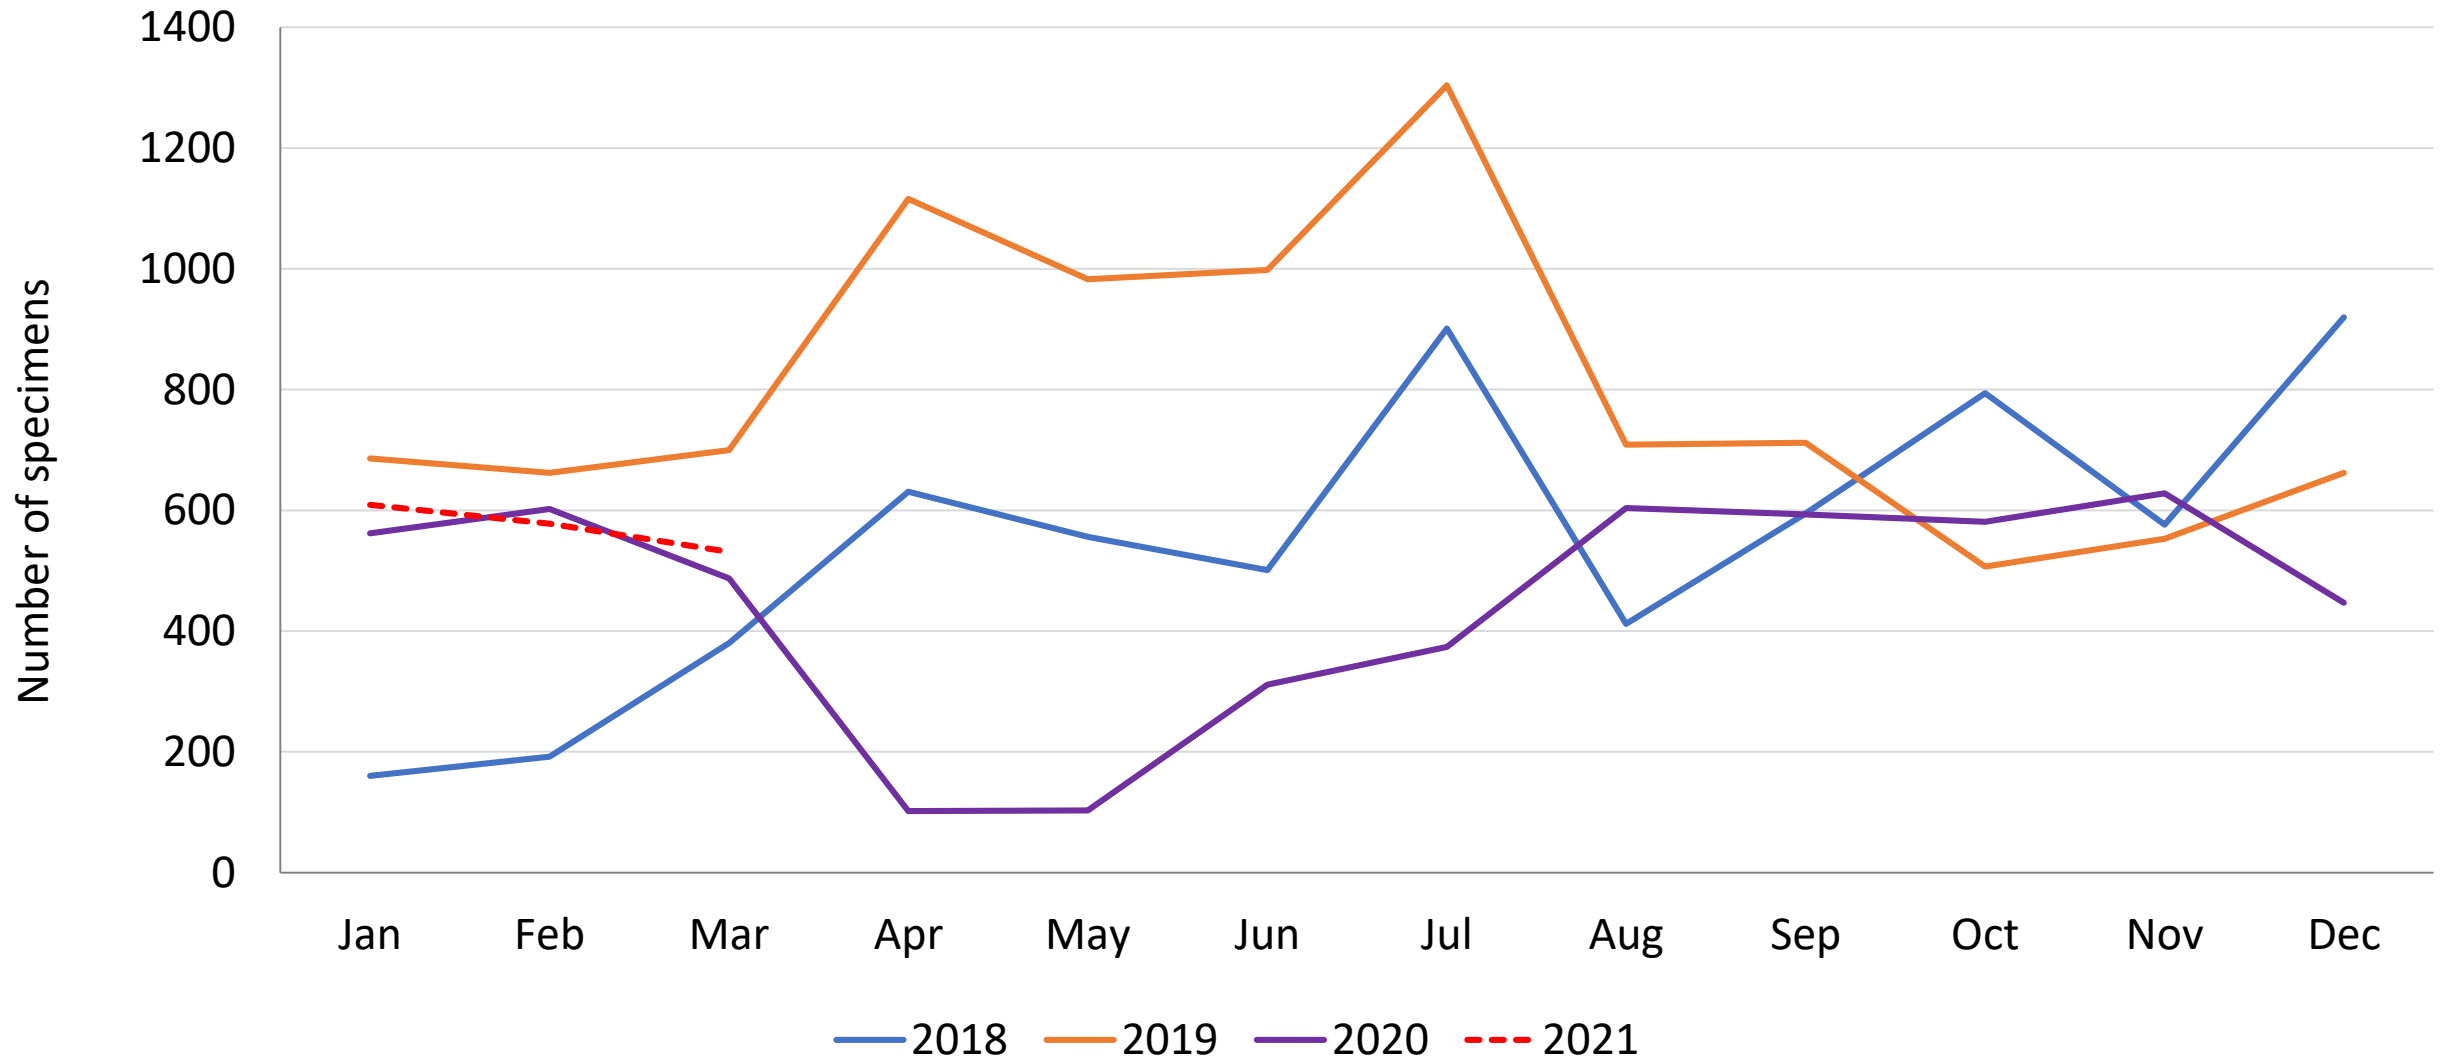

*Data source: FluMart, GISRS as of 15 March 2021

Number of severe acute respiratory infection (SARI) cases and proportion of SARI cases per 100 inpatients, SEAR 2018-2021*

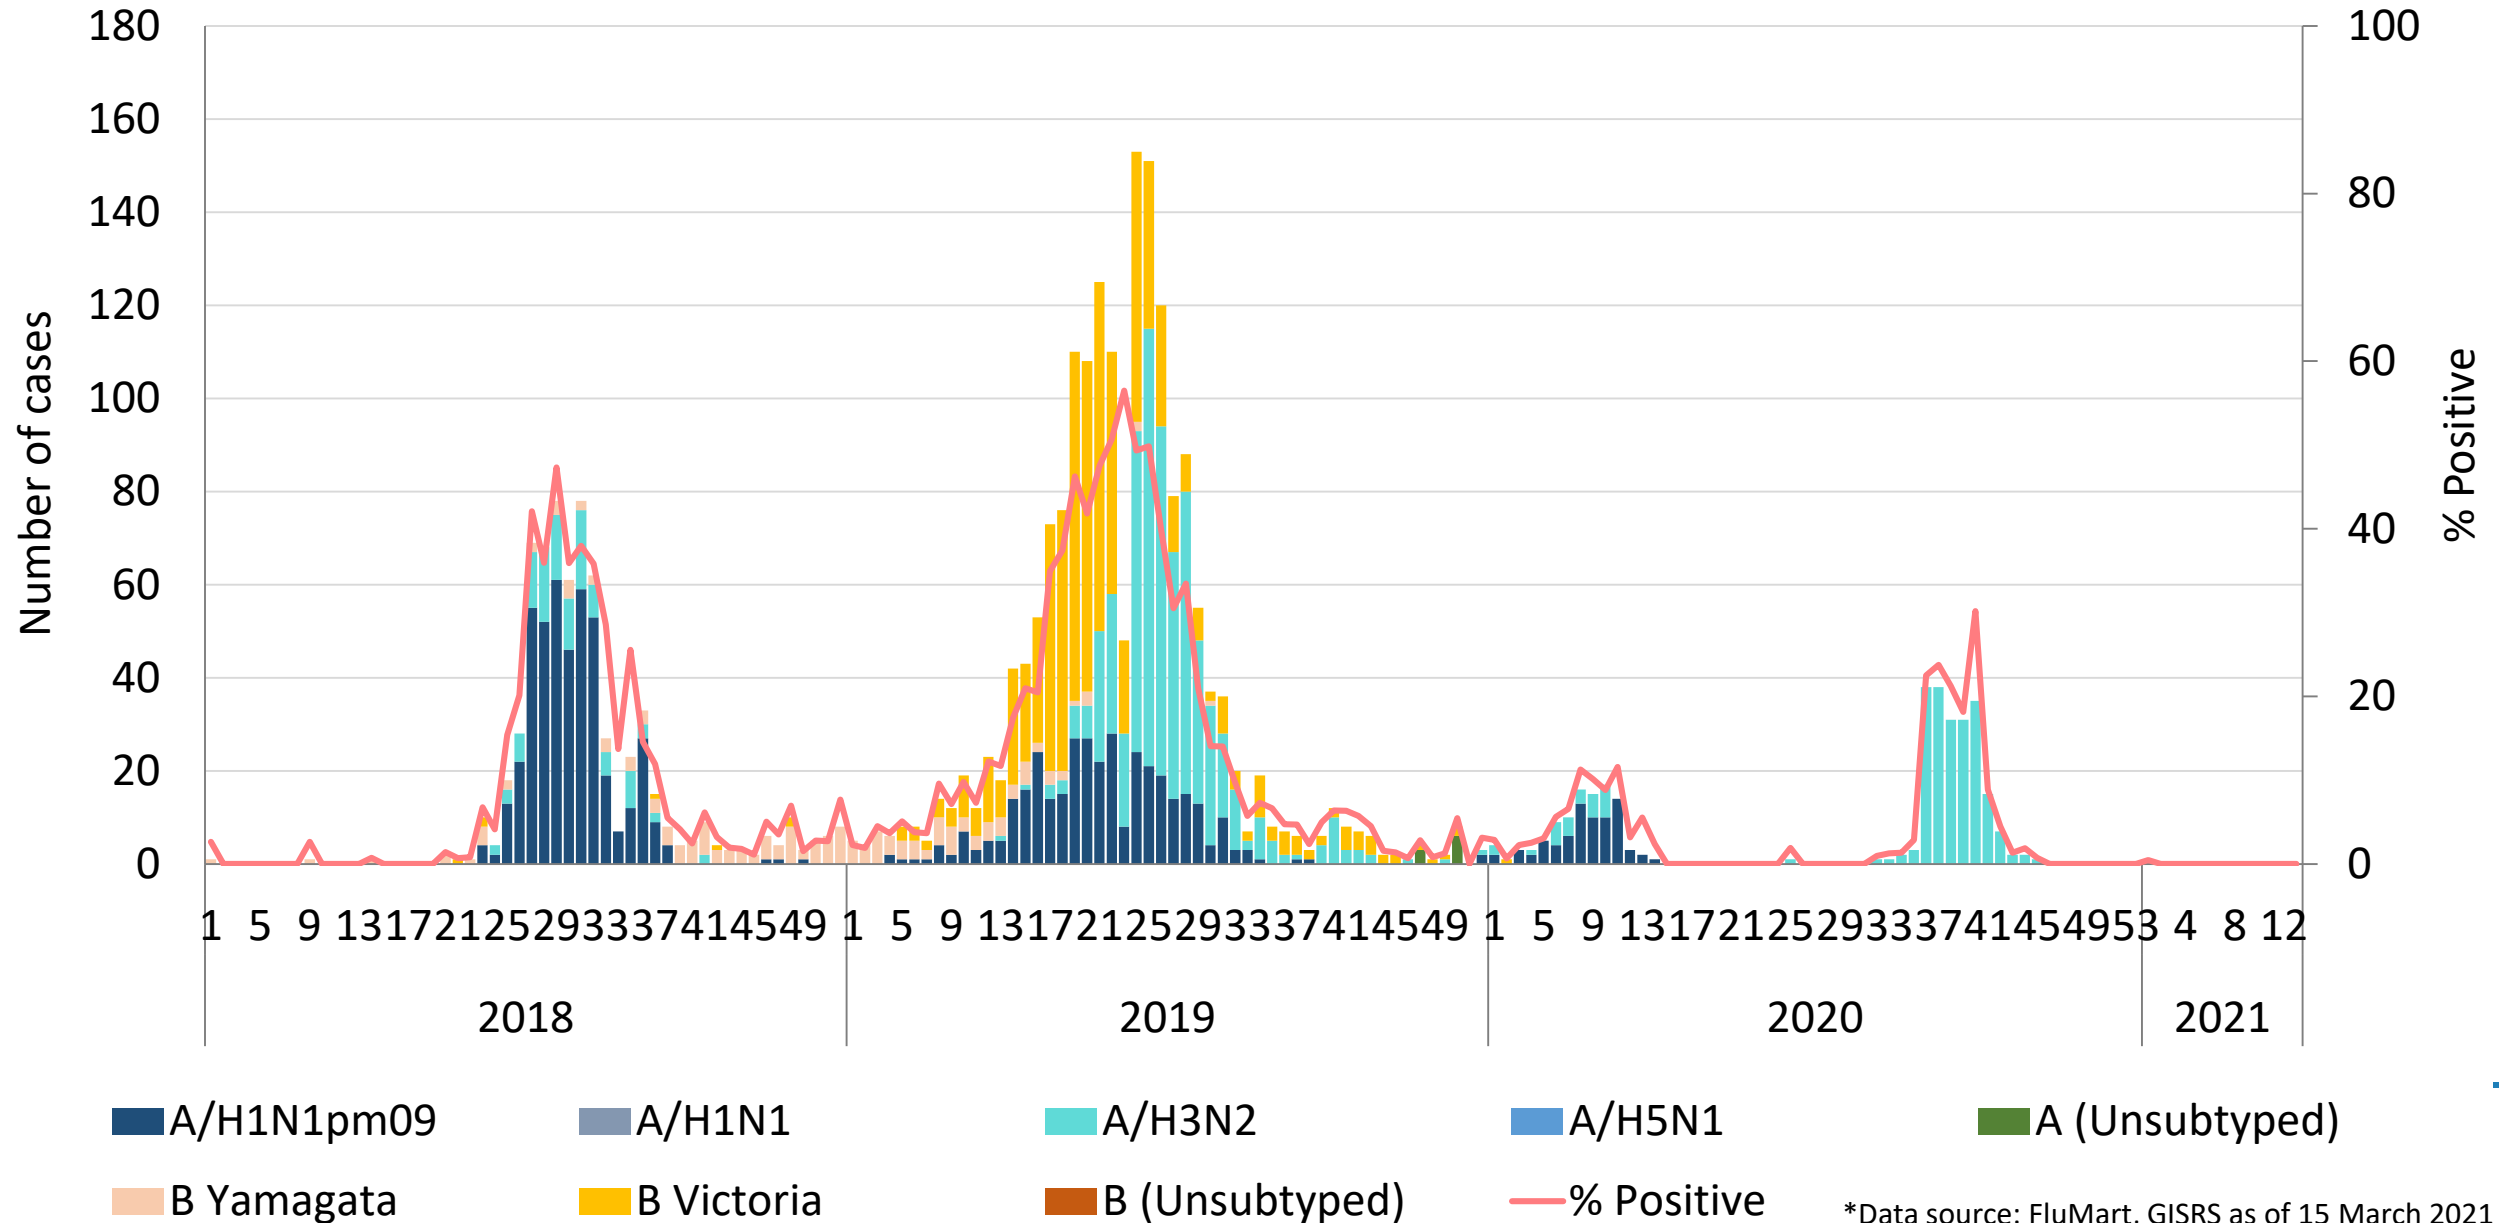

*Data source: FluMart, GISRS as of 15 March 2021

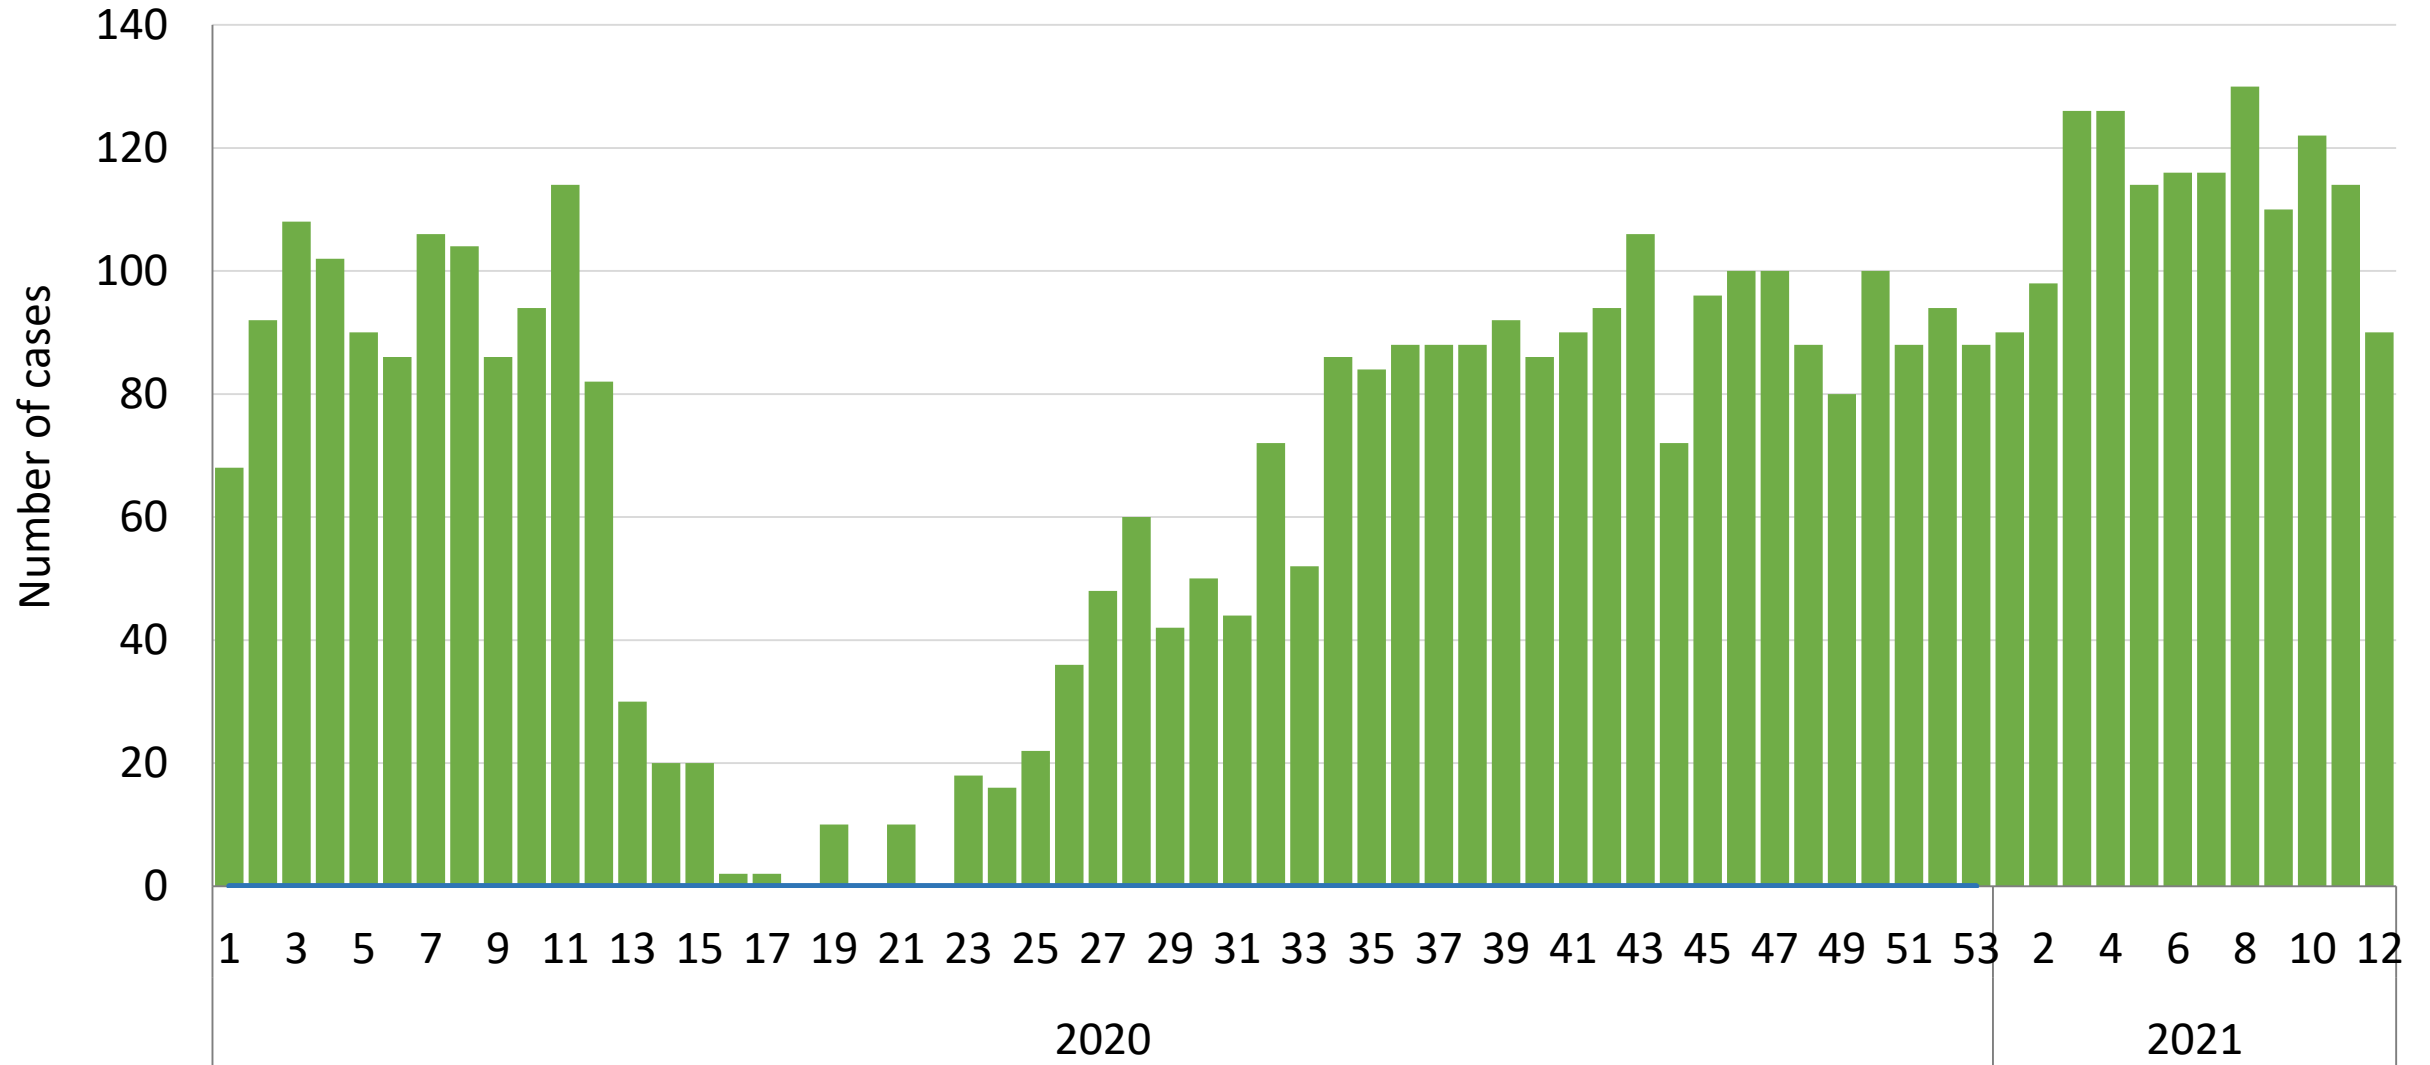

Number of specimens processed for influenza by month and year Bangladesh, 2018-2021*

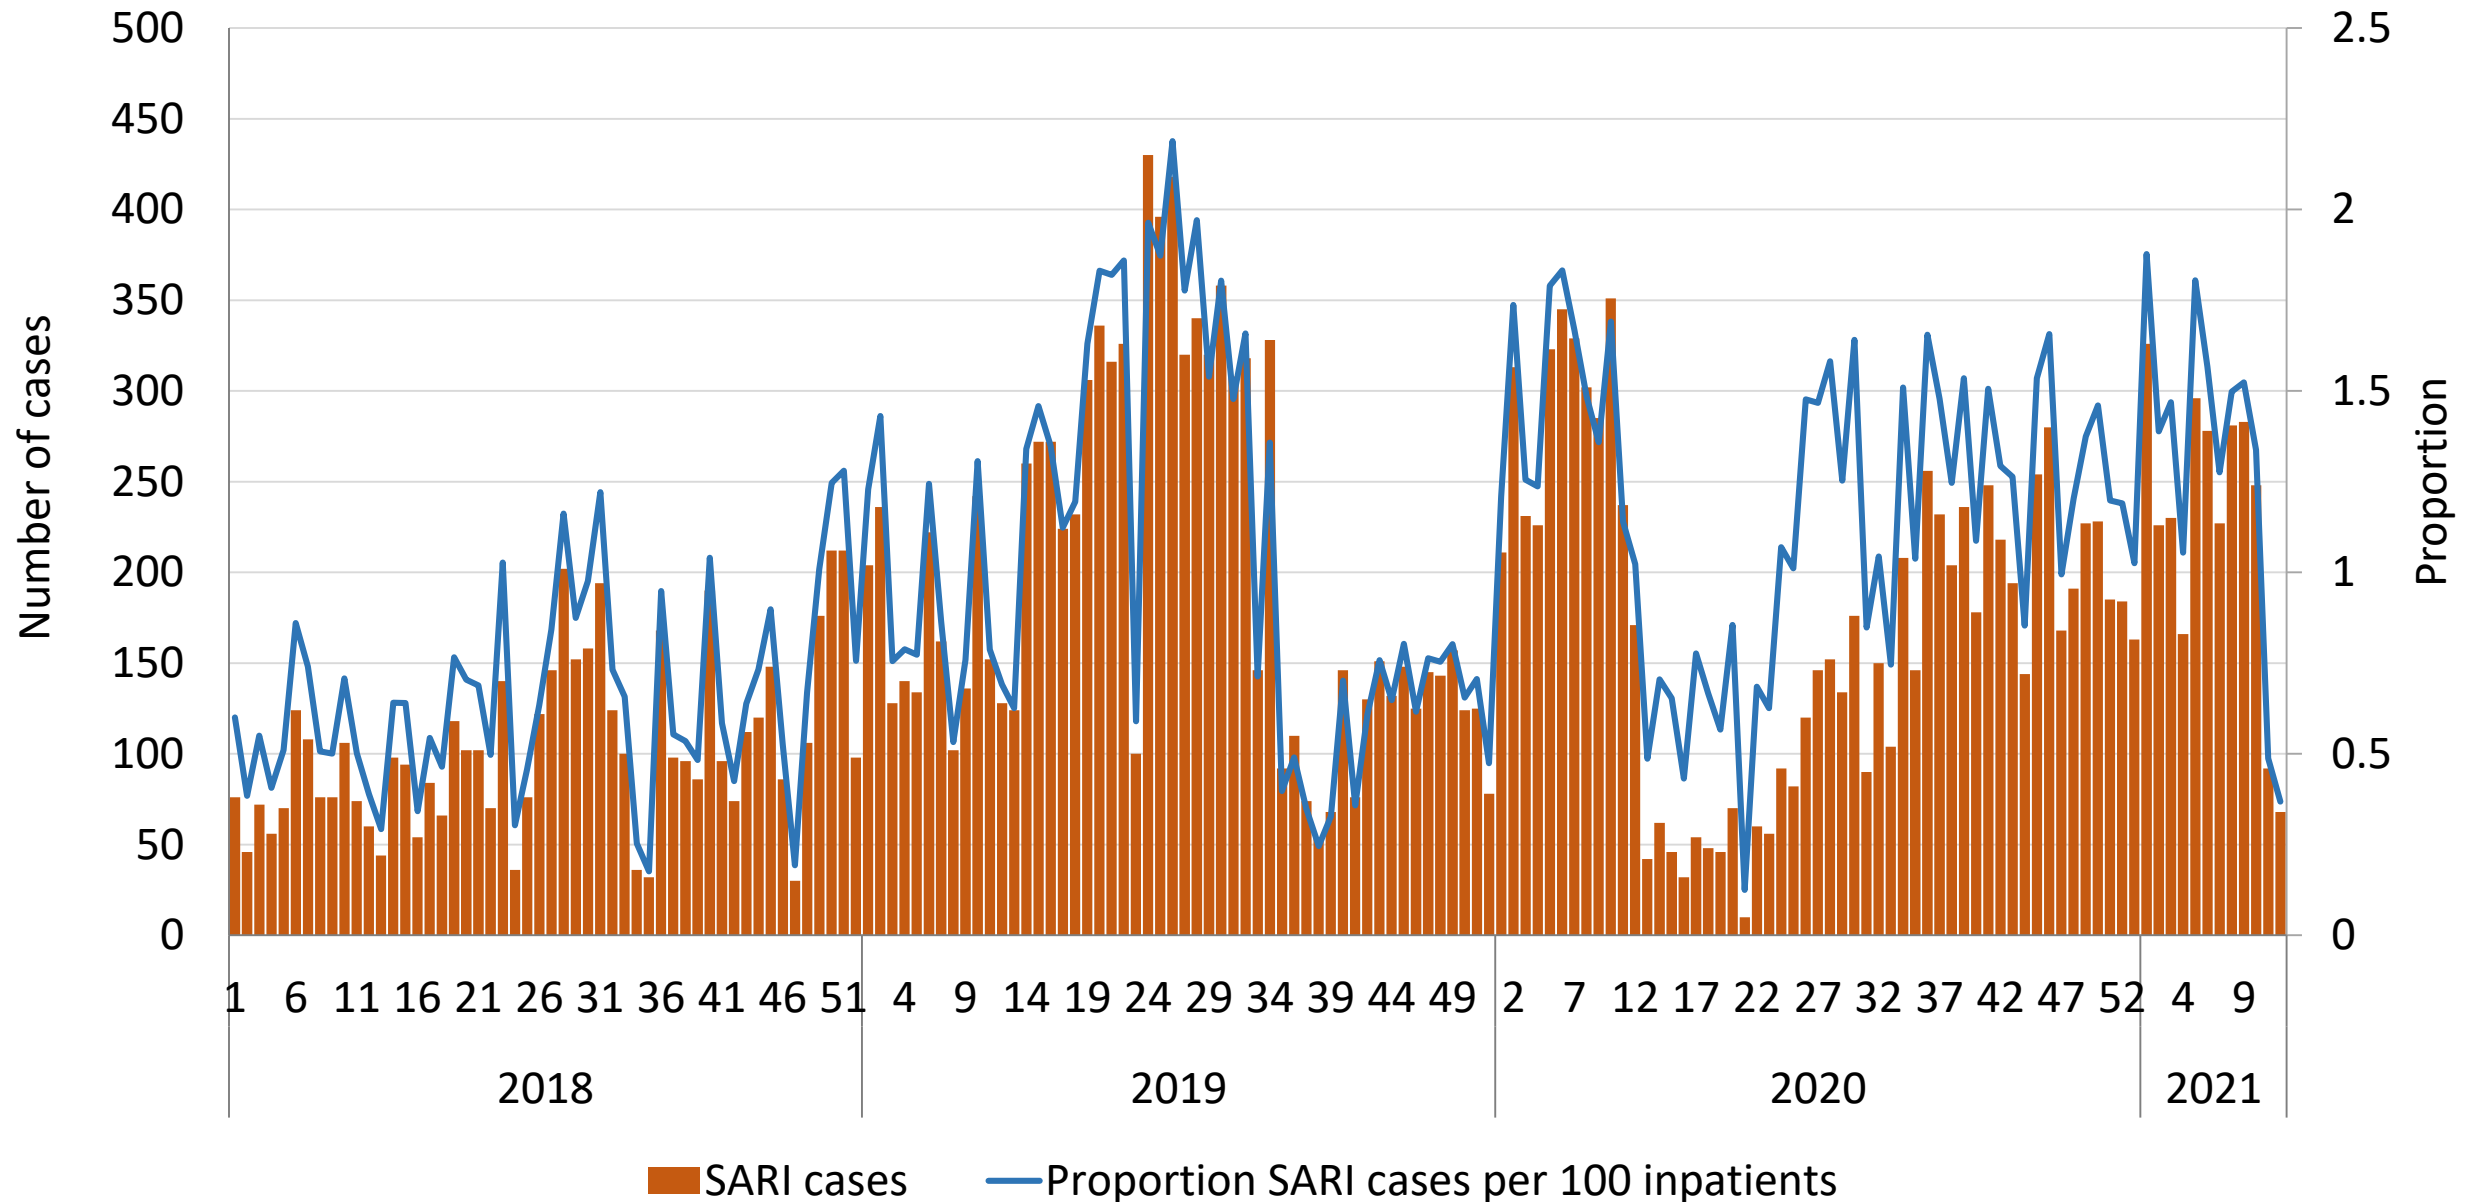

Number of specimens positive for influenza by subtype and % positive Bangladesh, 2018-2021*

Number of influenza-like illness (ILI) cases, Bangladesh, 2020-2021*

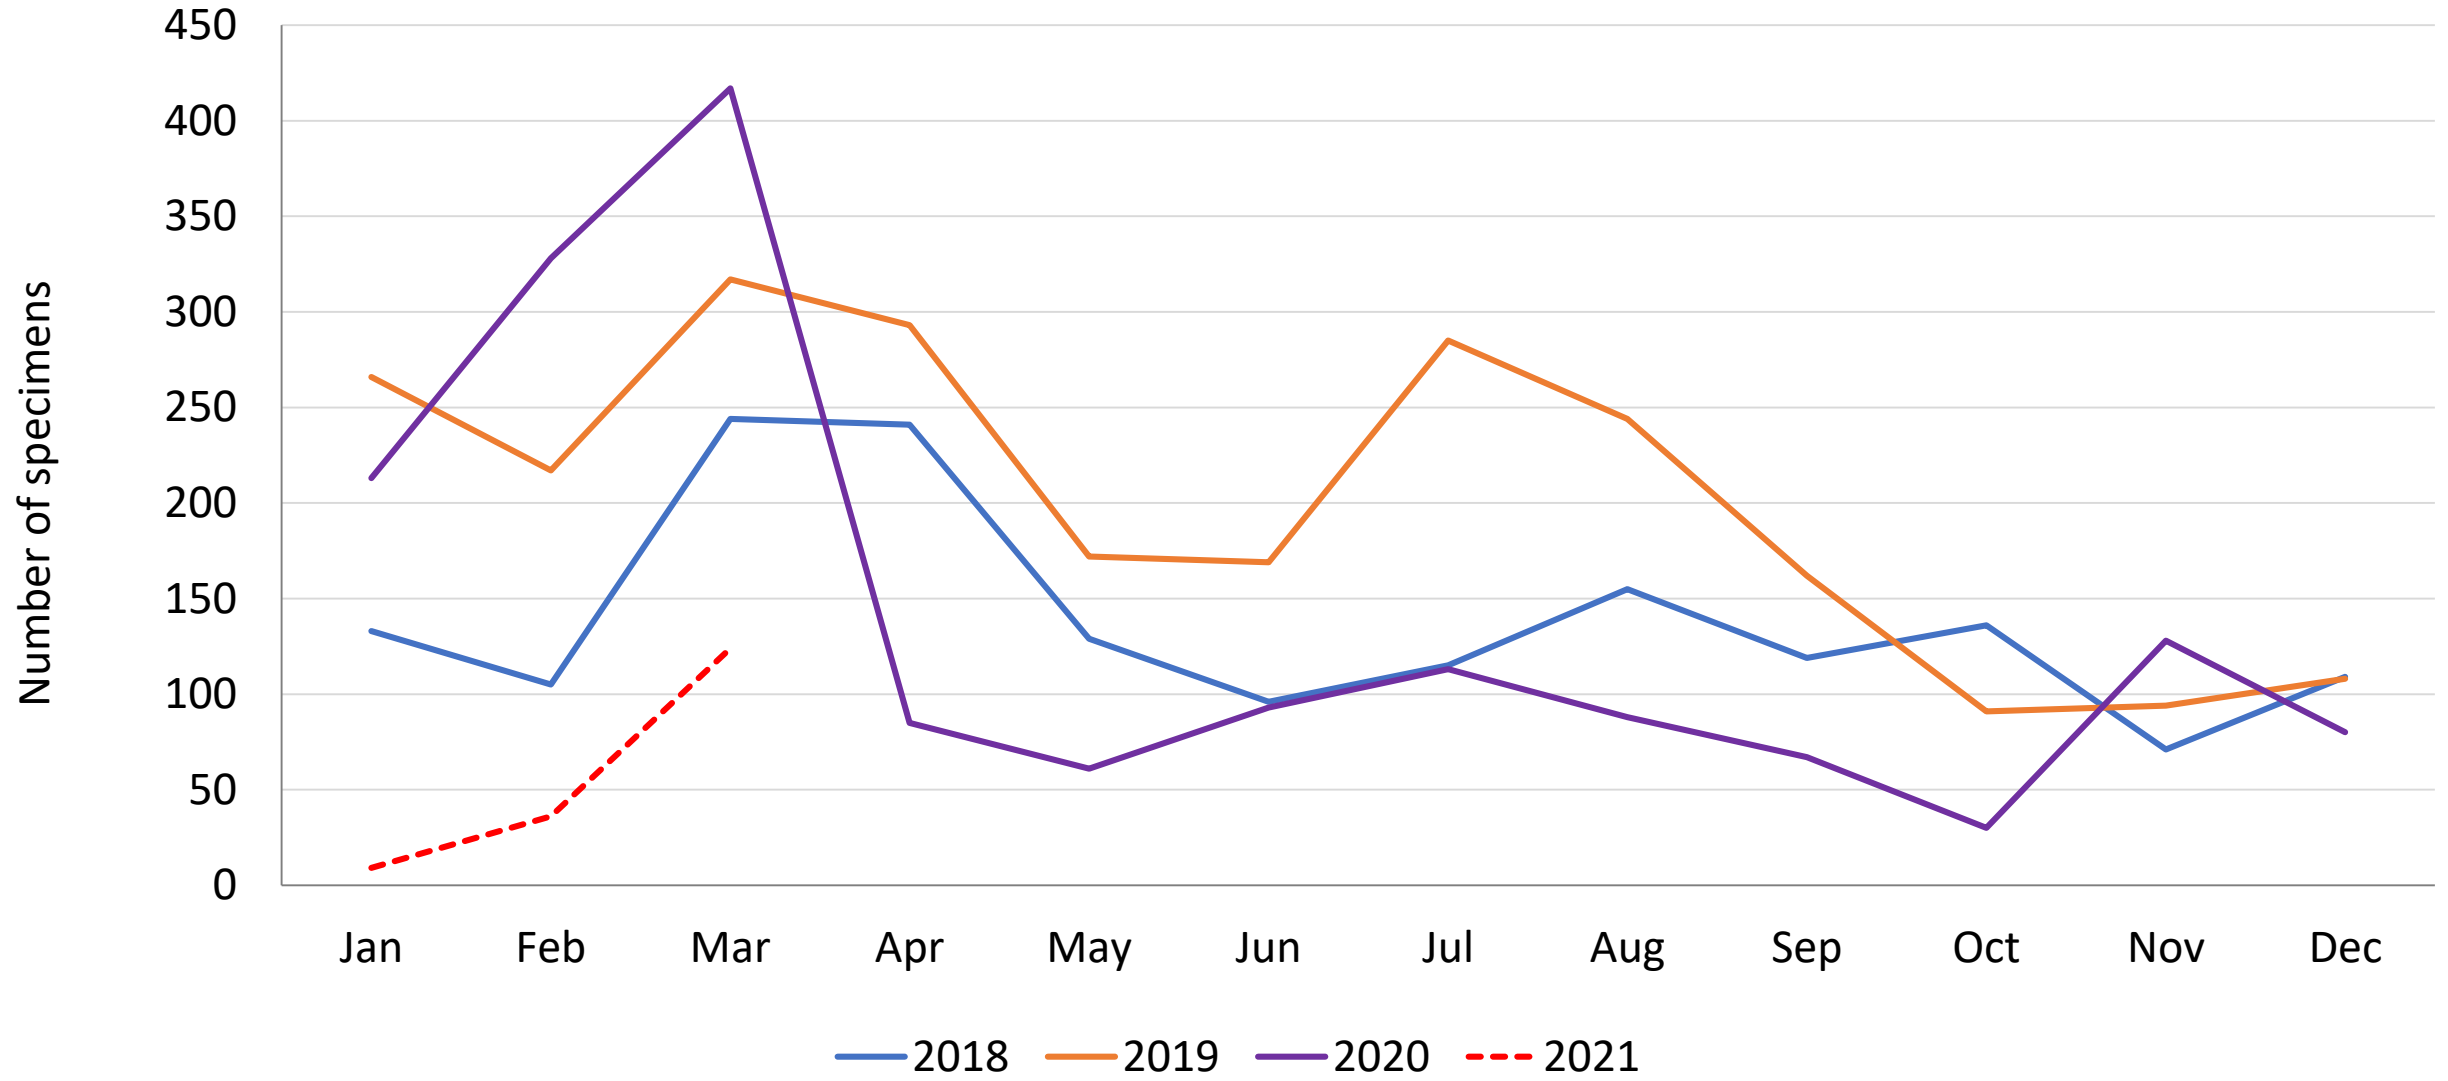

Number of severe acute respiratory infection (SARI) cases and proportion of SARI cases per 100 inpatients, Bangladesh 2018-2021*

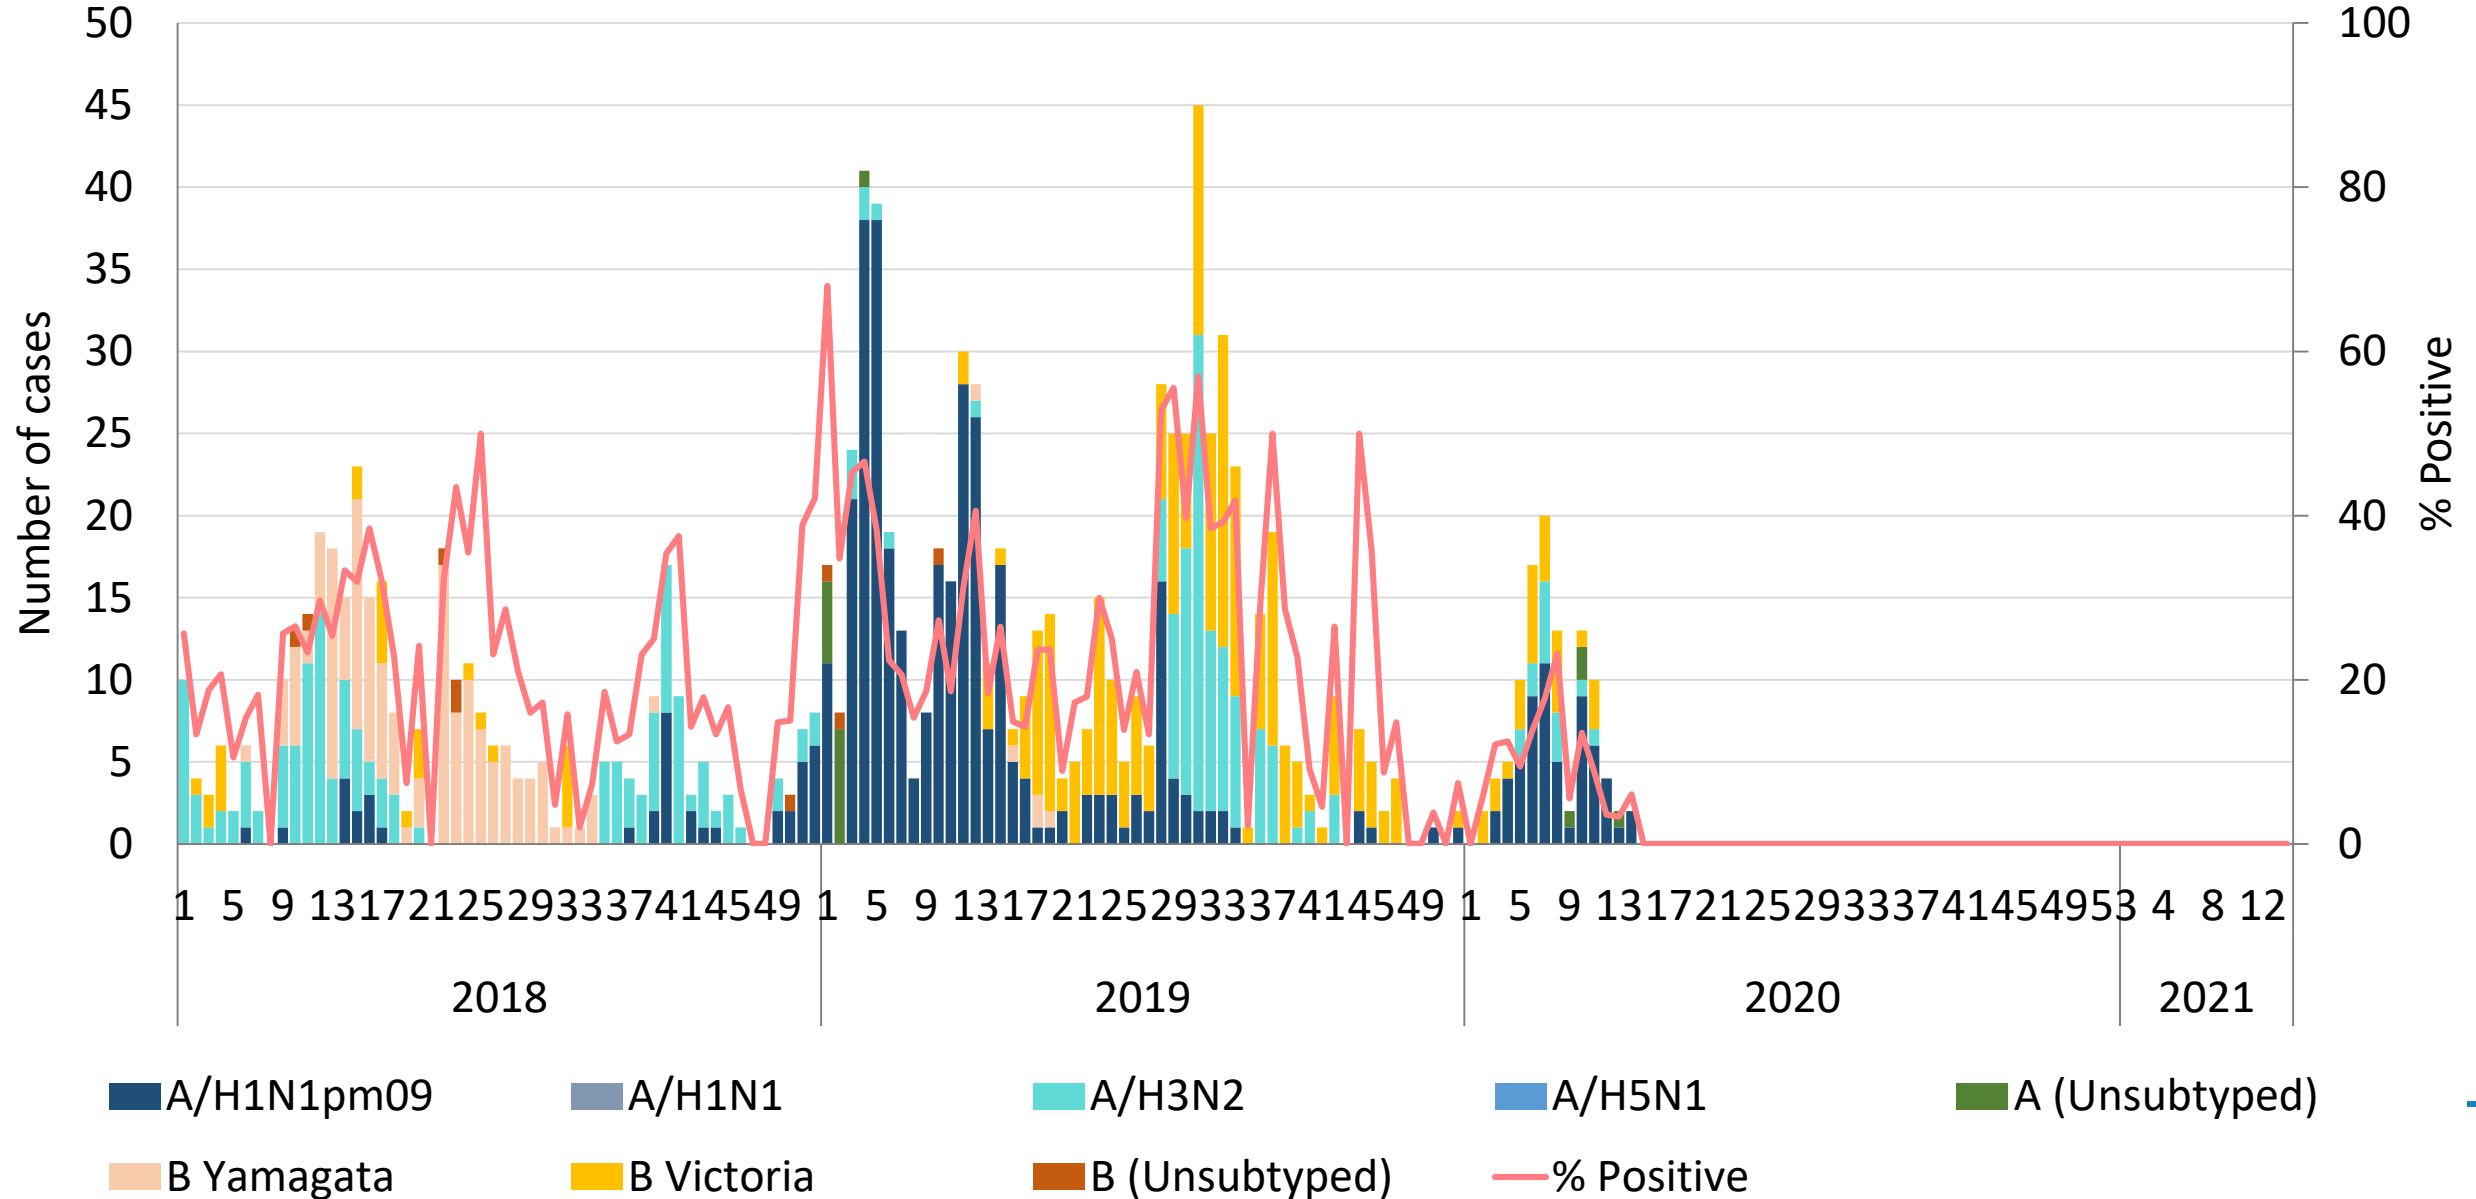

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Bhutan, 2018-2021*

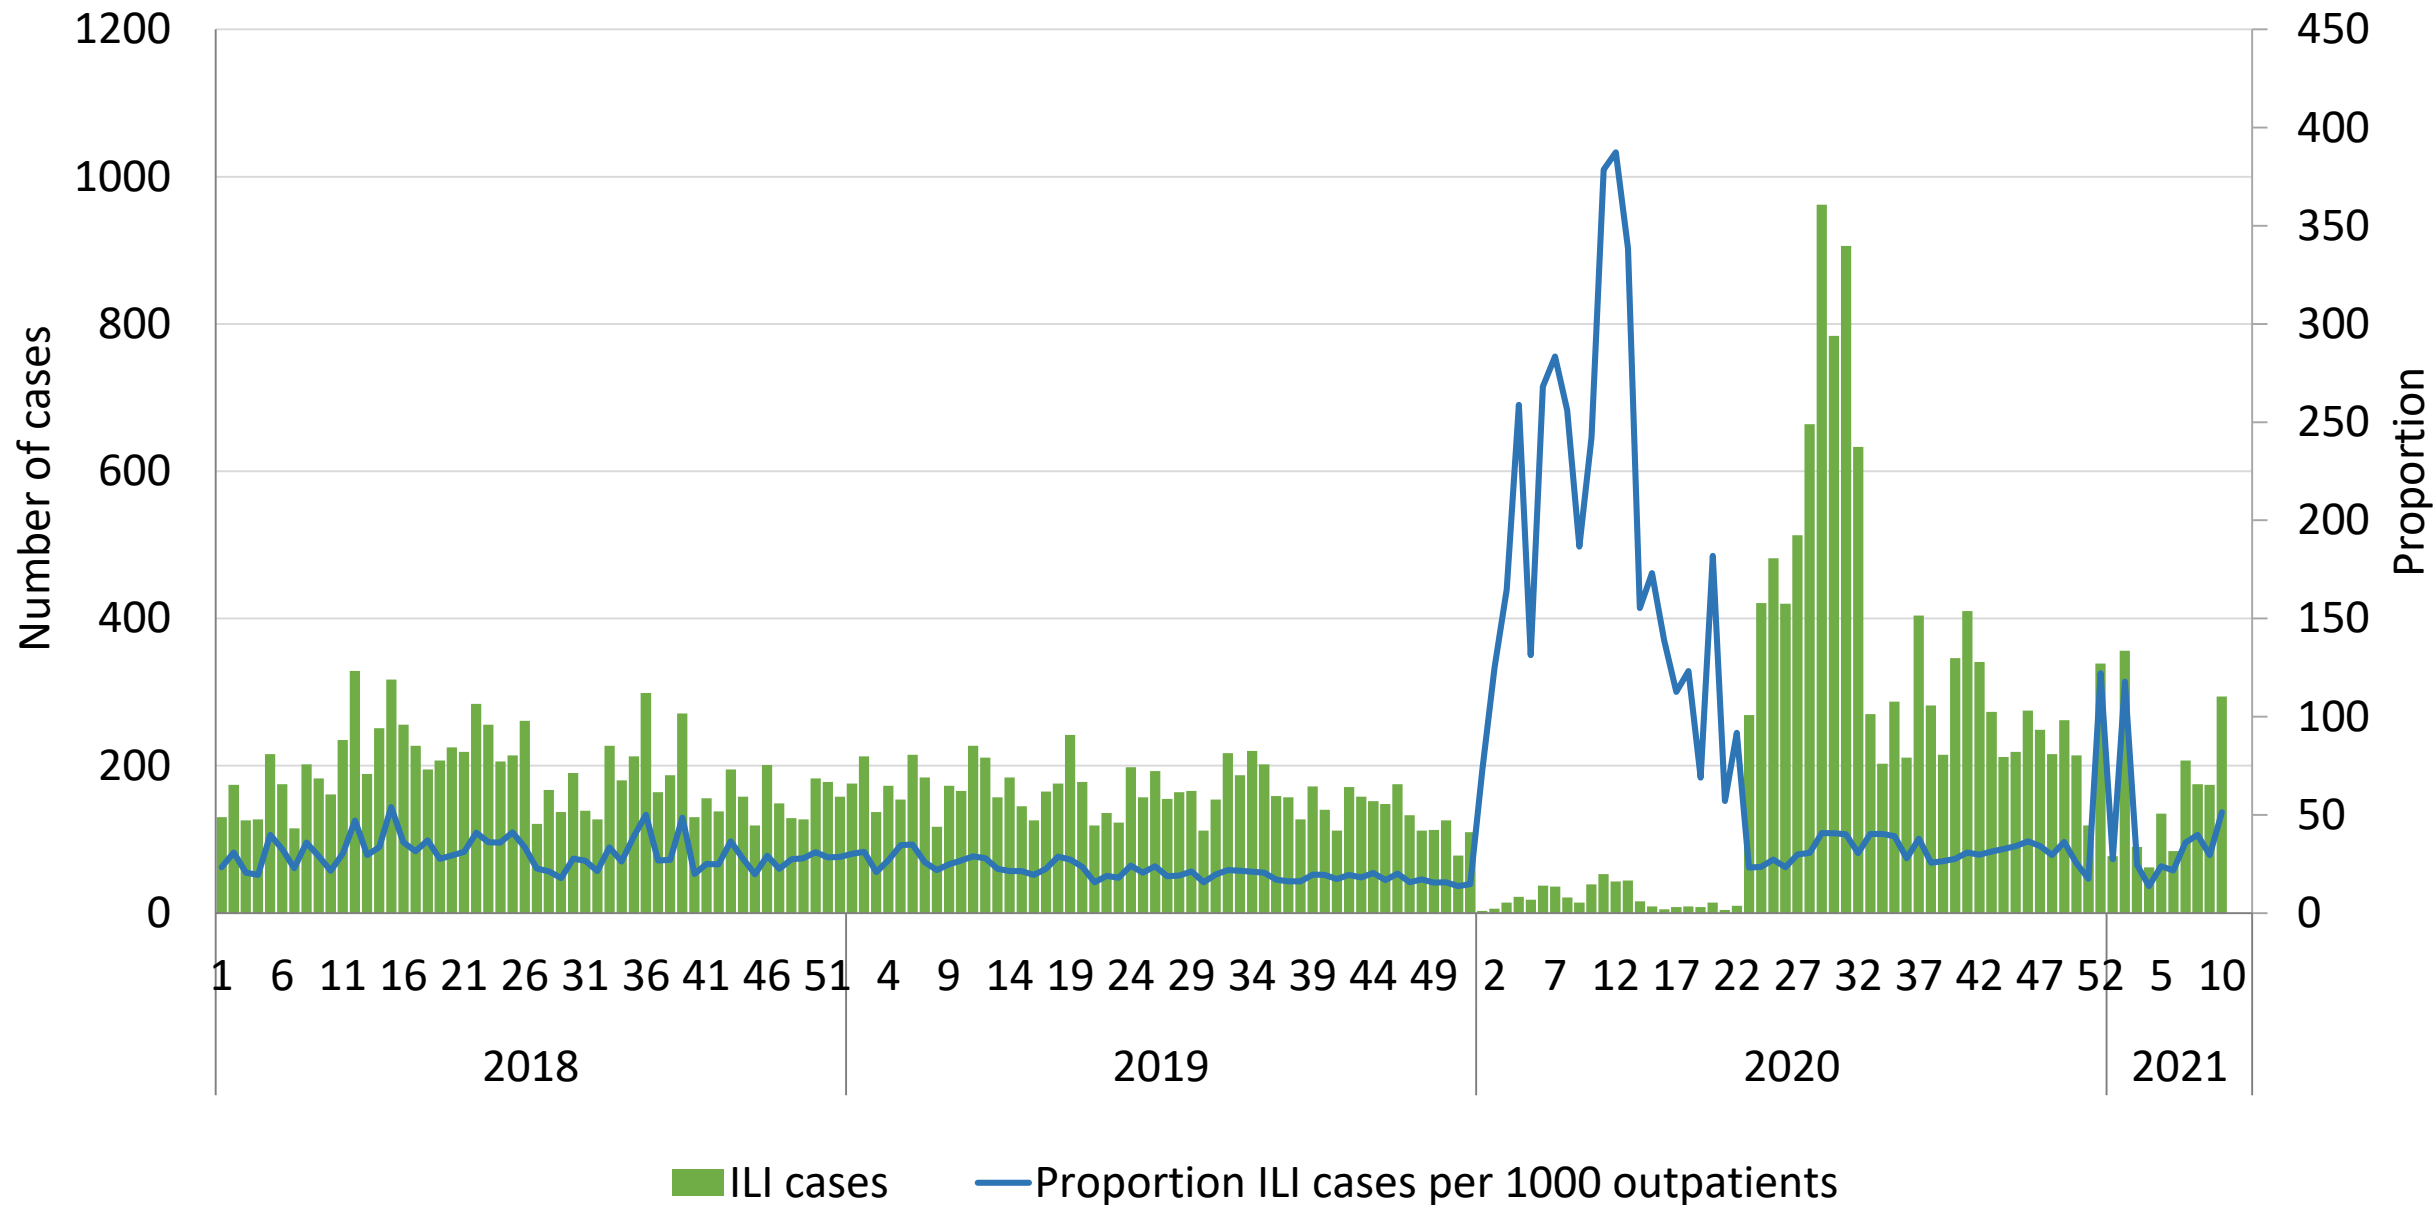

Number of specimens positive for influenza by subtype and % positive Bhutan, 2018-2021*

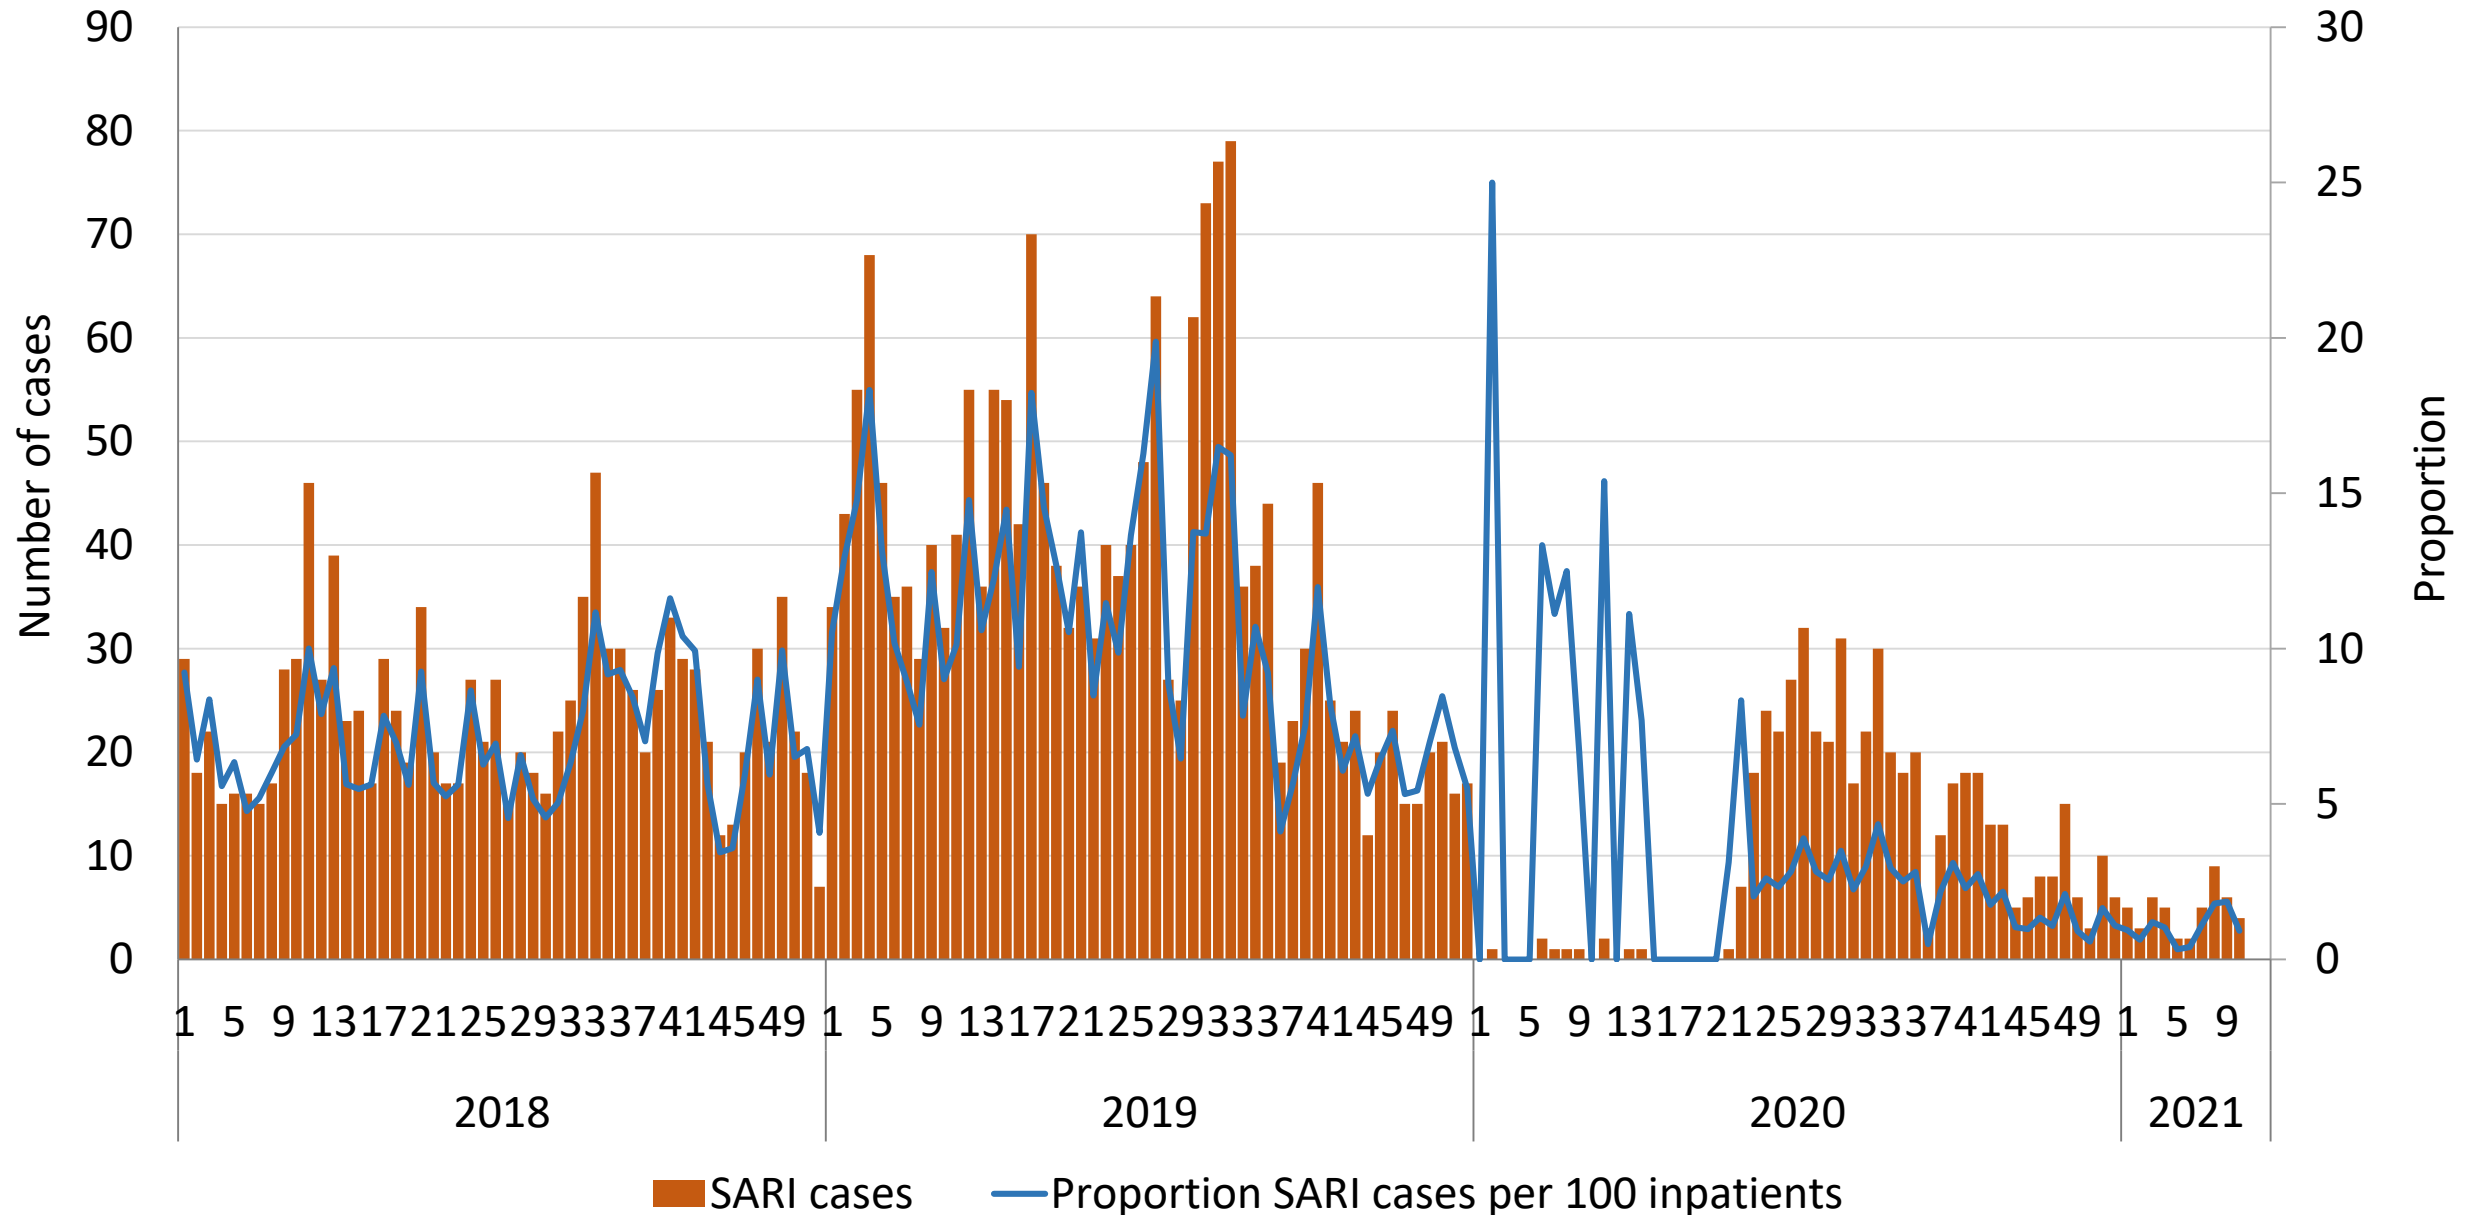

*Data source: FluMart, GISRS as of 15 March 2021

Number of influenza-like illness (ILI) cases and proportion of ILI cases per 1,000 outpatients Bhutan, 2018-2021*

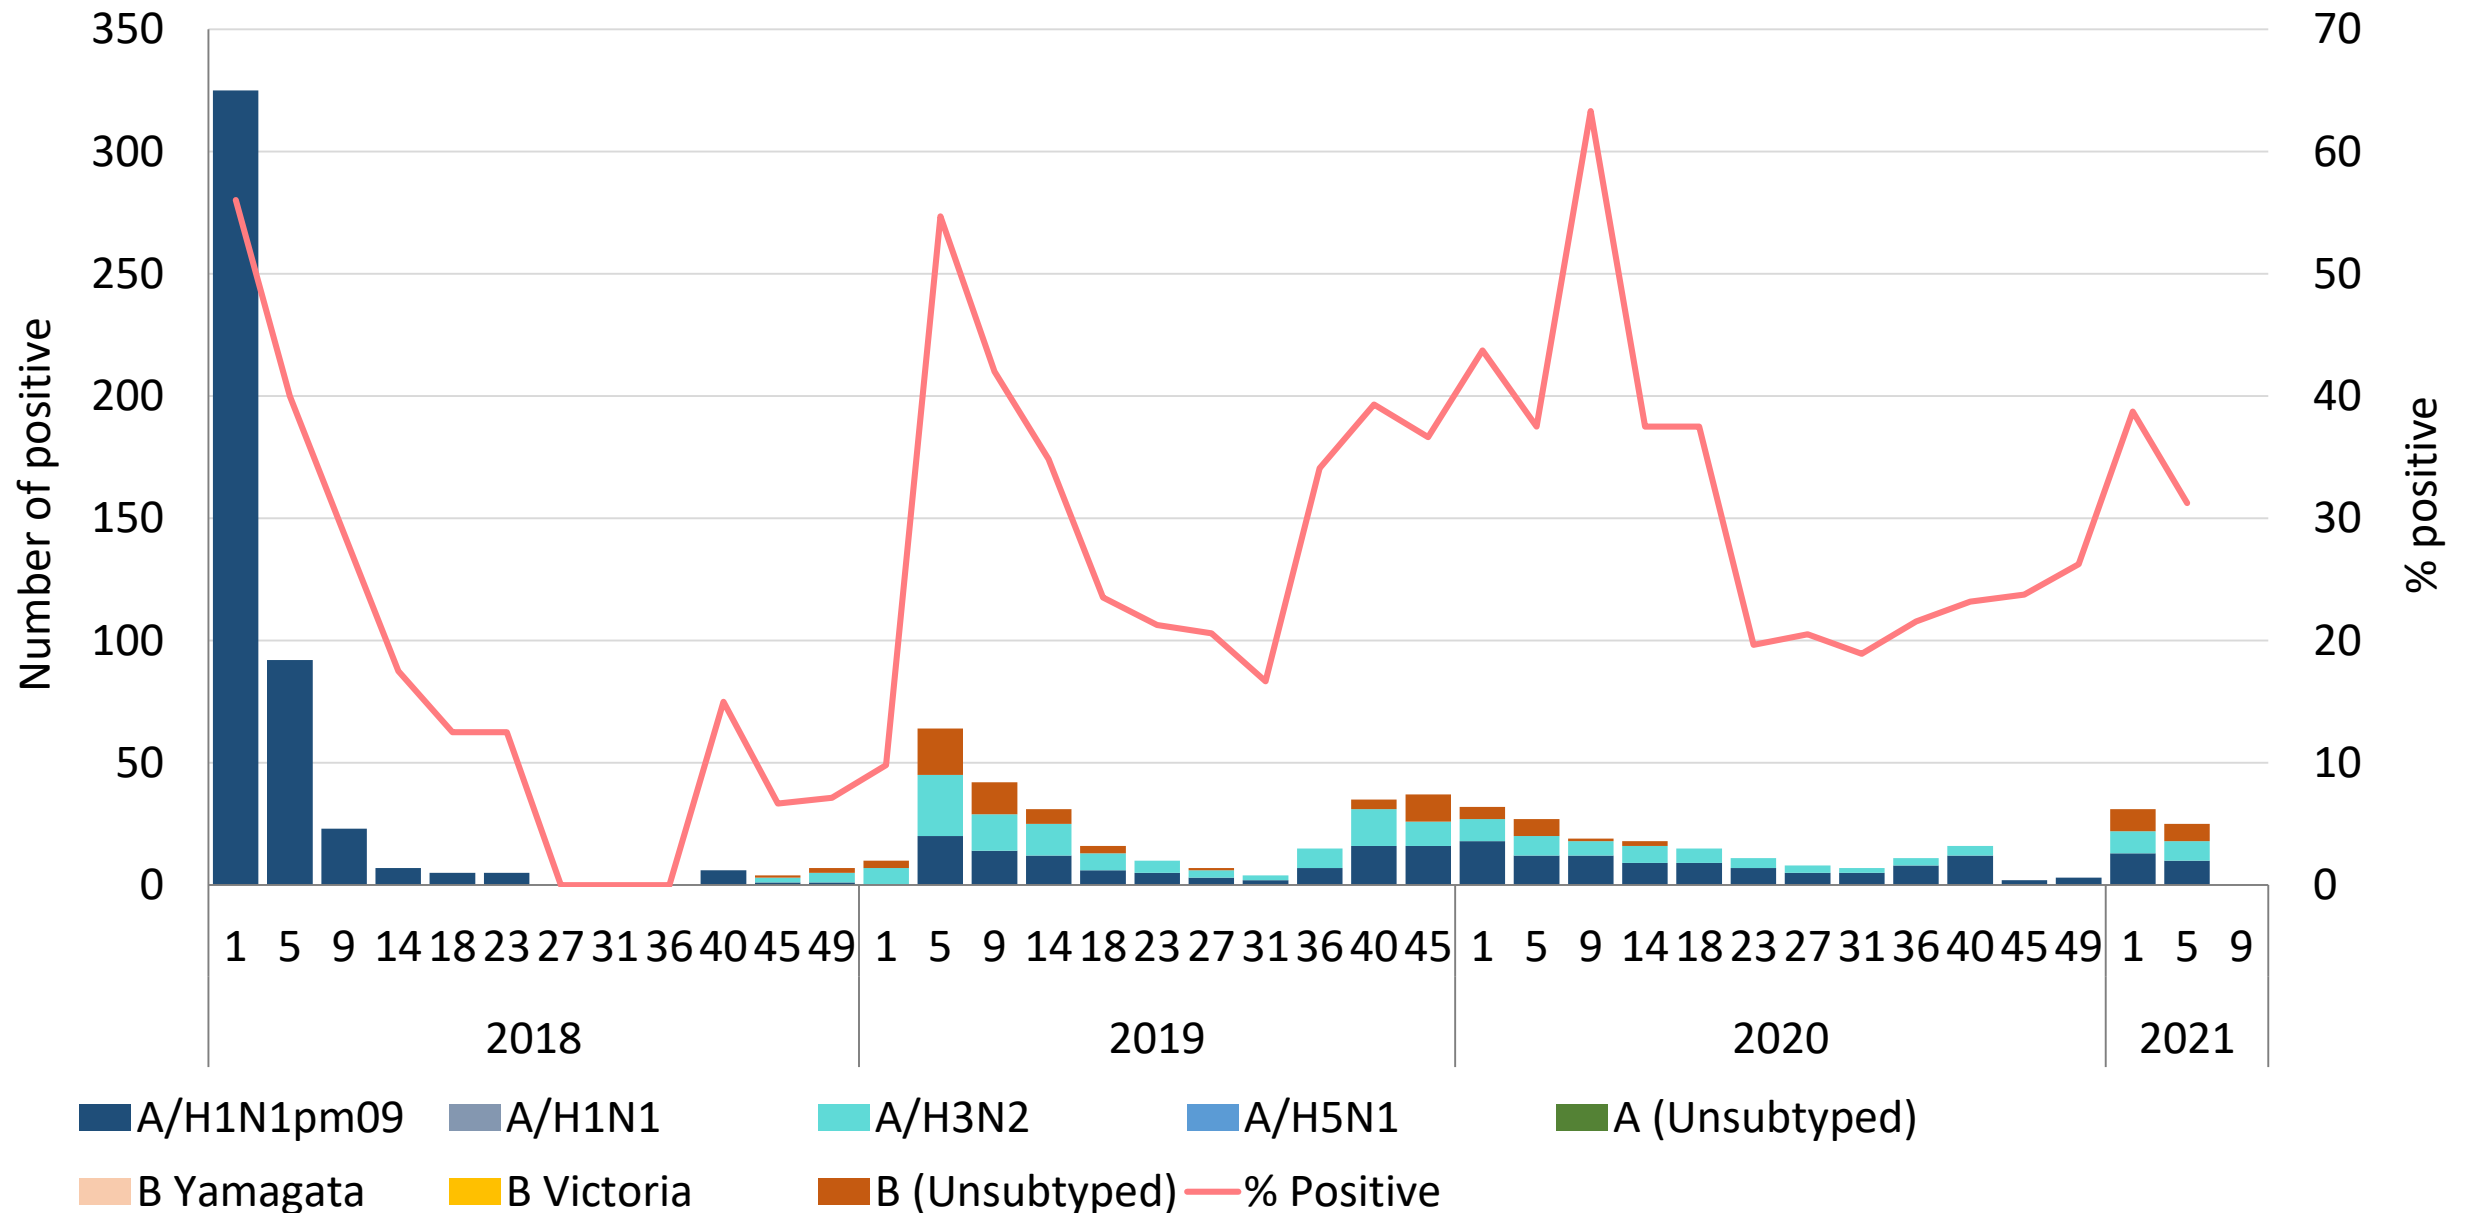

*Data source: FluMart, GISRS as of 15 March 2021

Number of severe acute respiratory infection (SARI) cases and proportion of SARI cases per 100 inpatients, Bhutan 2018-2021*

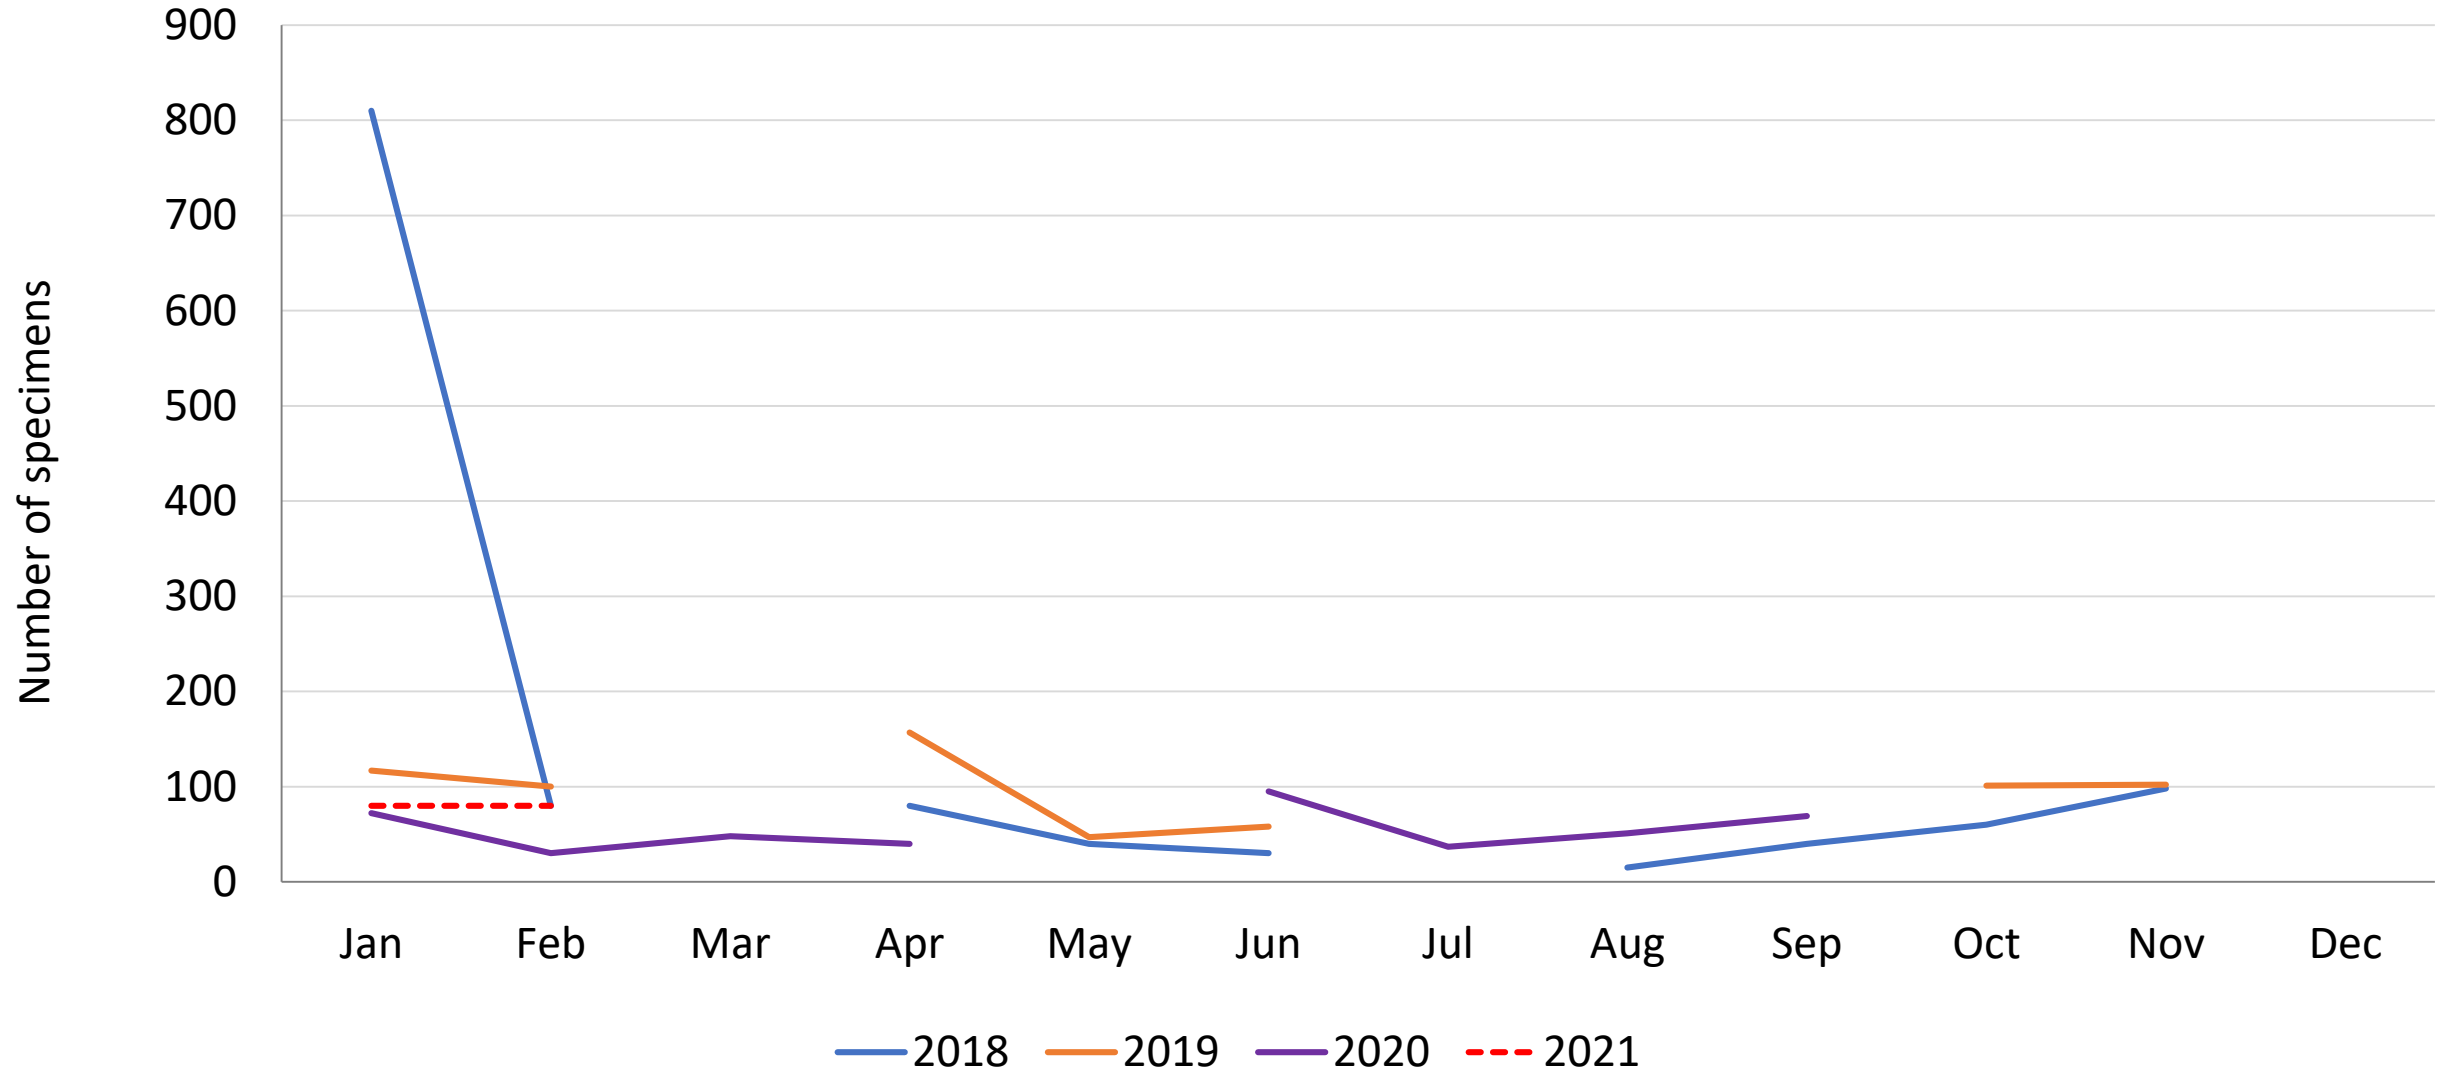

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens positive for influenza by subtype and % positive DPR Korea, 2018-2021*

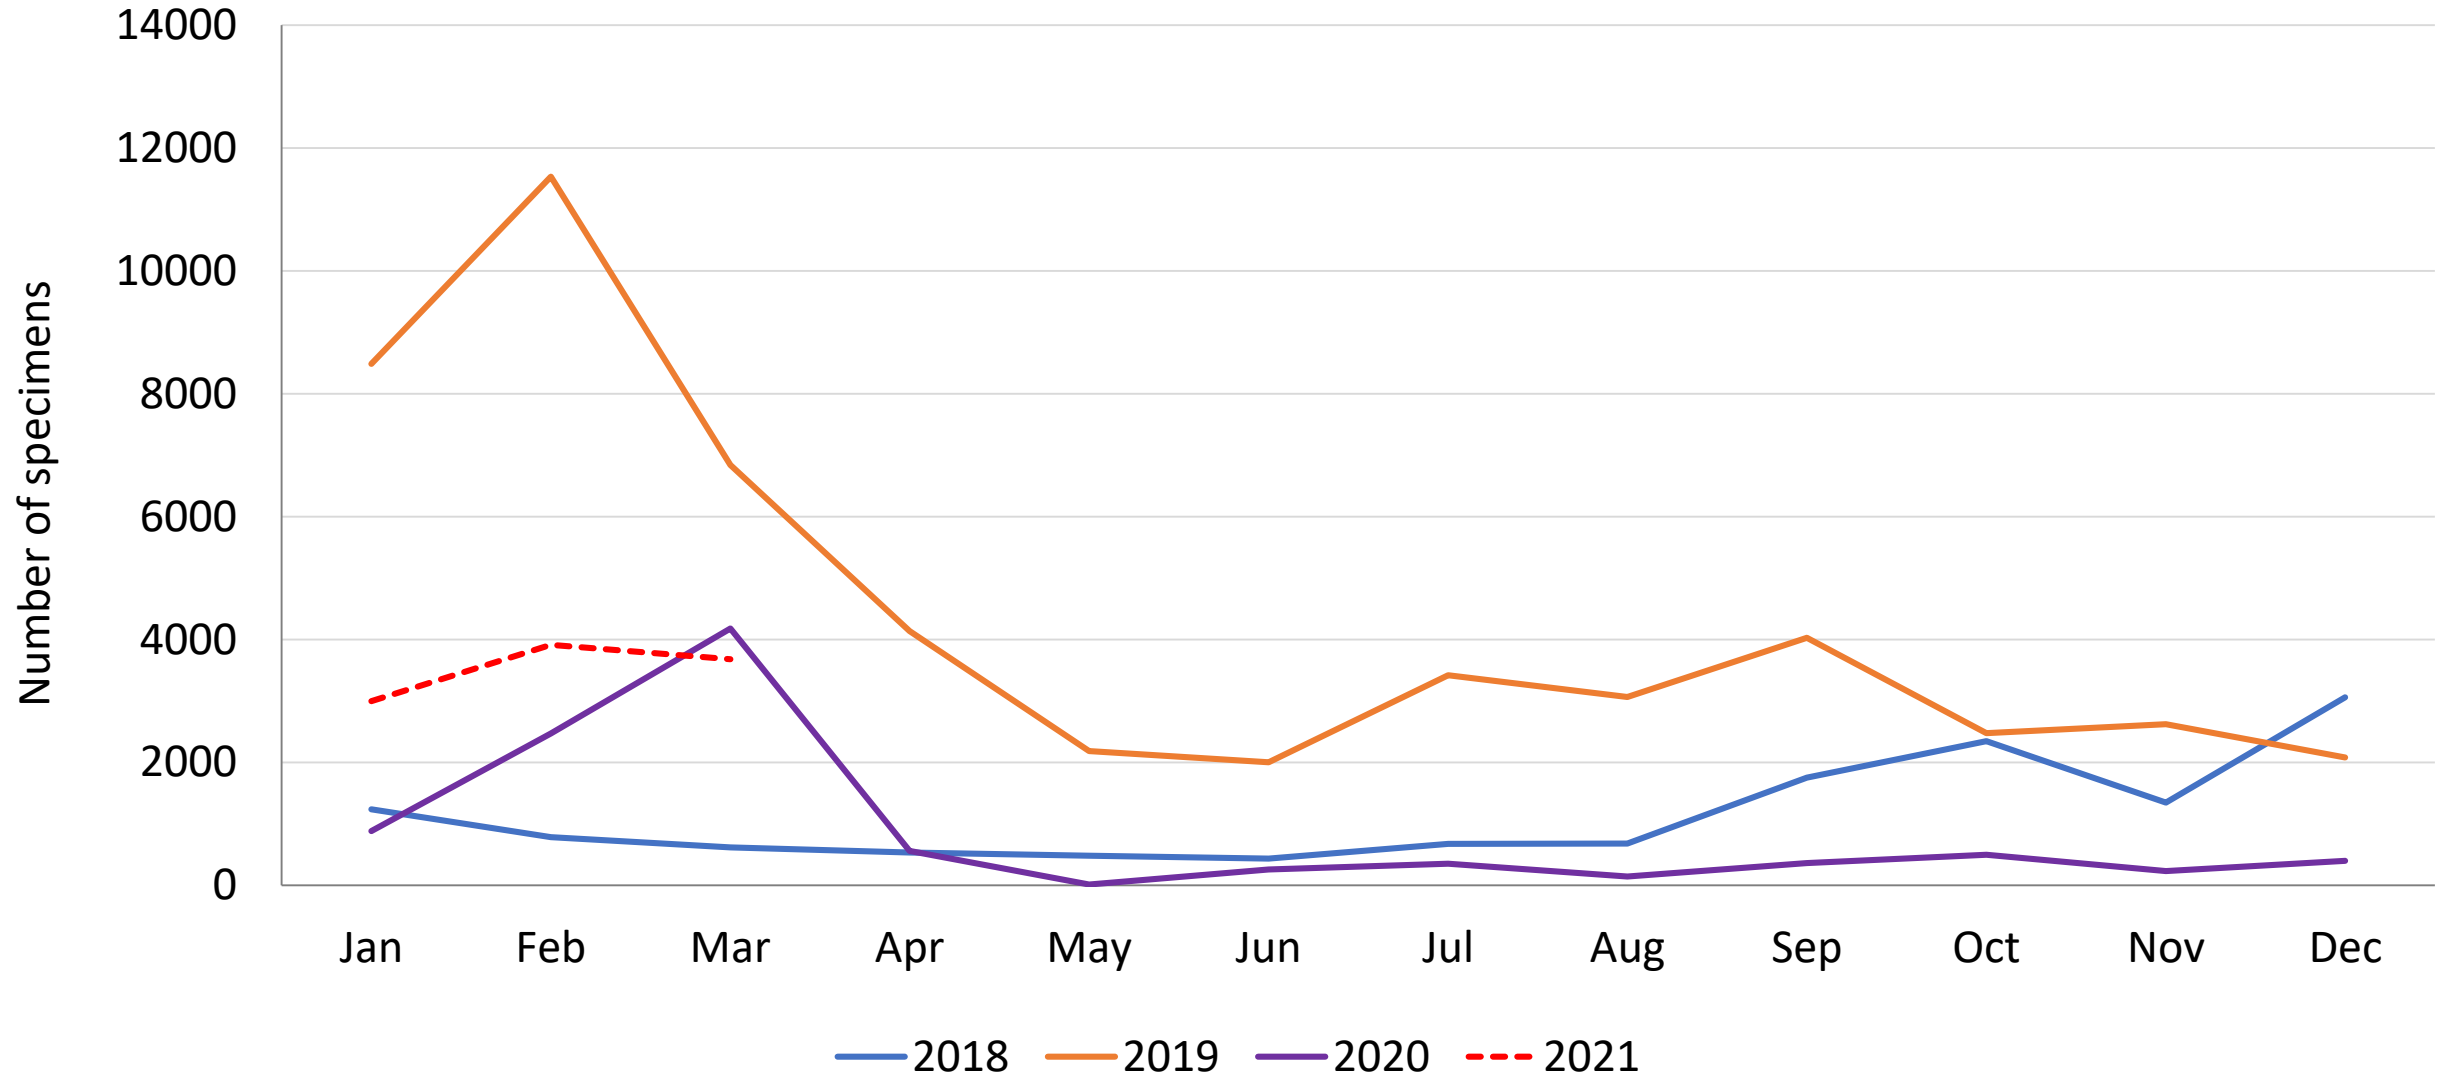

*Data source: FluMart, GISRS as of 15 March 2021

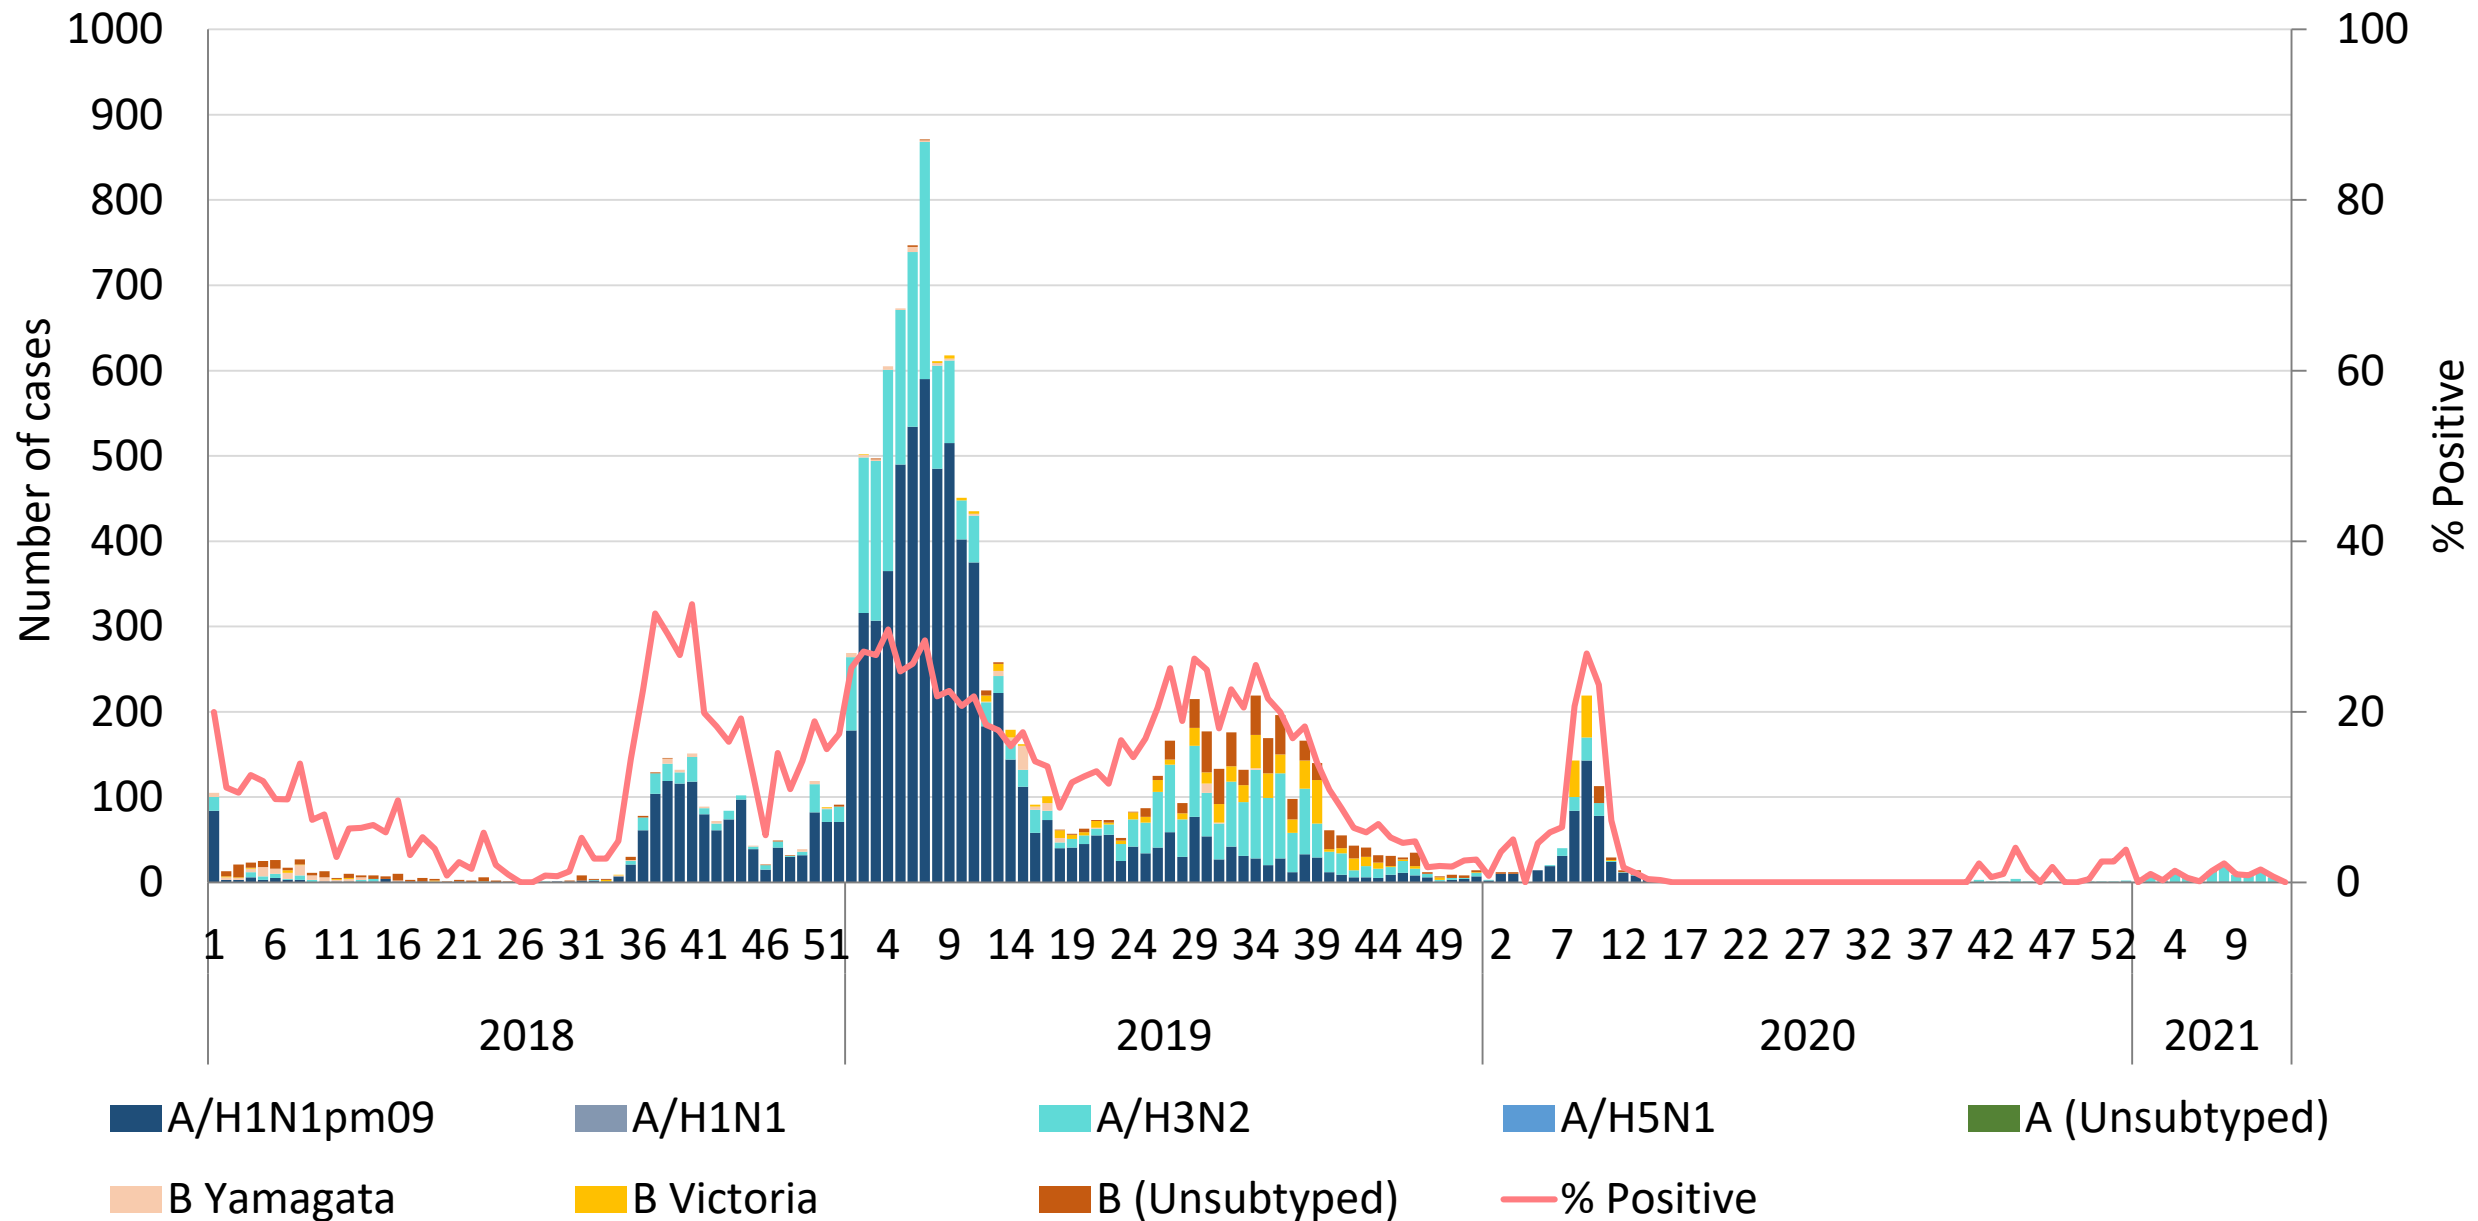

Number of specimens processed for influenza by month and year DPR Korea, 2018-2021*

Number of specimens processed for influenza by month and year India, 2018-2021*

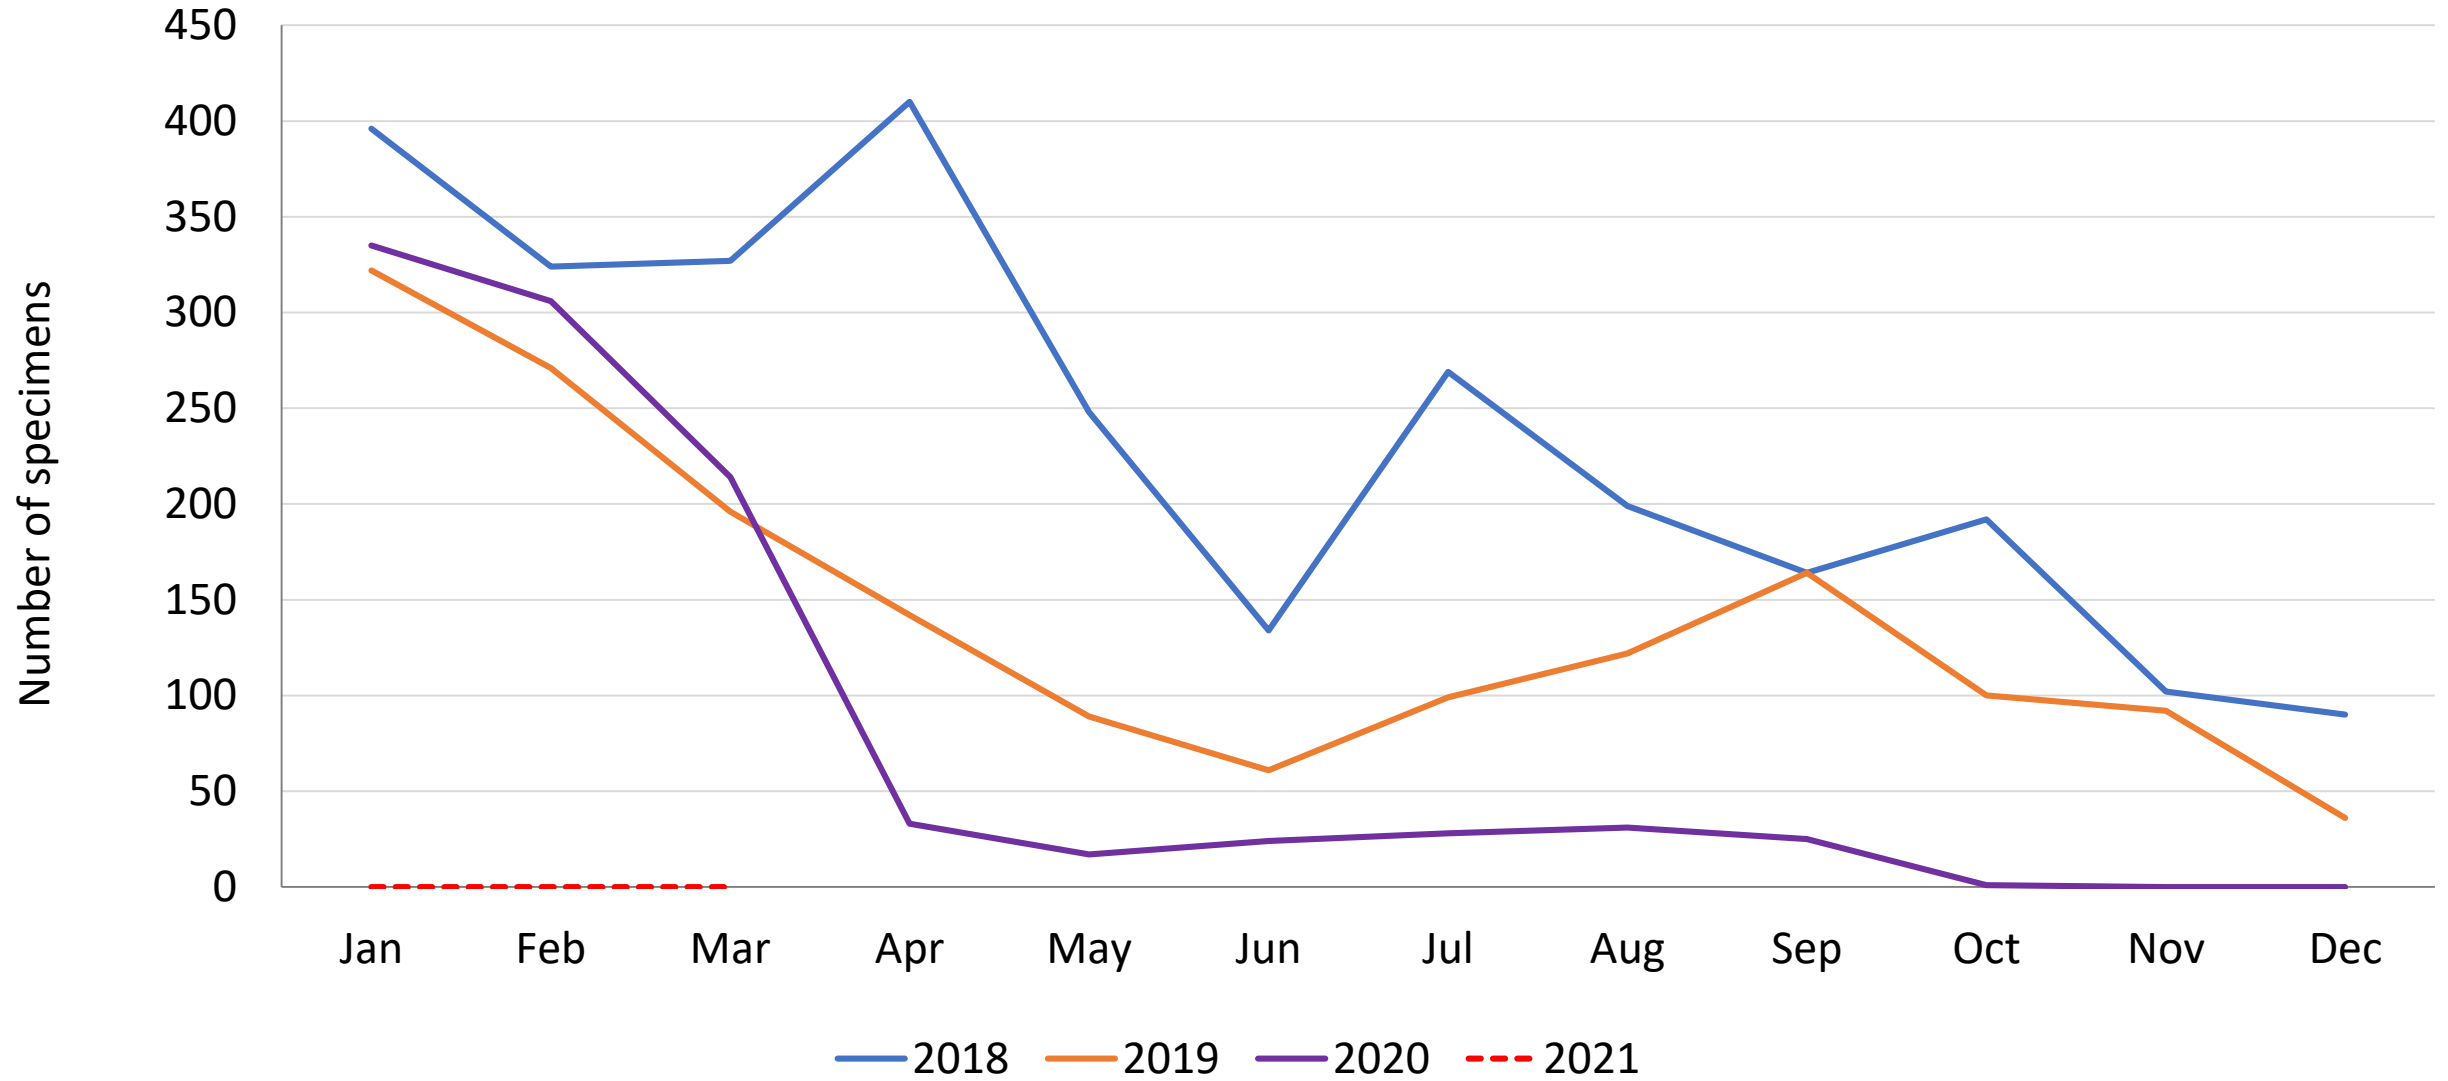

Number of specimens positive for influenza by subtype and % positive India, 2018-2021*

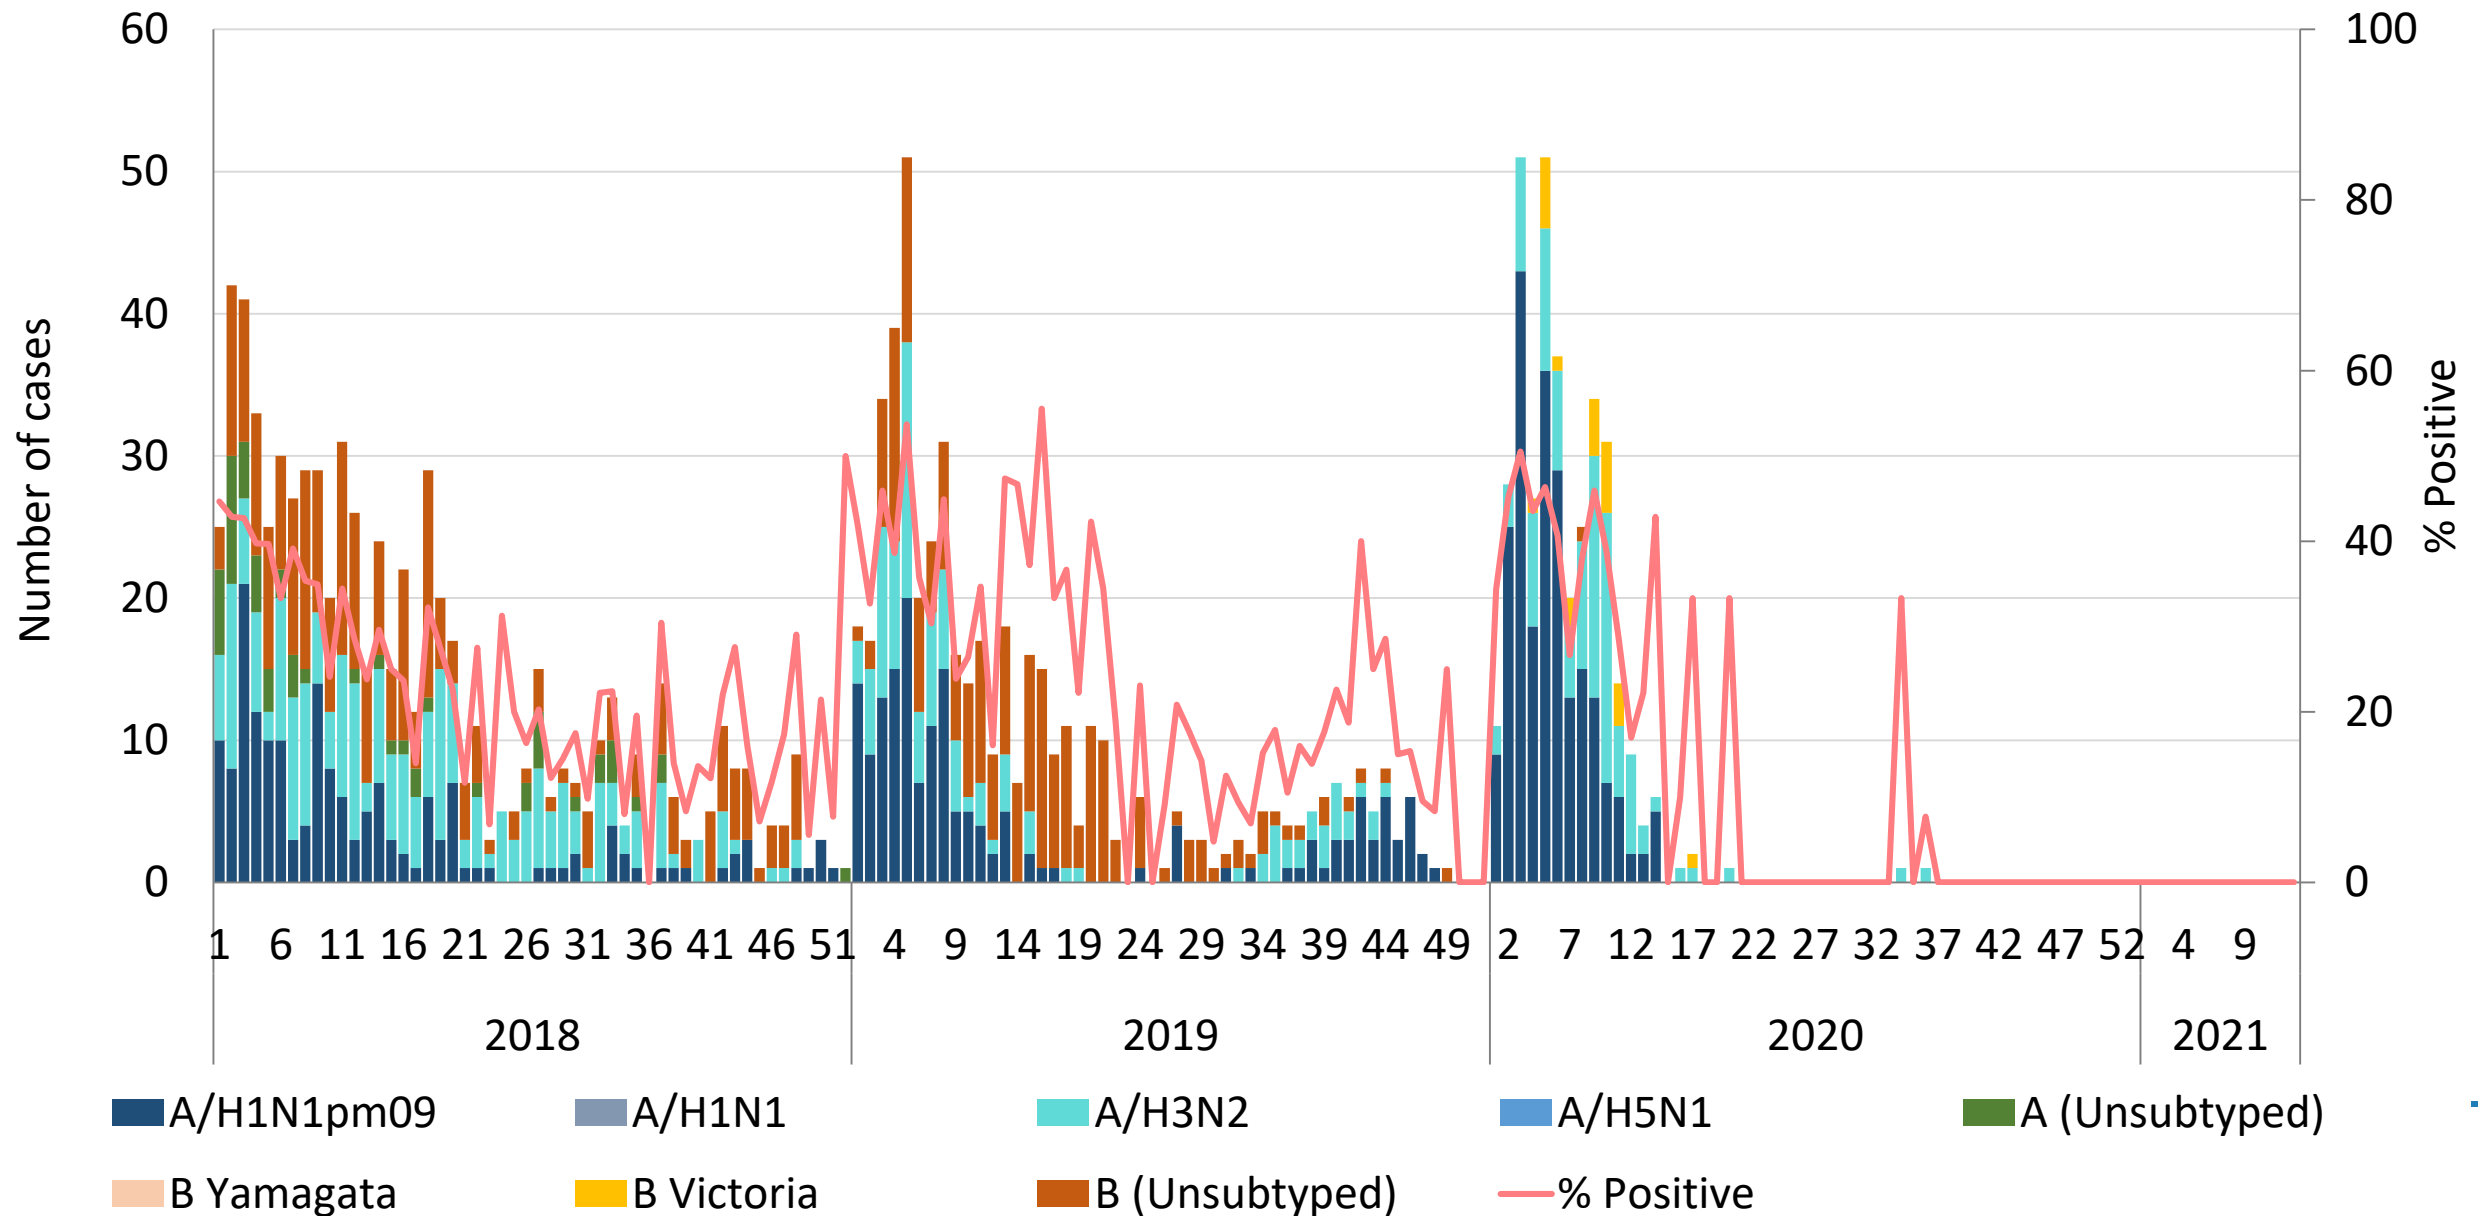

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Indonesia, 2018-2021*

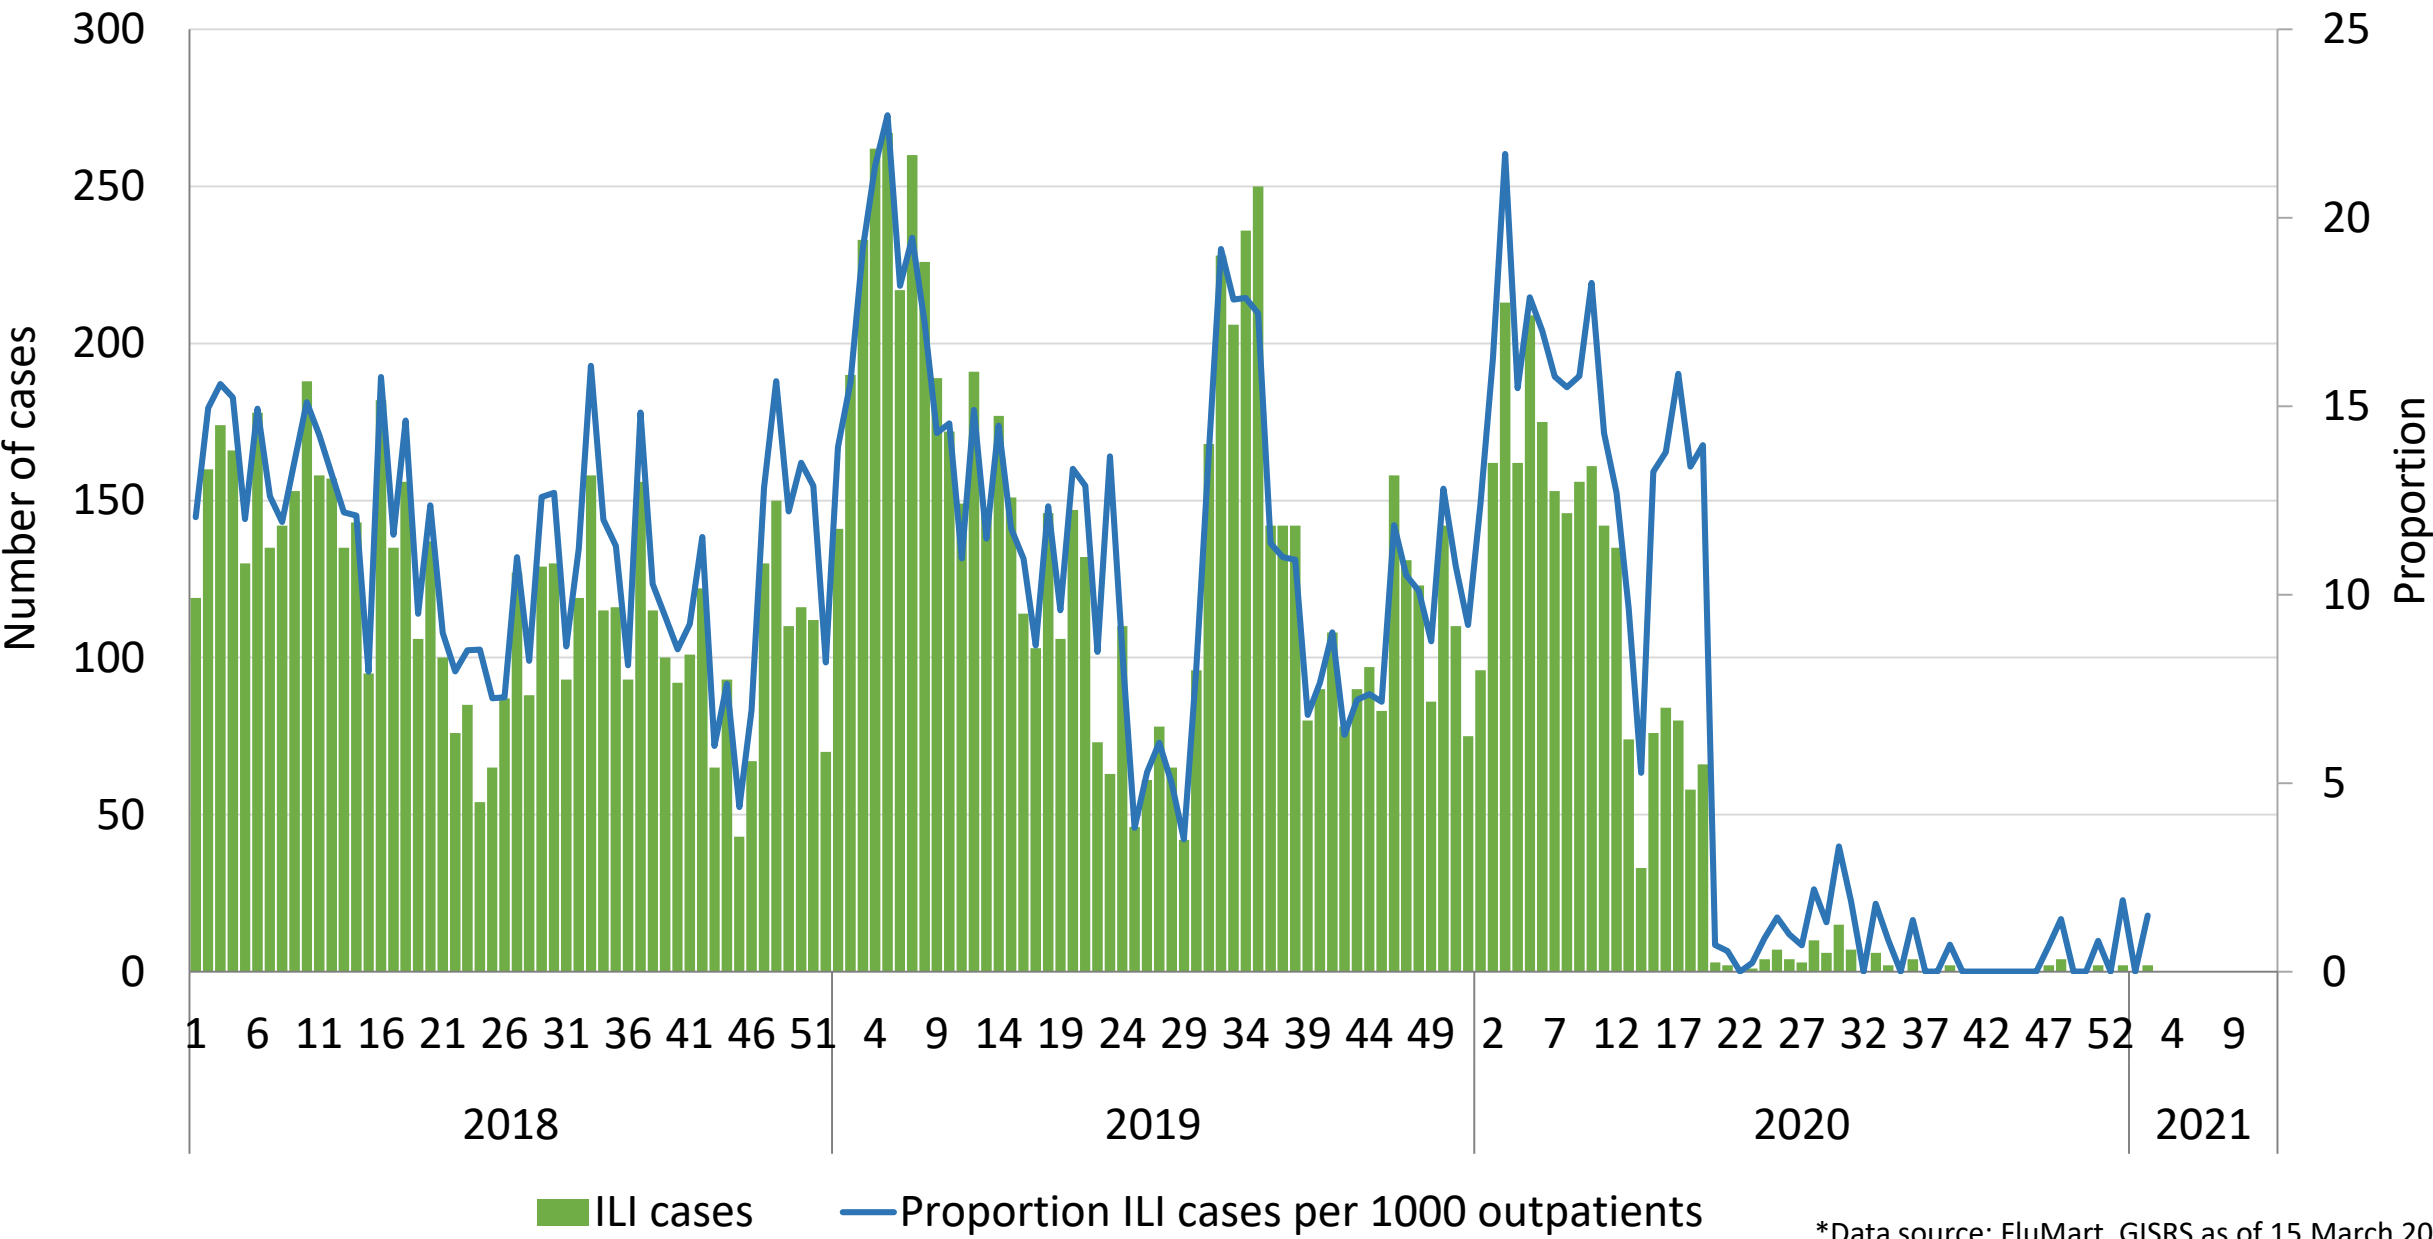

Number of specimens positive for influenza by subtype and % positive Indonesia, 2018-2021*

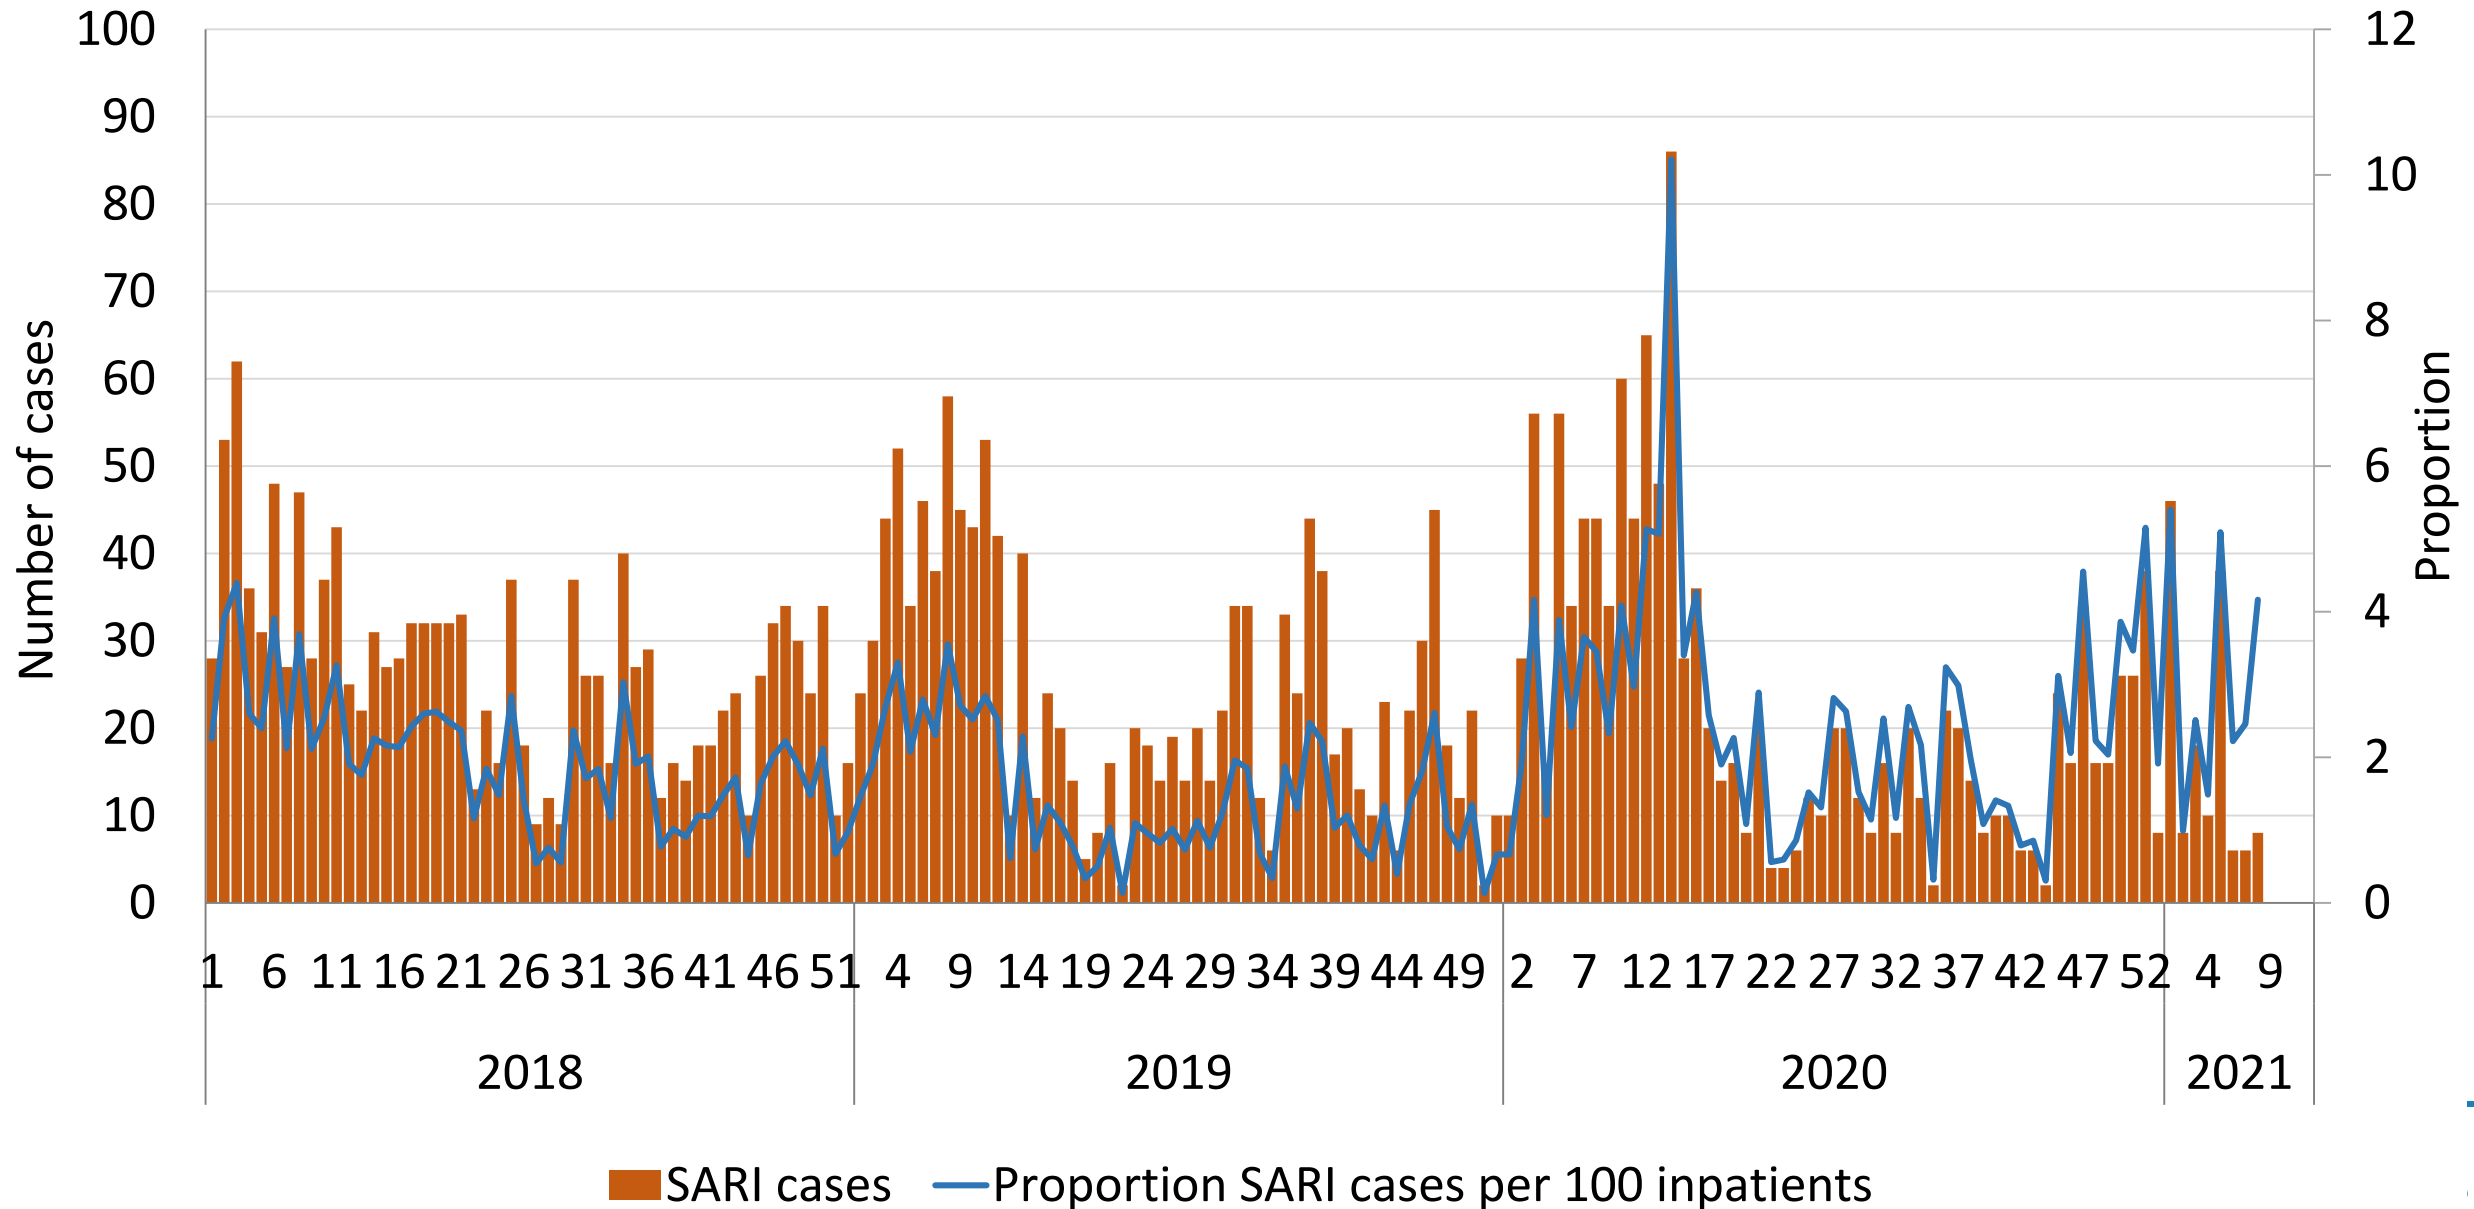

*Data source: FluMart, GISRS as of 15 March 2021

Number of influenza-like illness (ILI) cases and proportion of ILI cases per 1,000 outpatients Indonesia, 2018-2021*

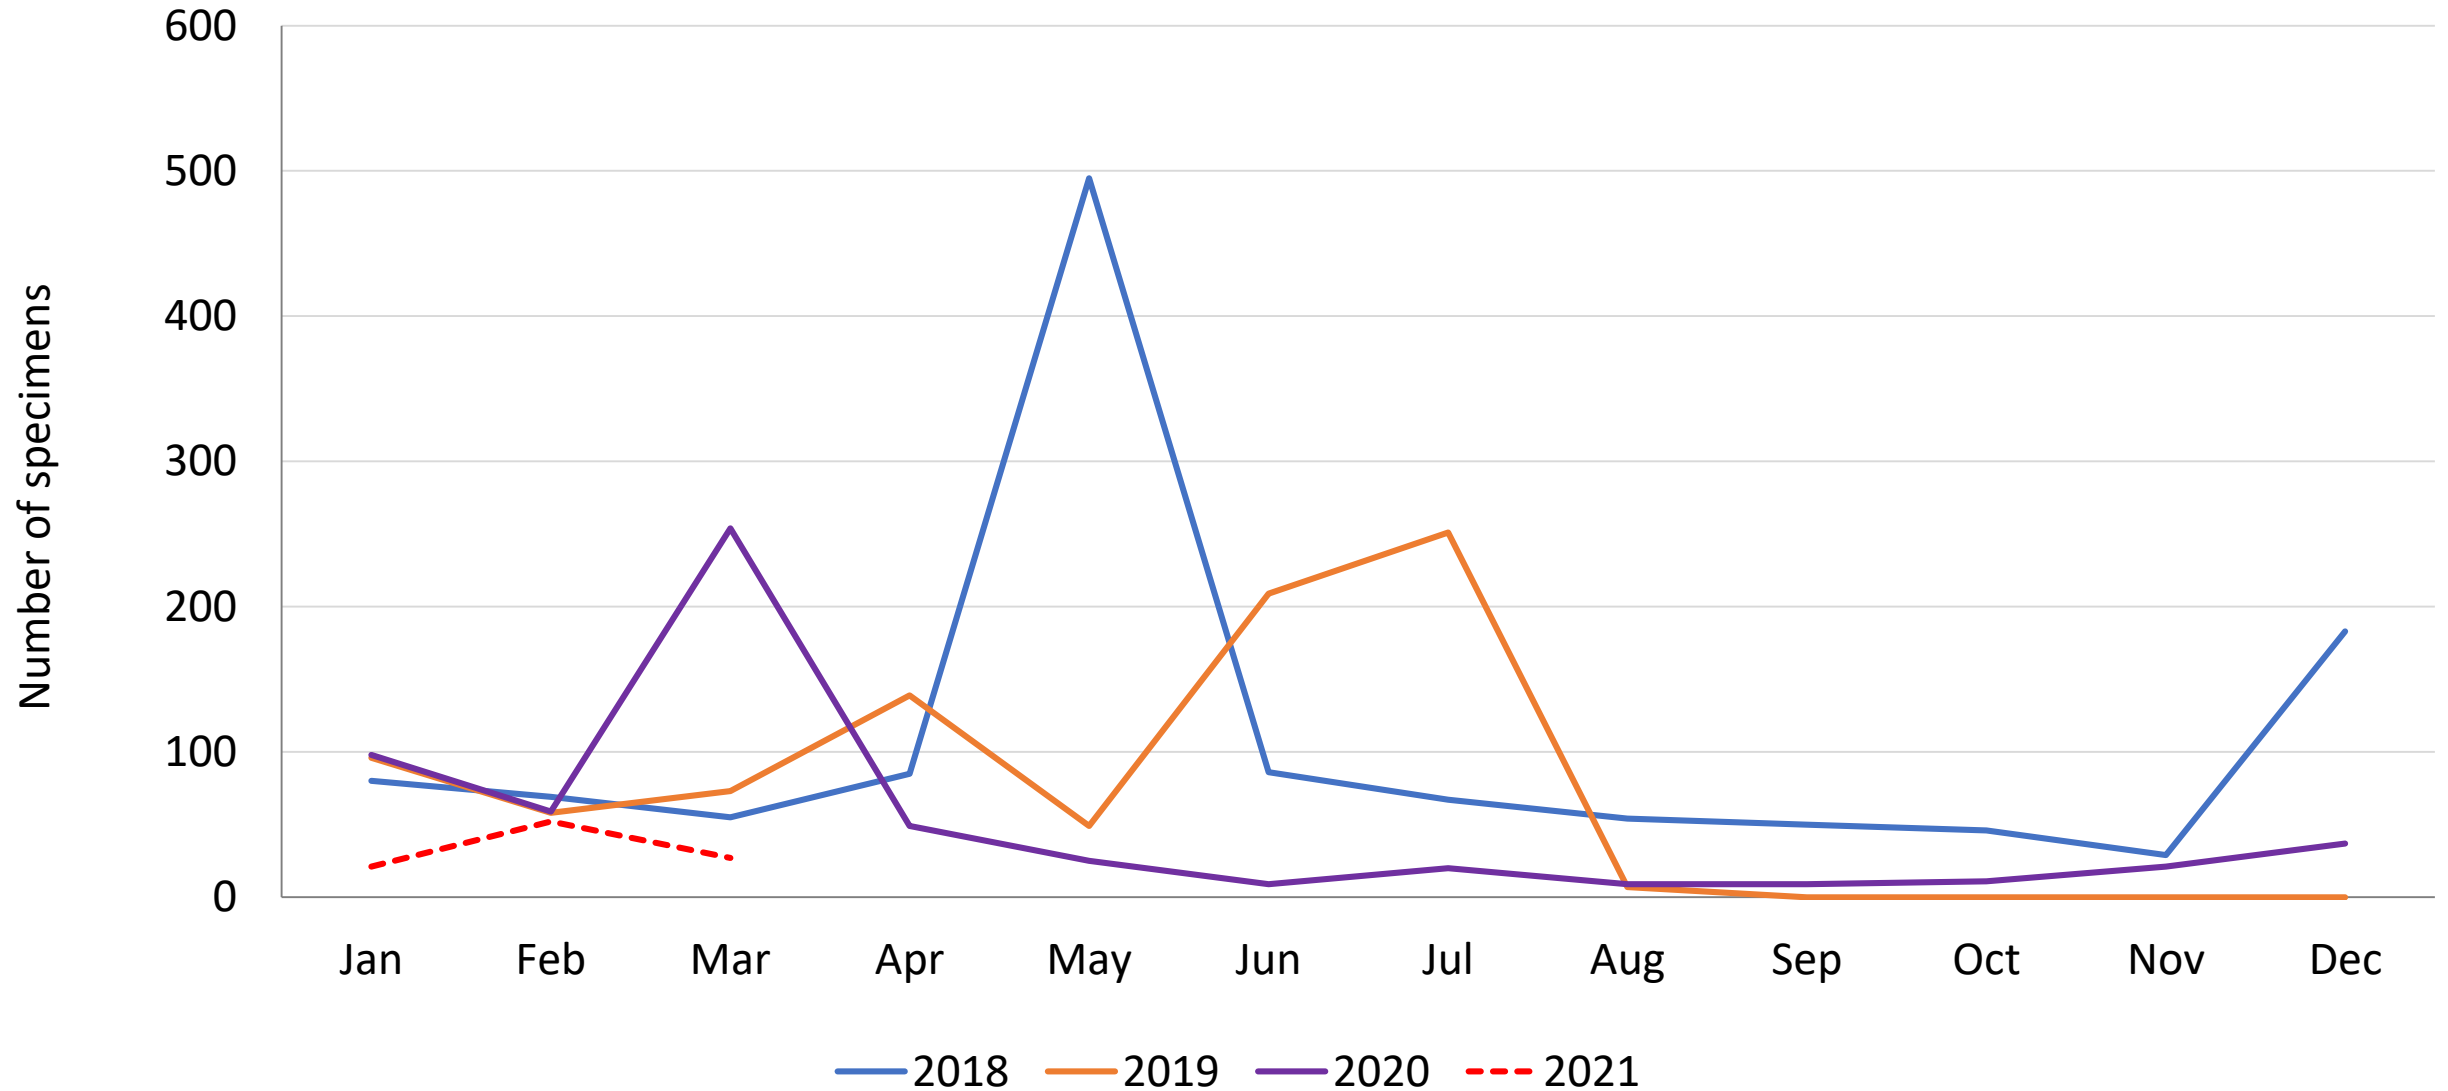

Number of severe acute respiratory infection (SARI) cases and proportion of SARI cases per 100 inpatients, Indonesia 2018-2021*

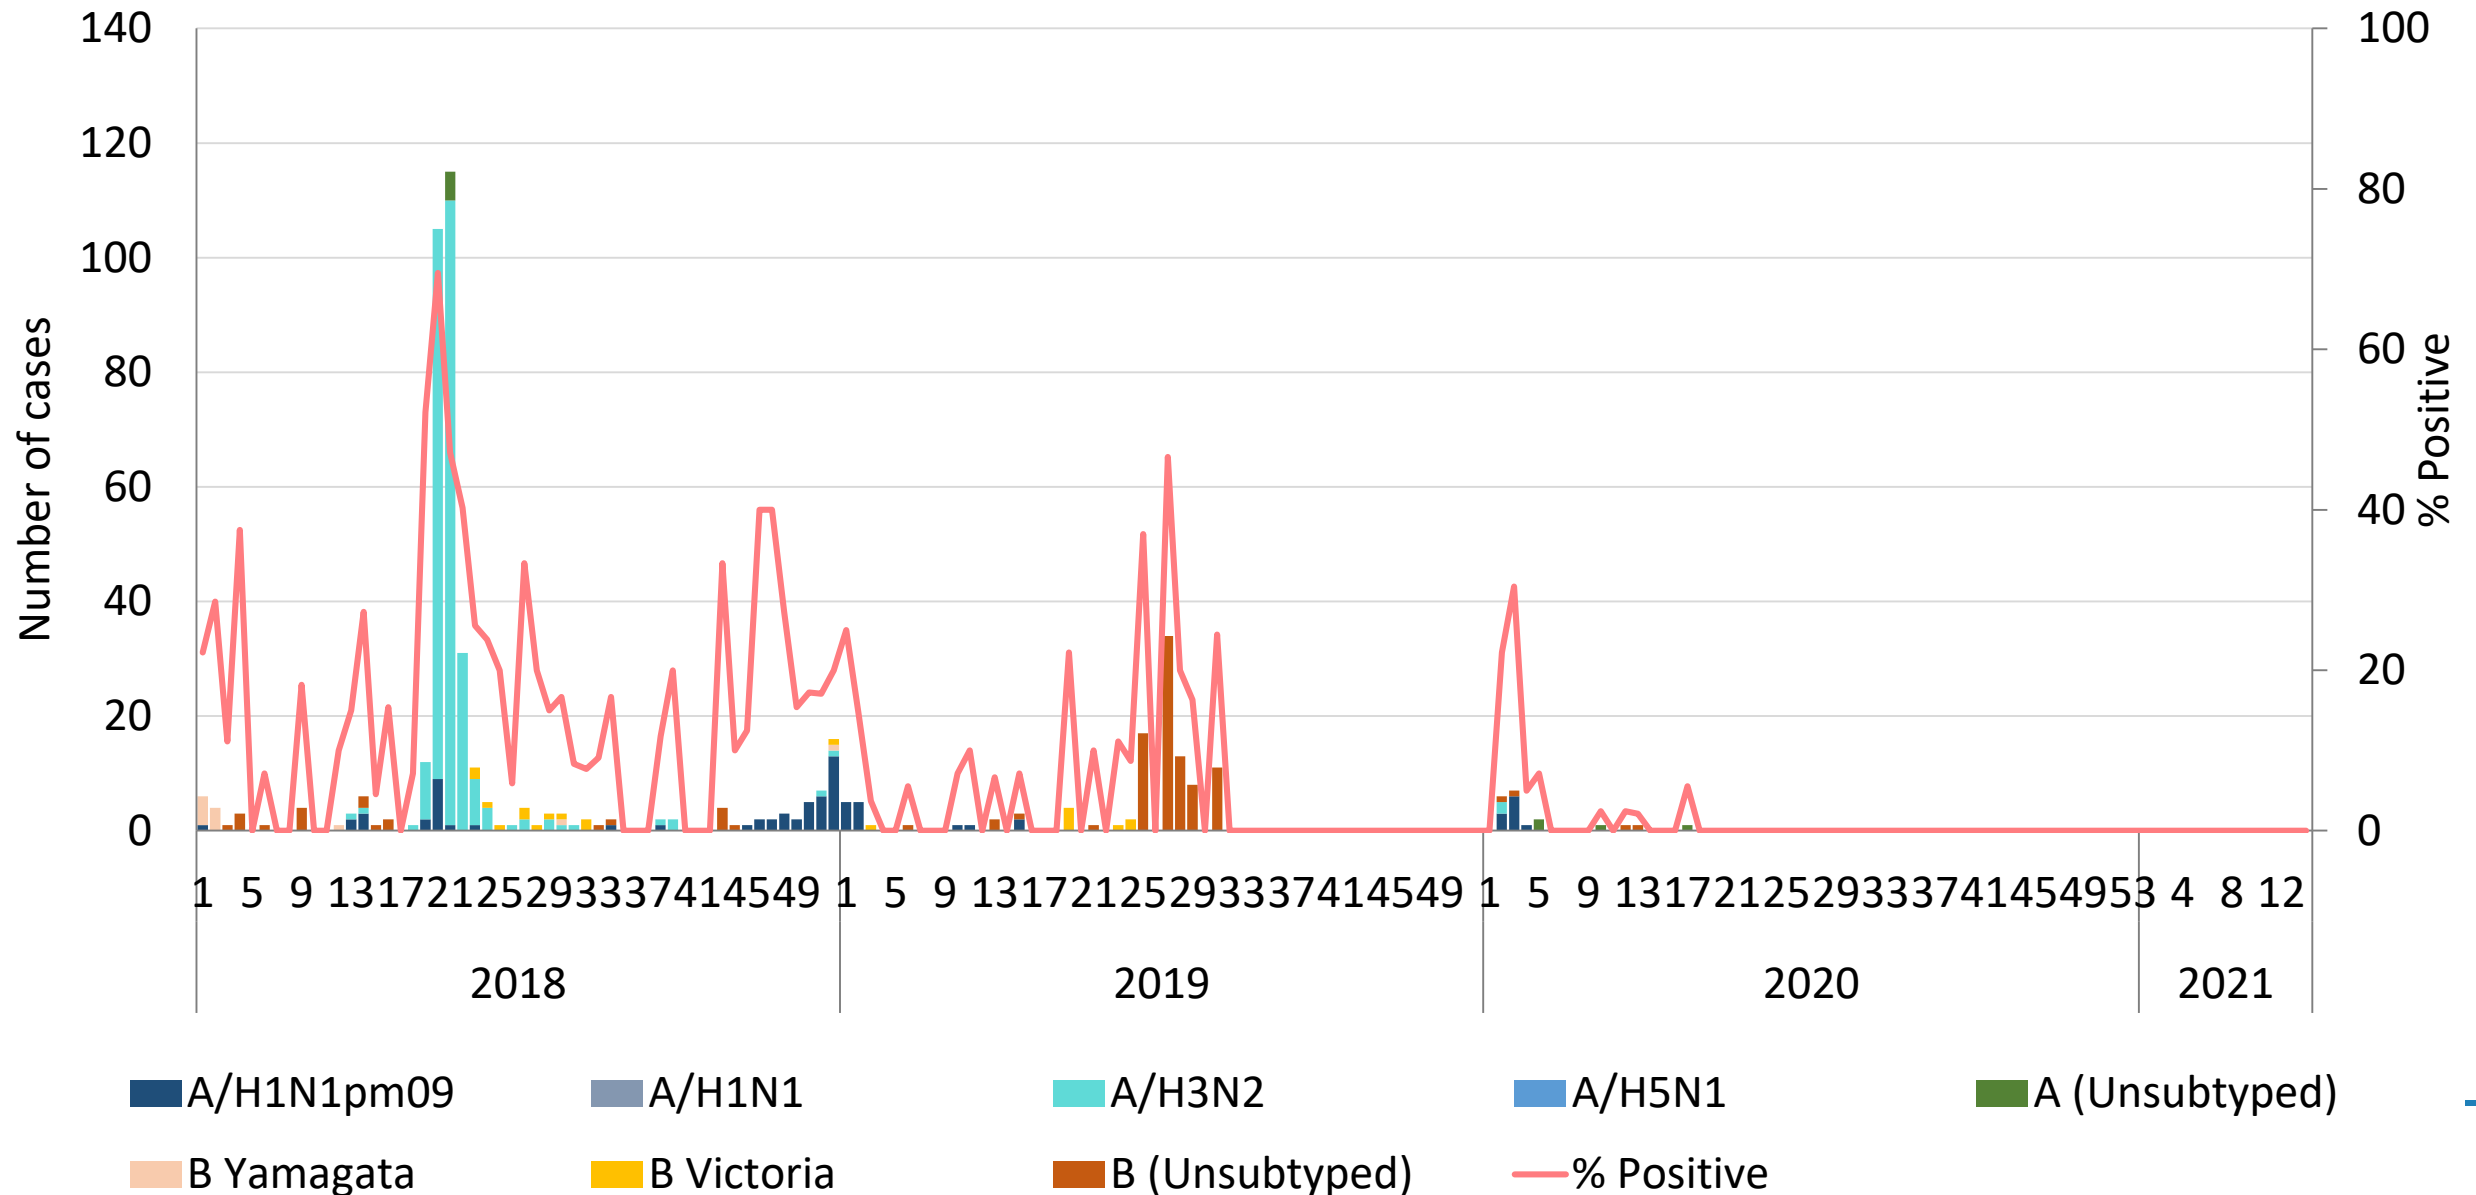

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Maldives, 2018-2021*

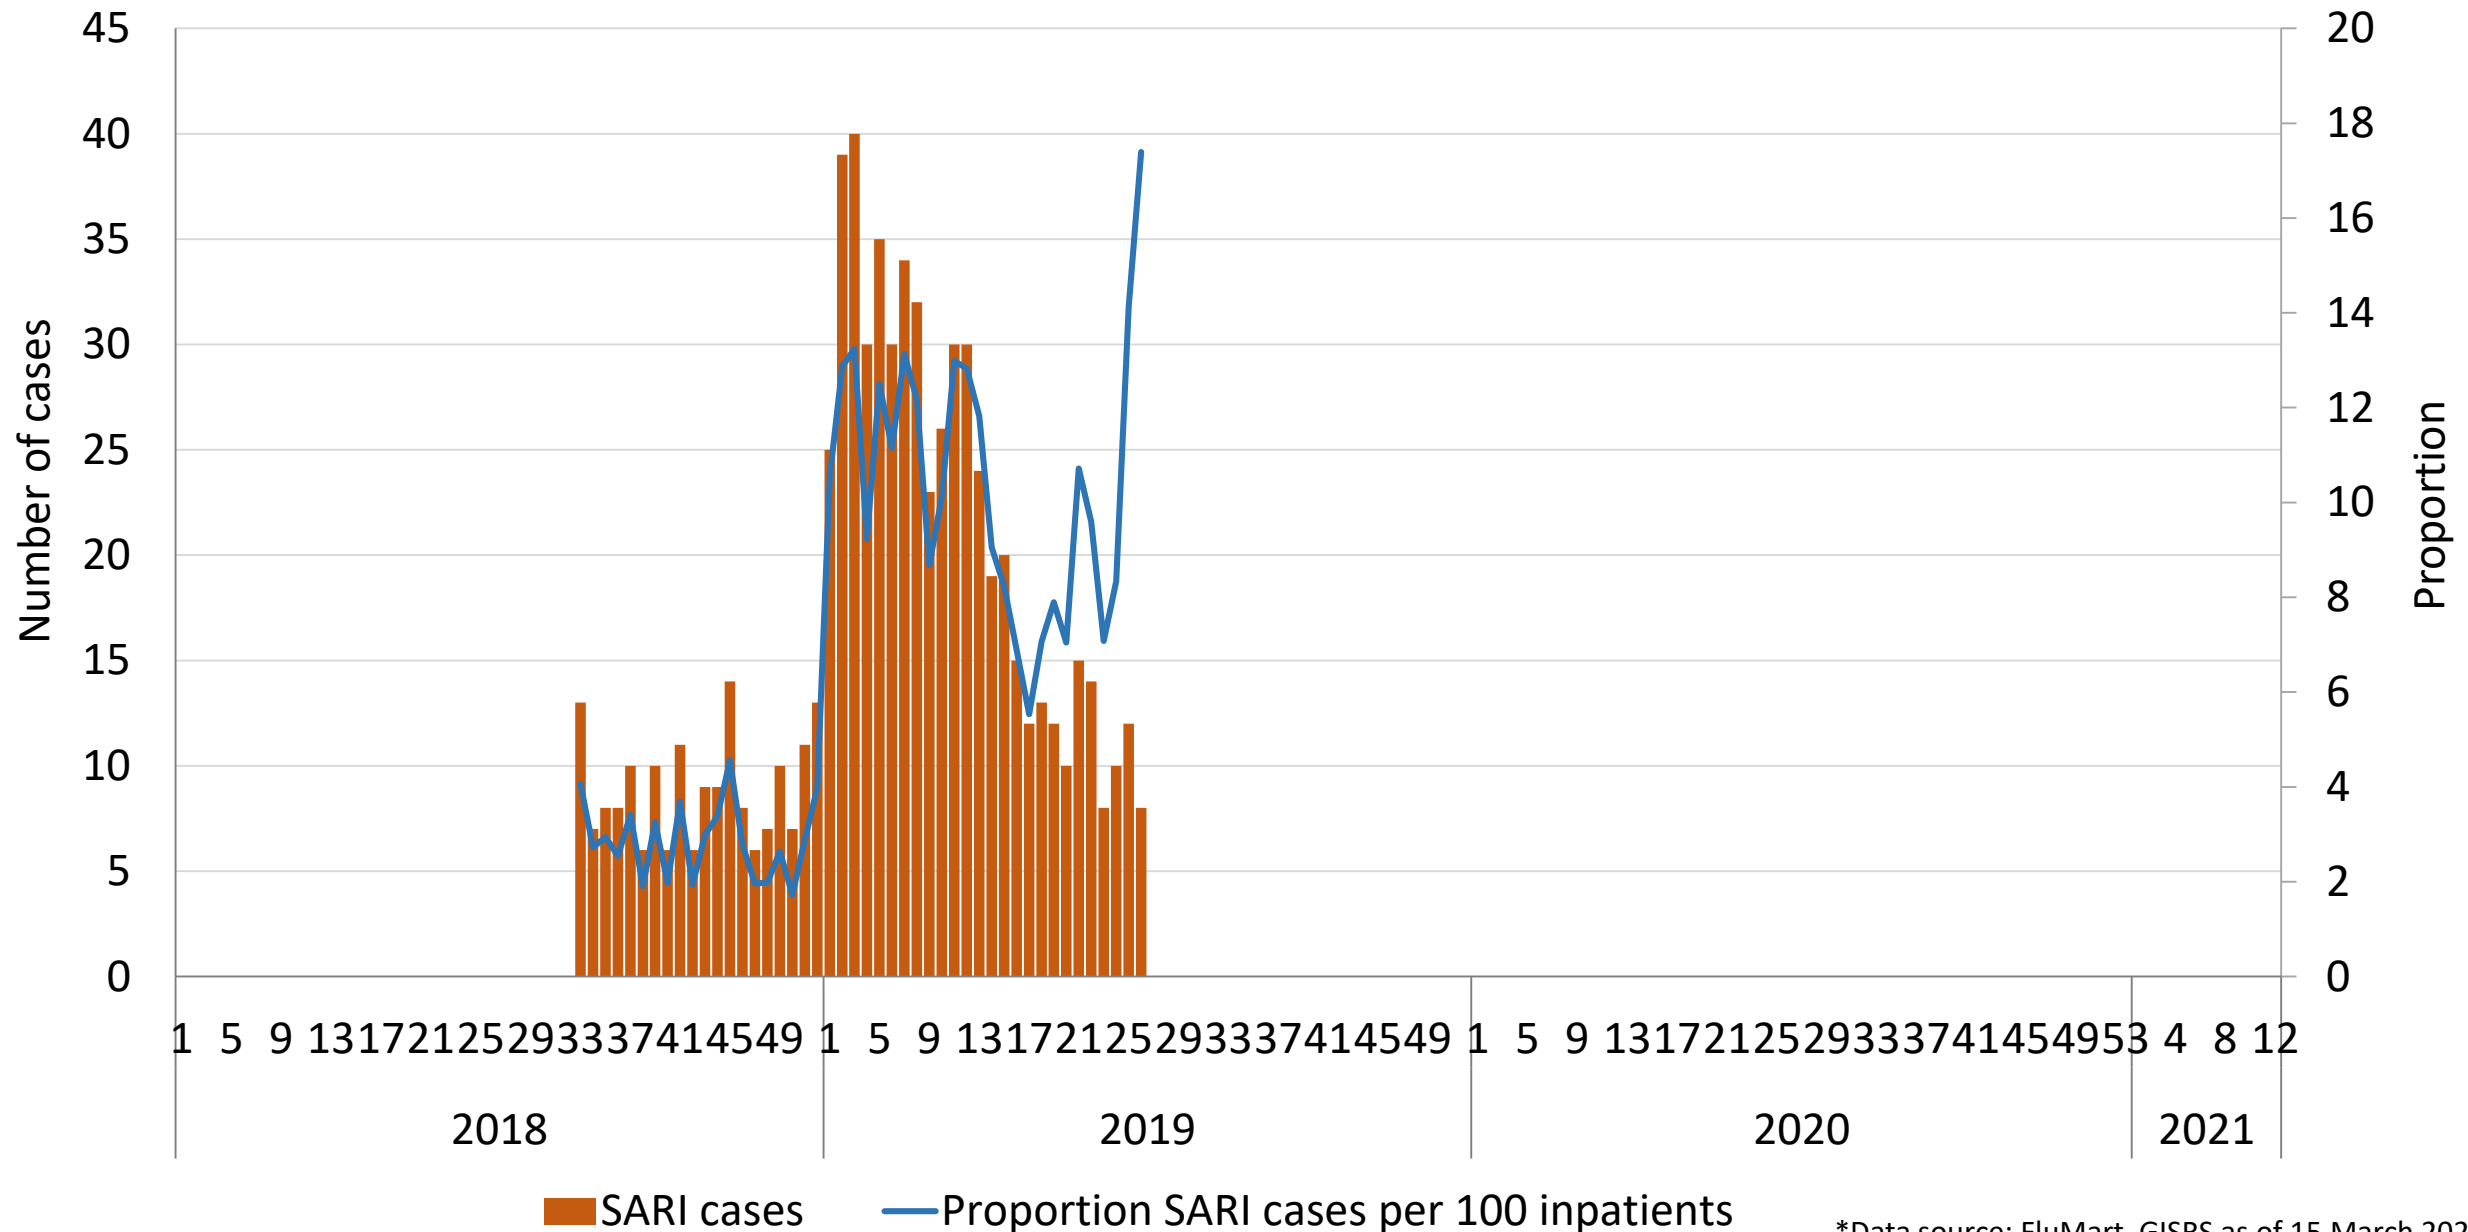

Number of specimens positive for influenza by subtype and % positive Maldives, 2018-2021*

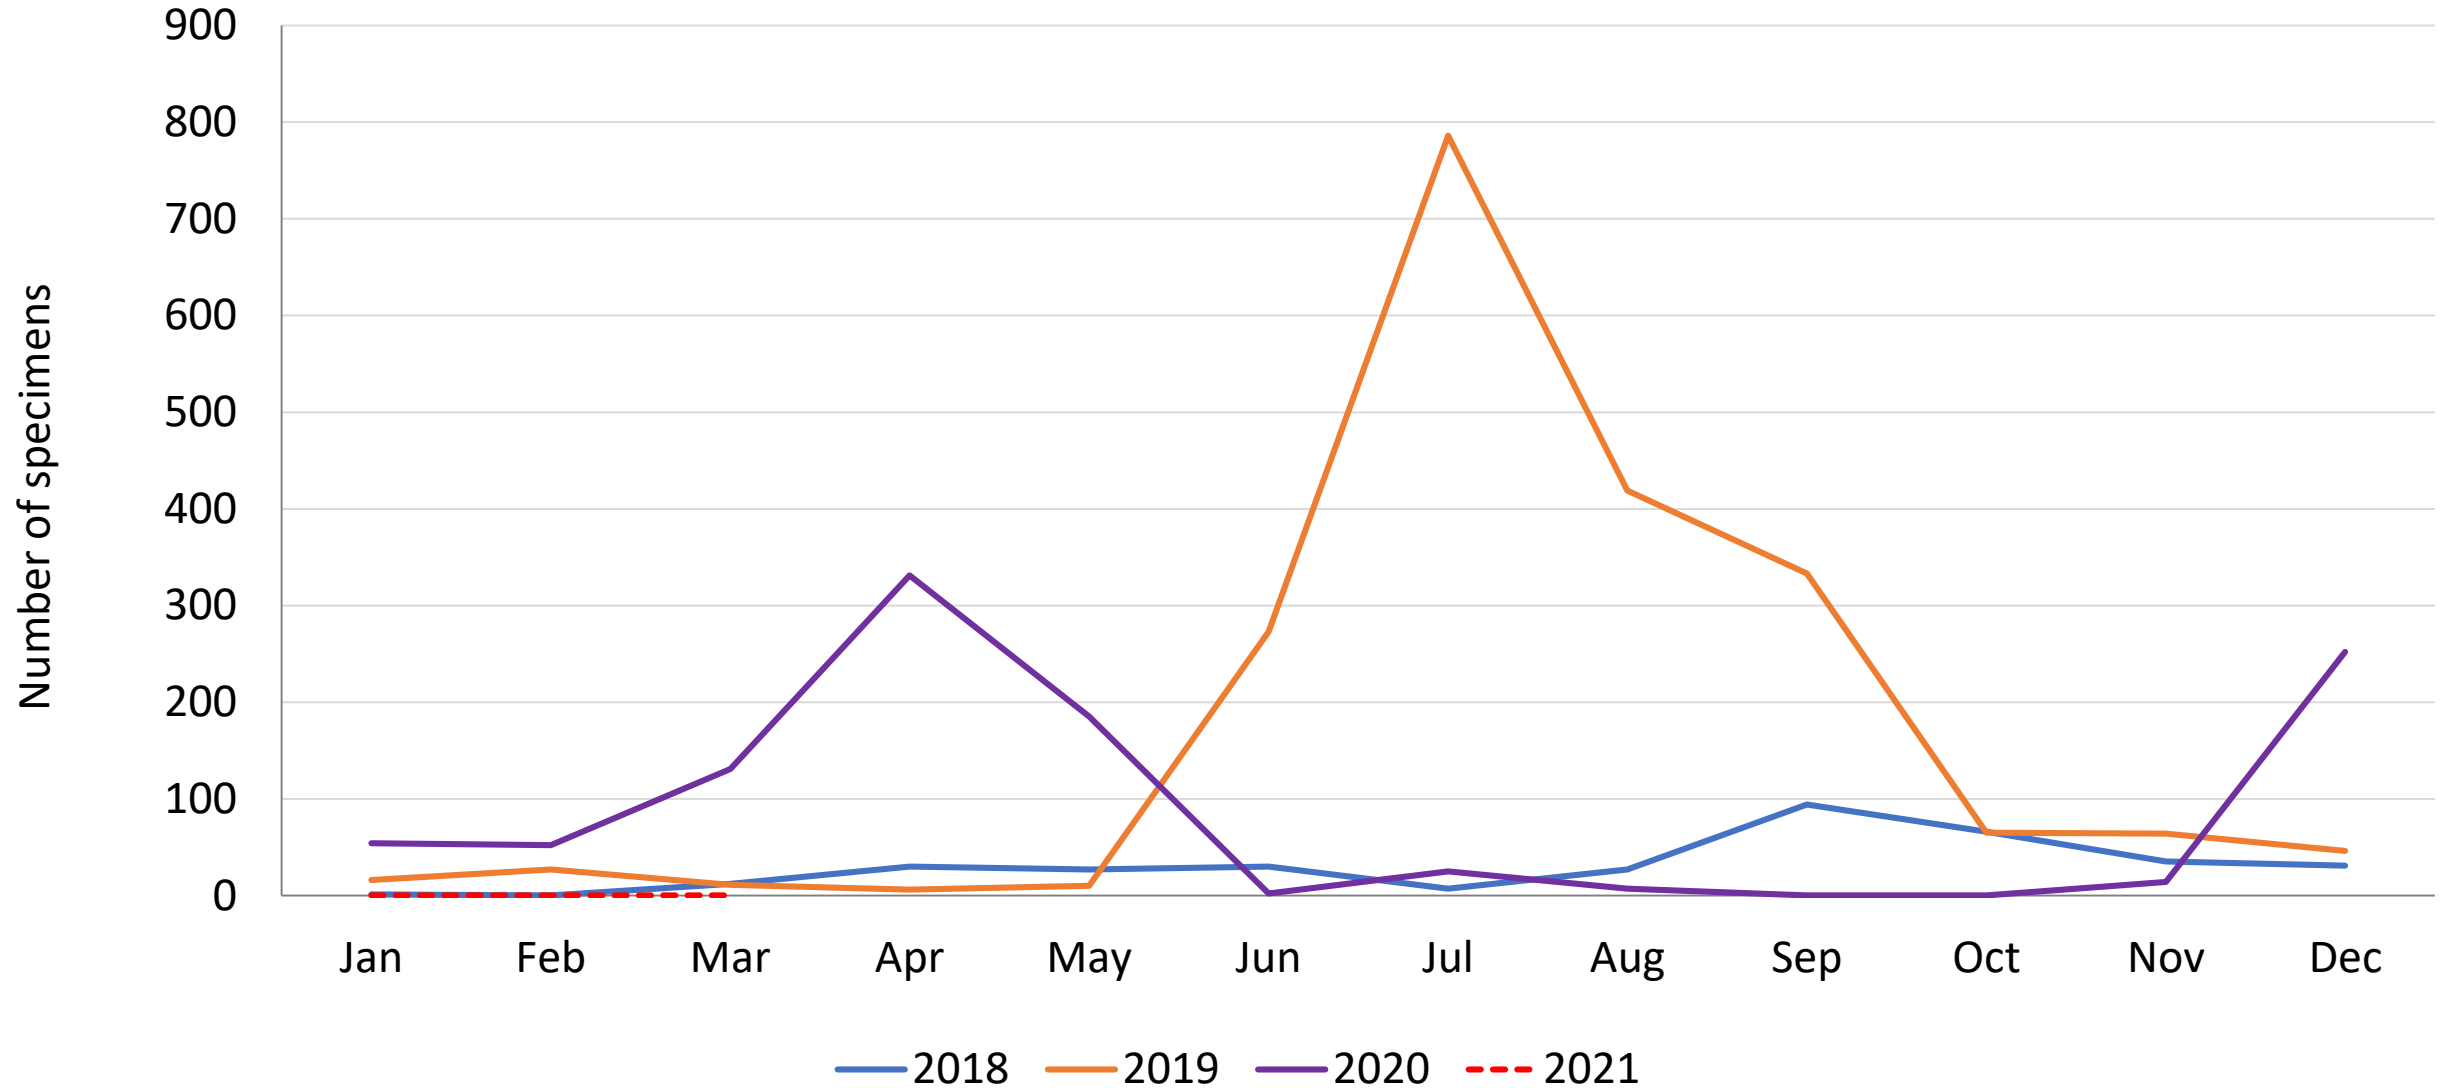

*Data source: FluMart, GISRS as of 15 March 2021

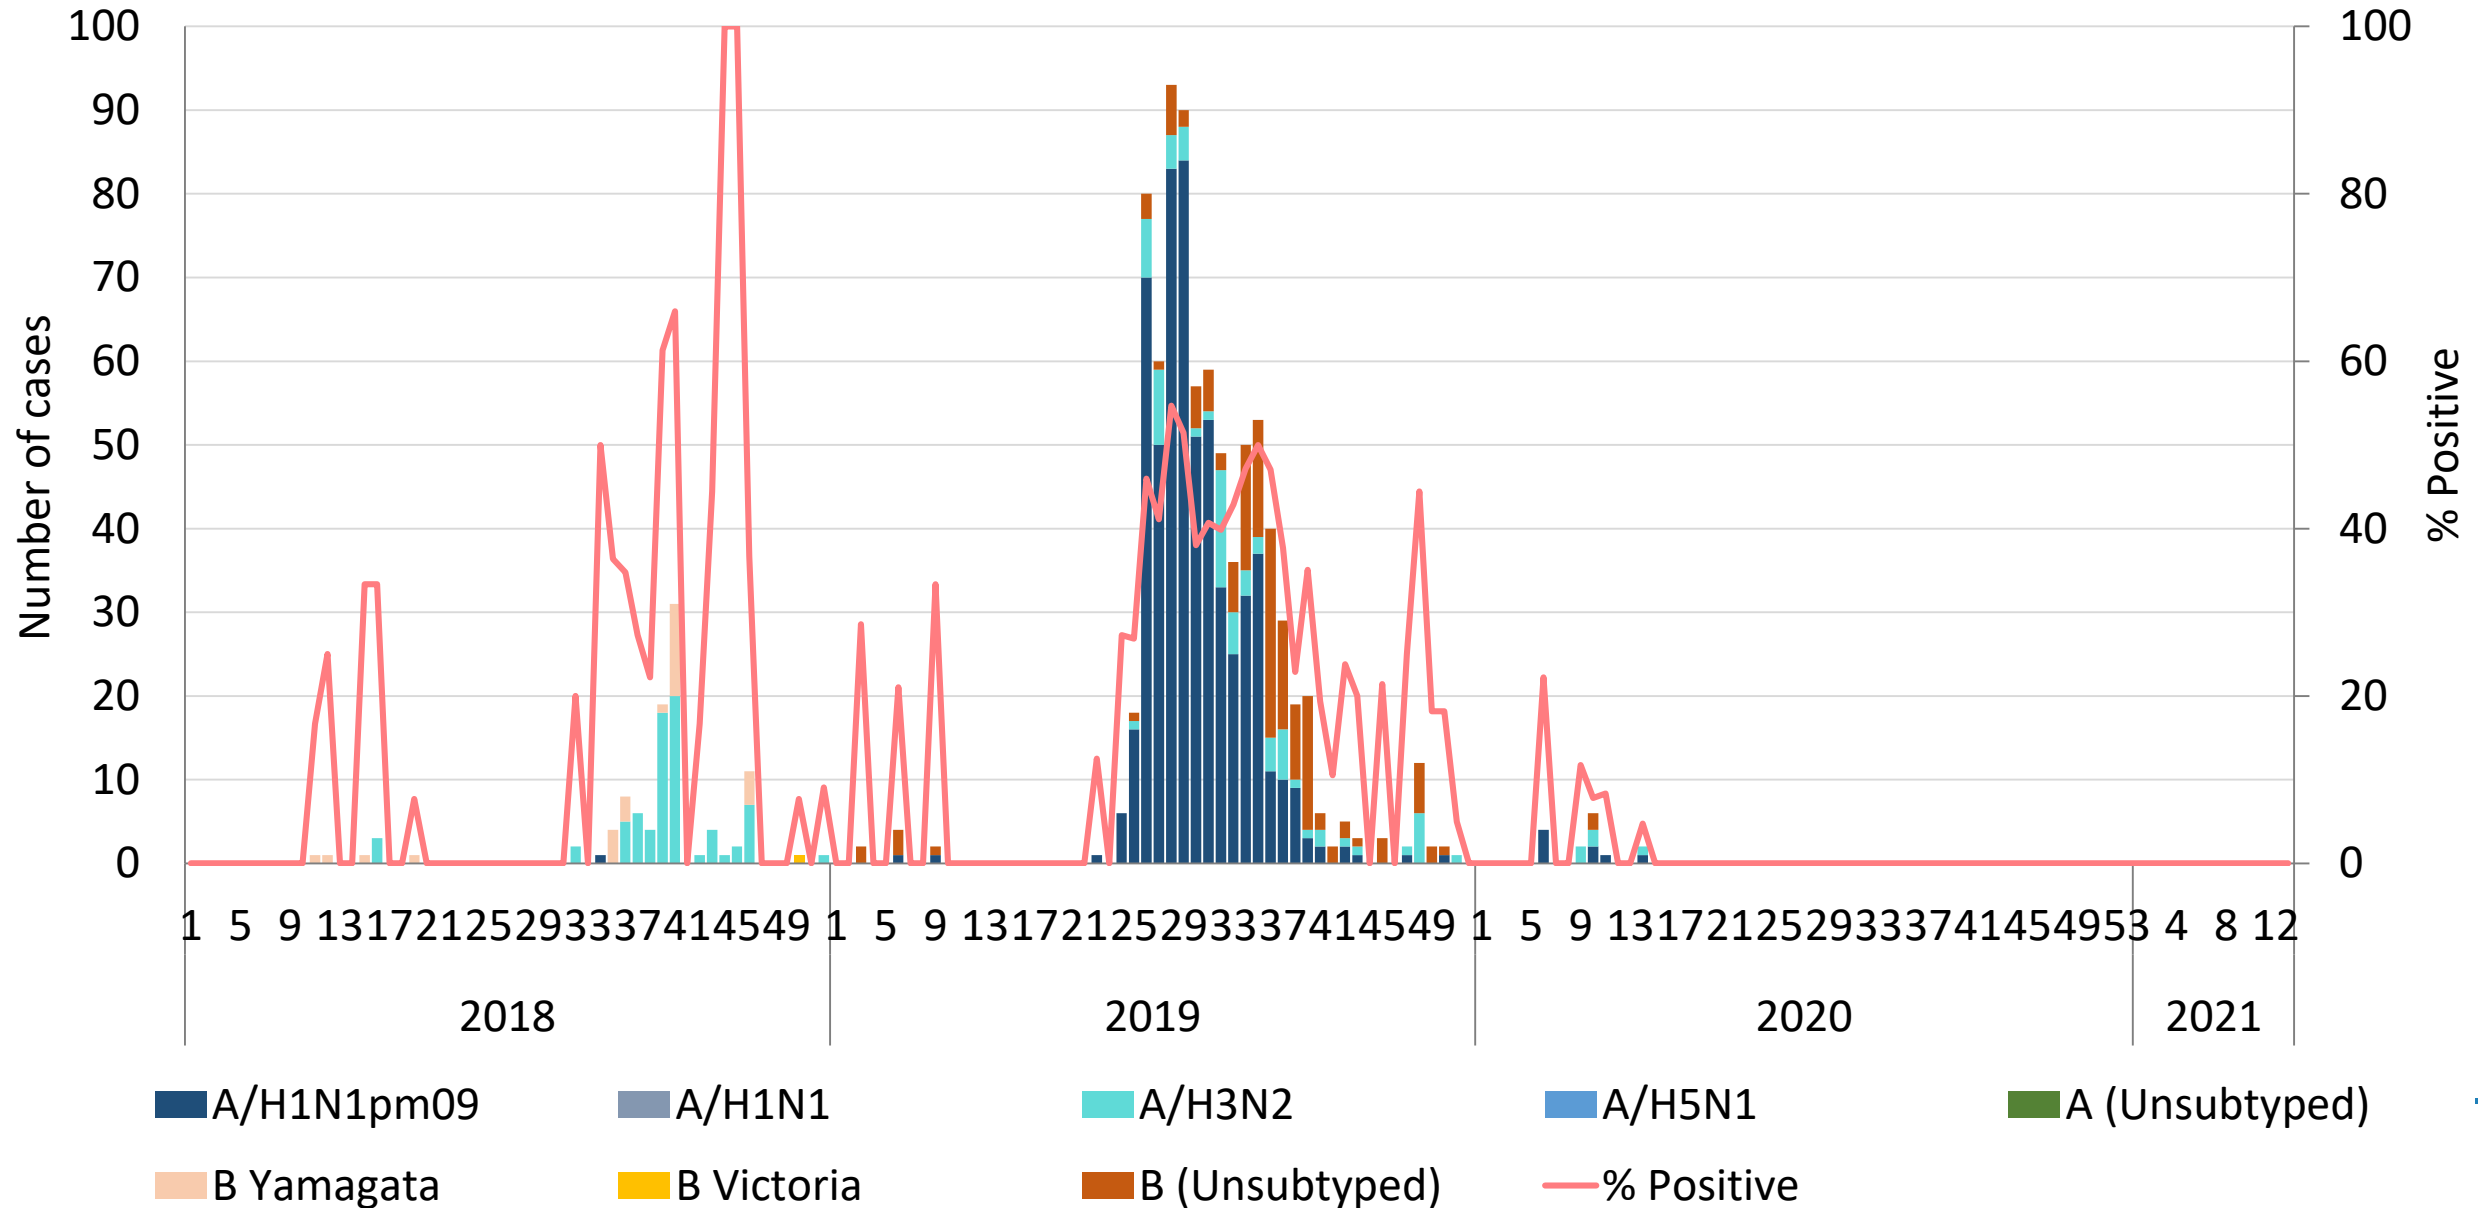

Number of severe acute respiratory infection (SARI) cases and proportion of SARI cases per 100 inpatients, Maldives 2018-2021*

Number of specimens processed for influenza by month and year Myanmar, 2018-2021*

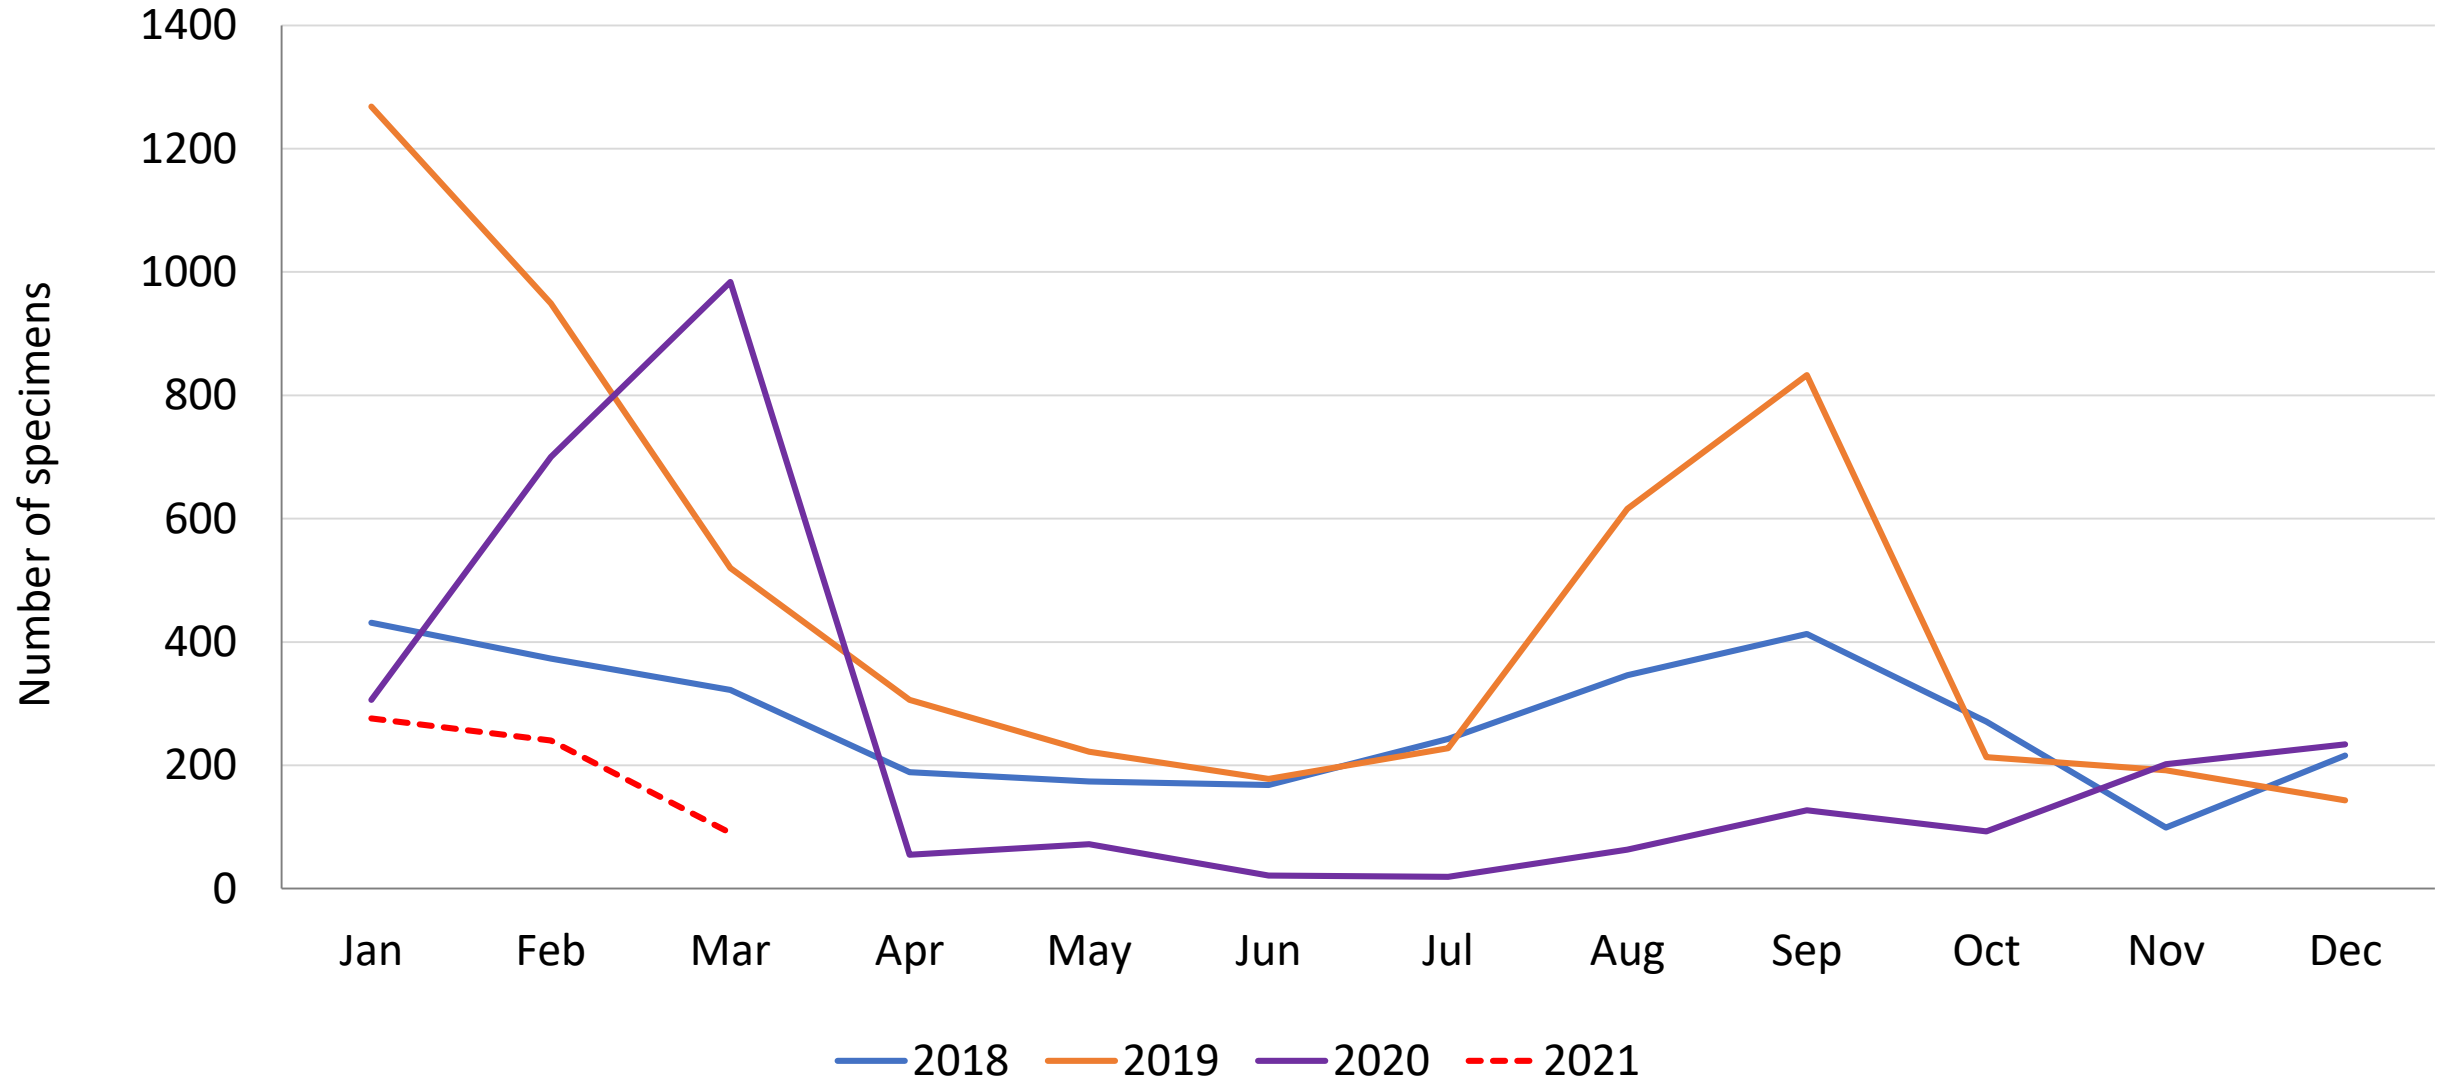

Number of specimens positive for influenza by subtype and % positive Myanmar, 2018-2021*

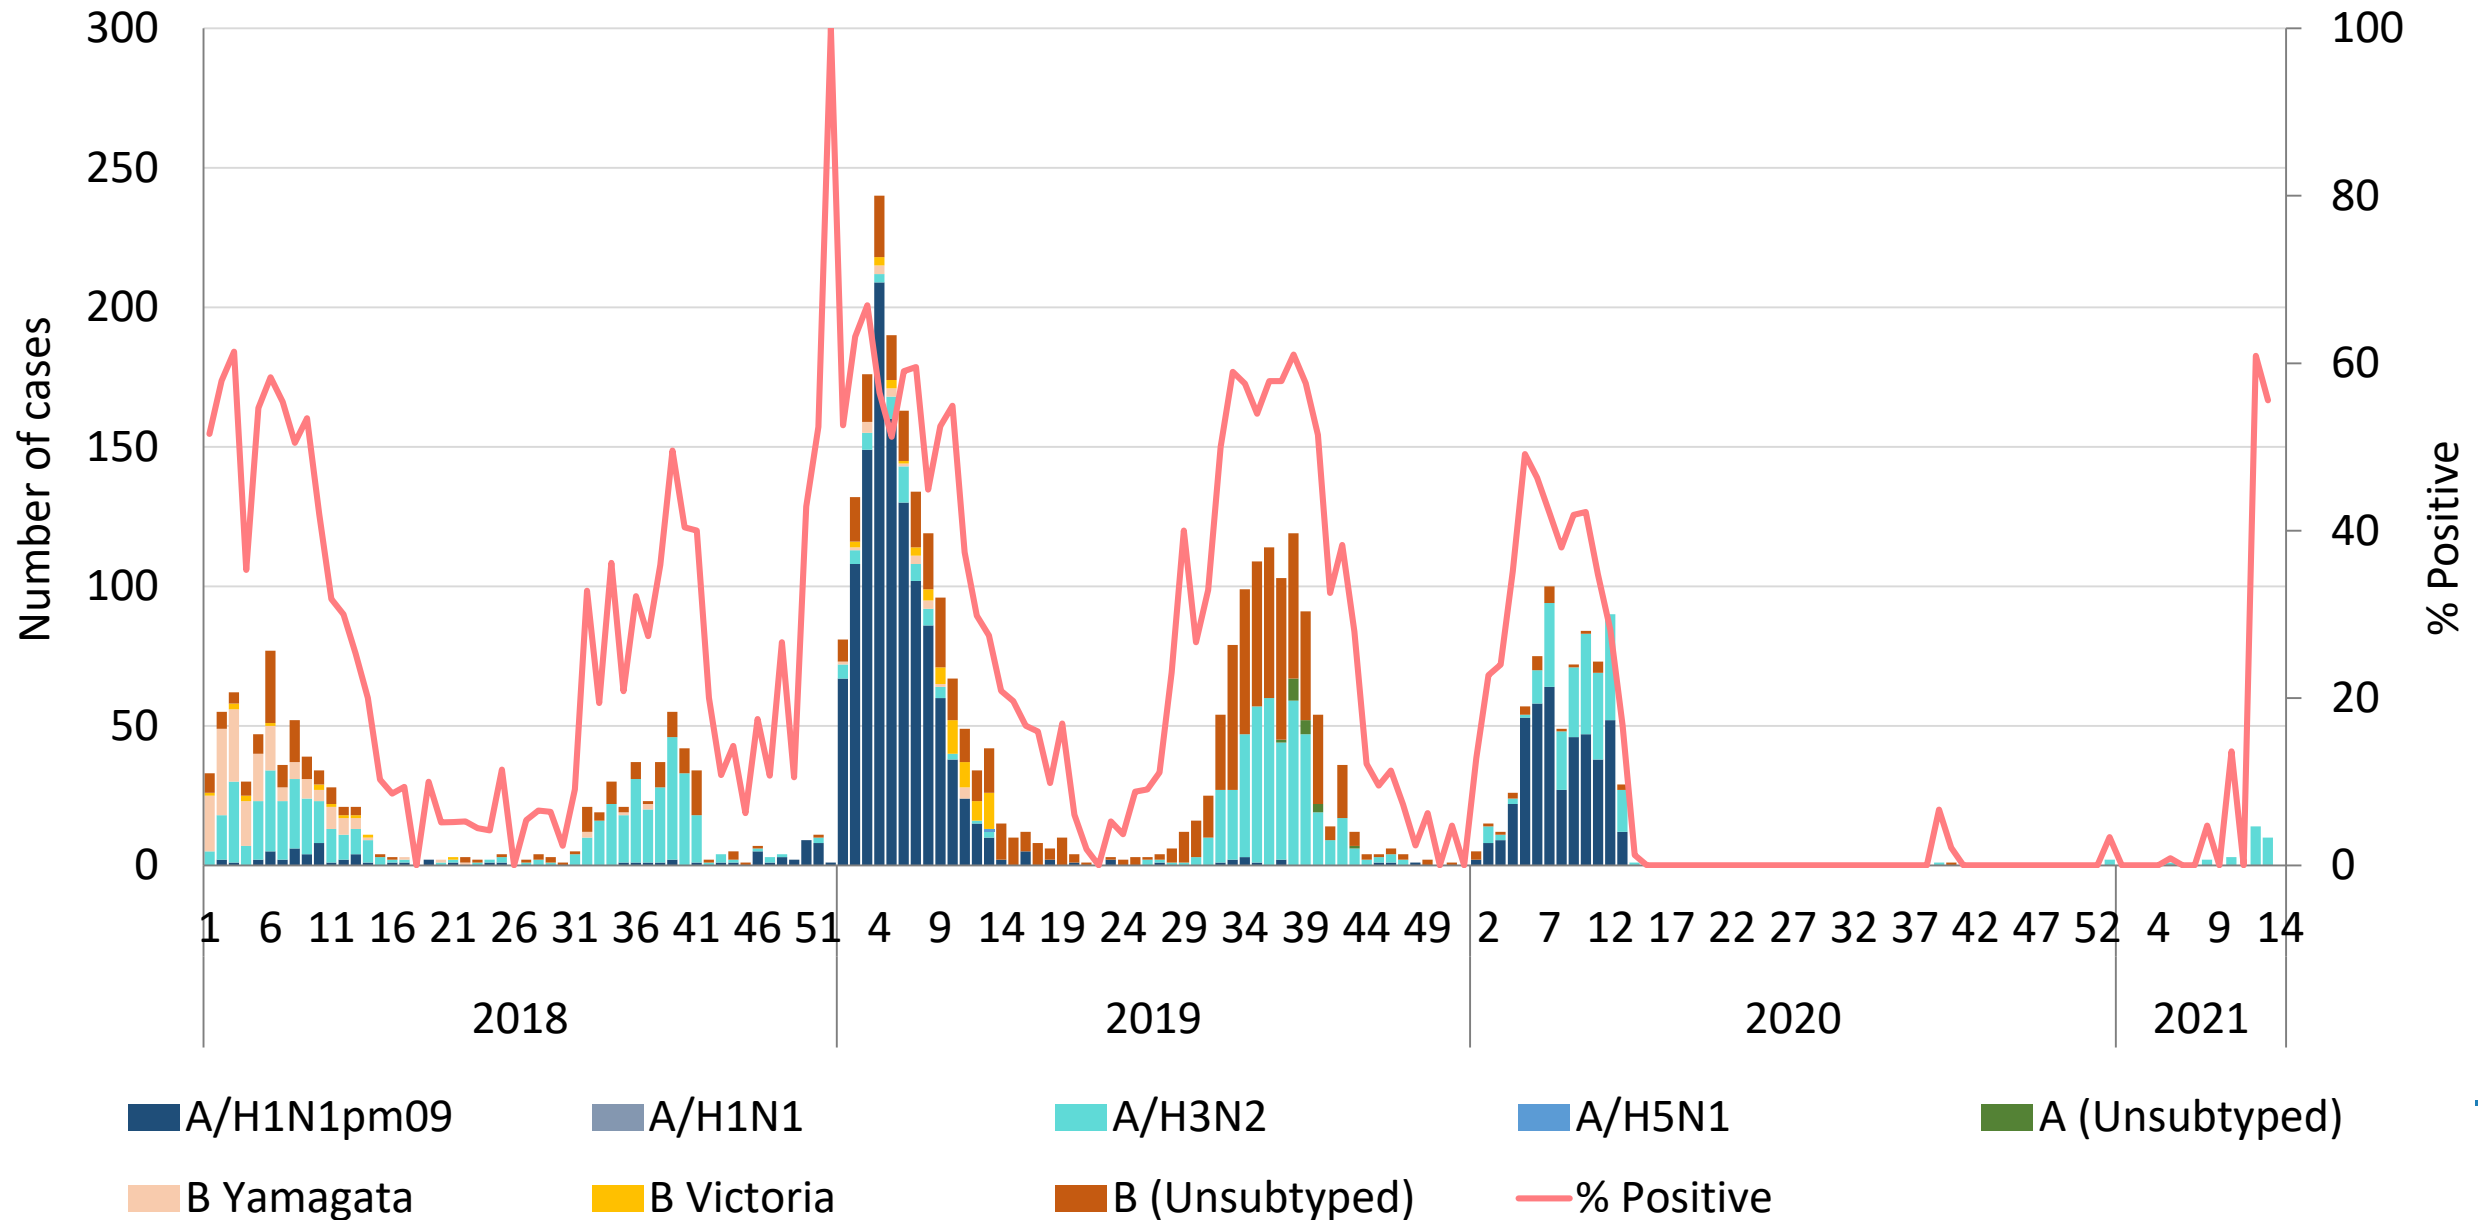

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Nepal, 2018-2021*

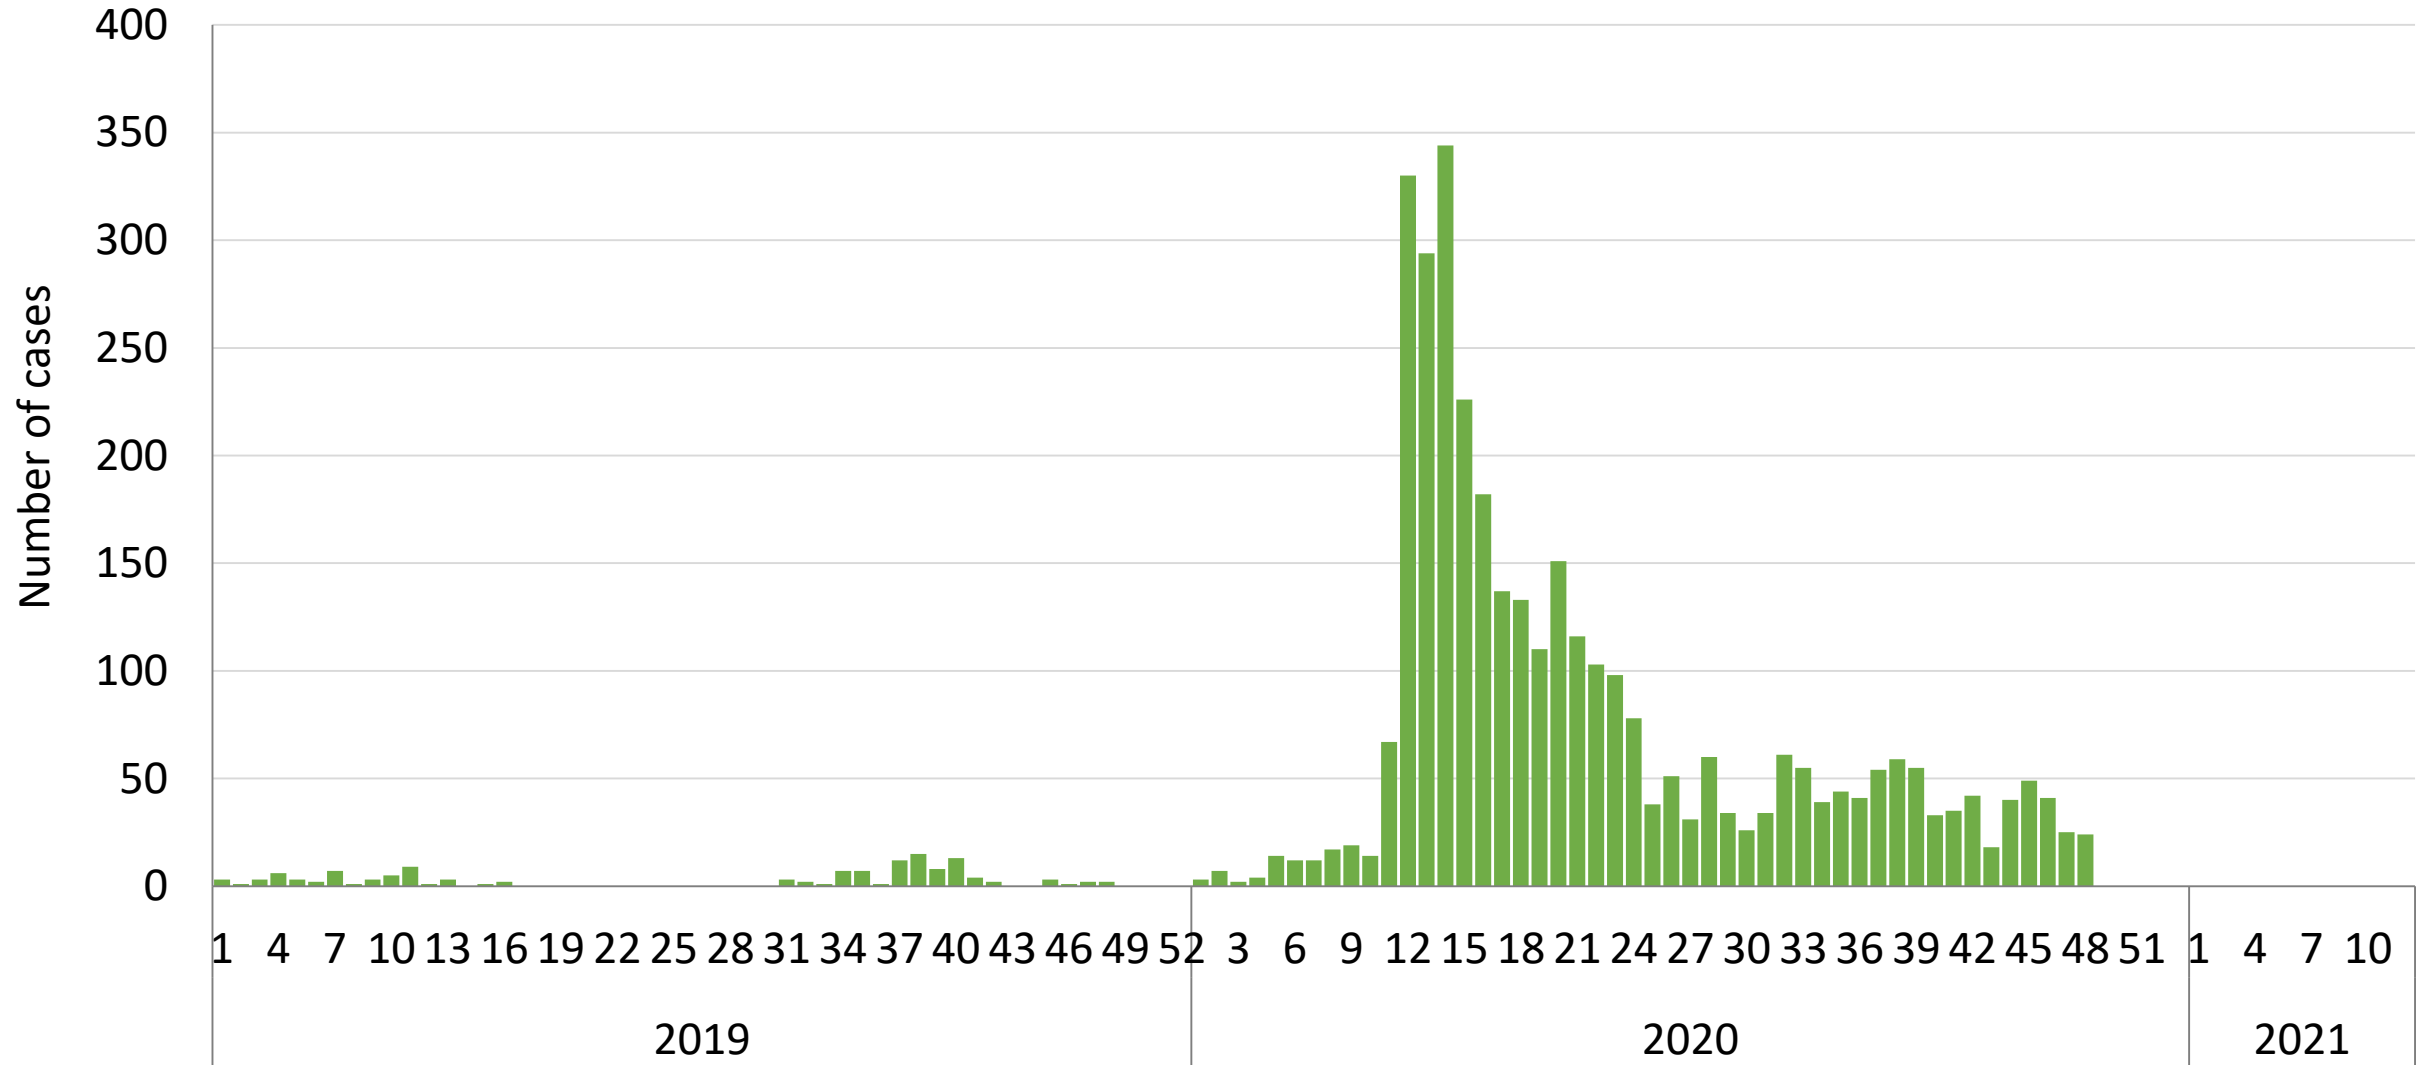

Number of specimens positive for influenza by subtype and % positive Nepal, 2018-2021*

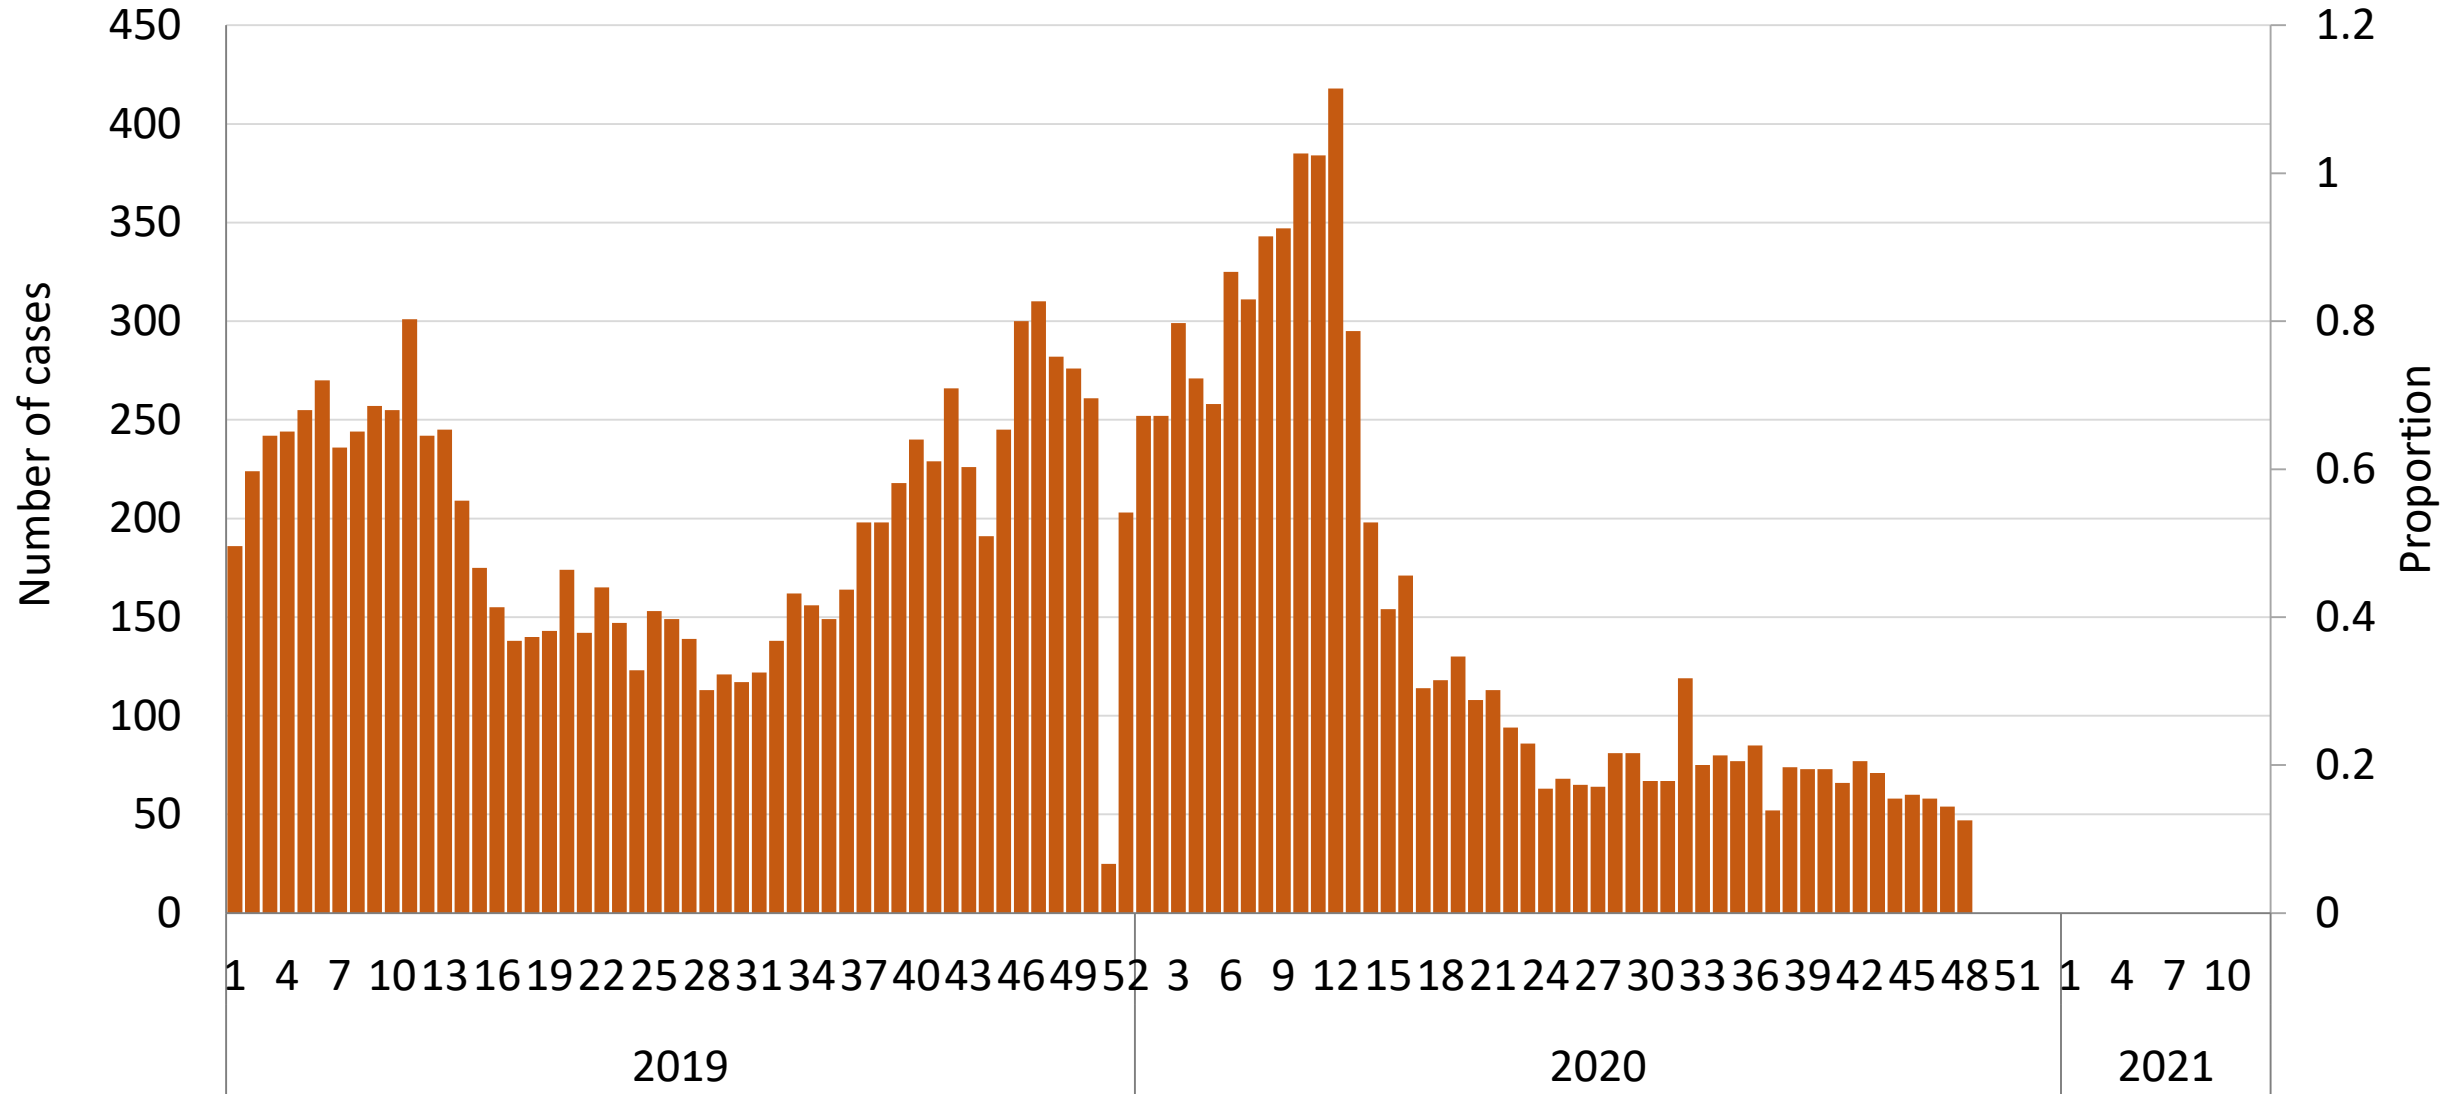

*Data source: FluMart, GISRS as of 15 March 2021

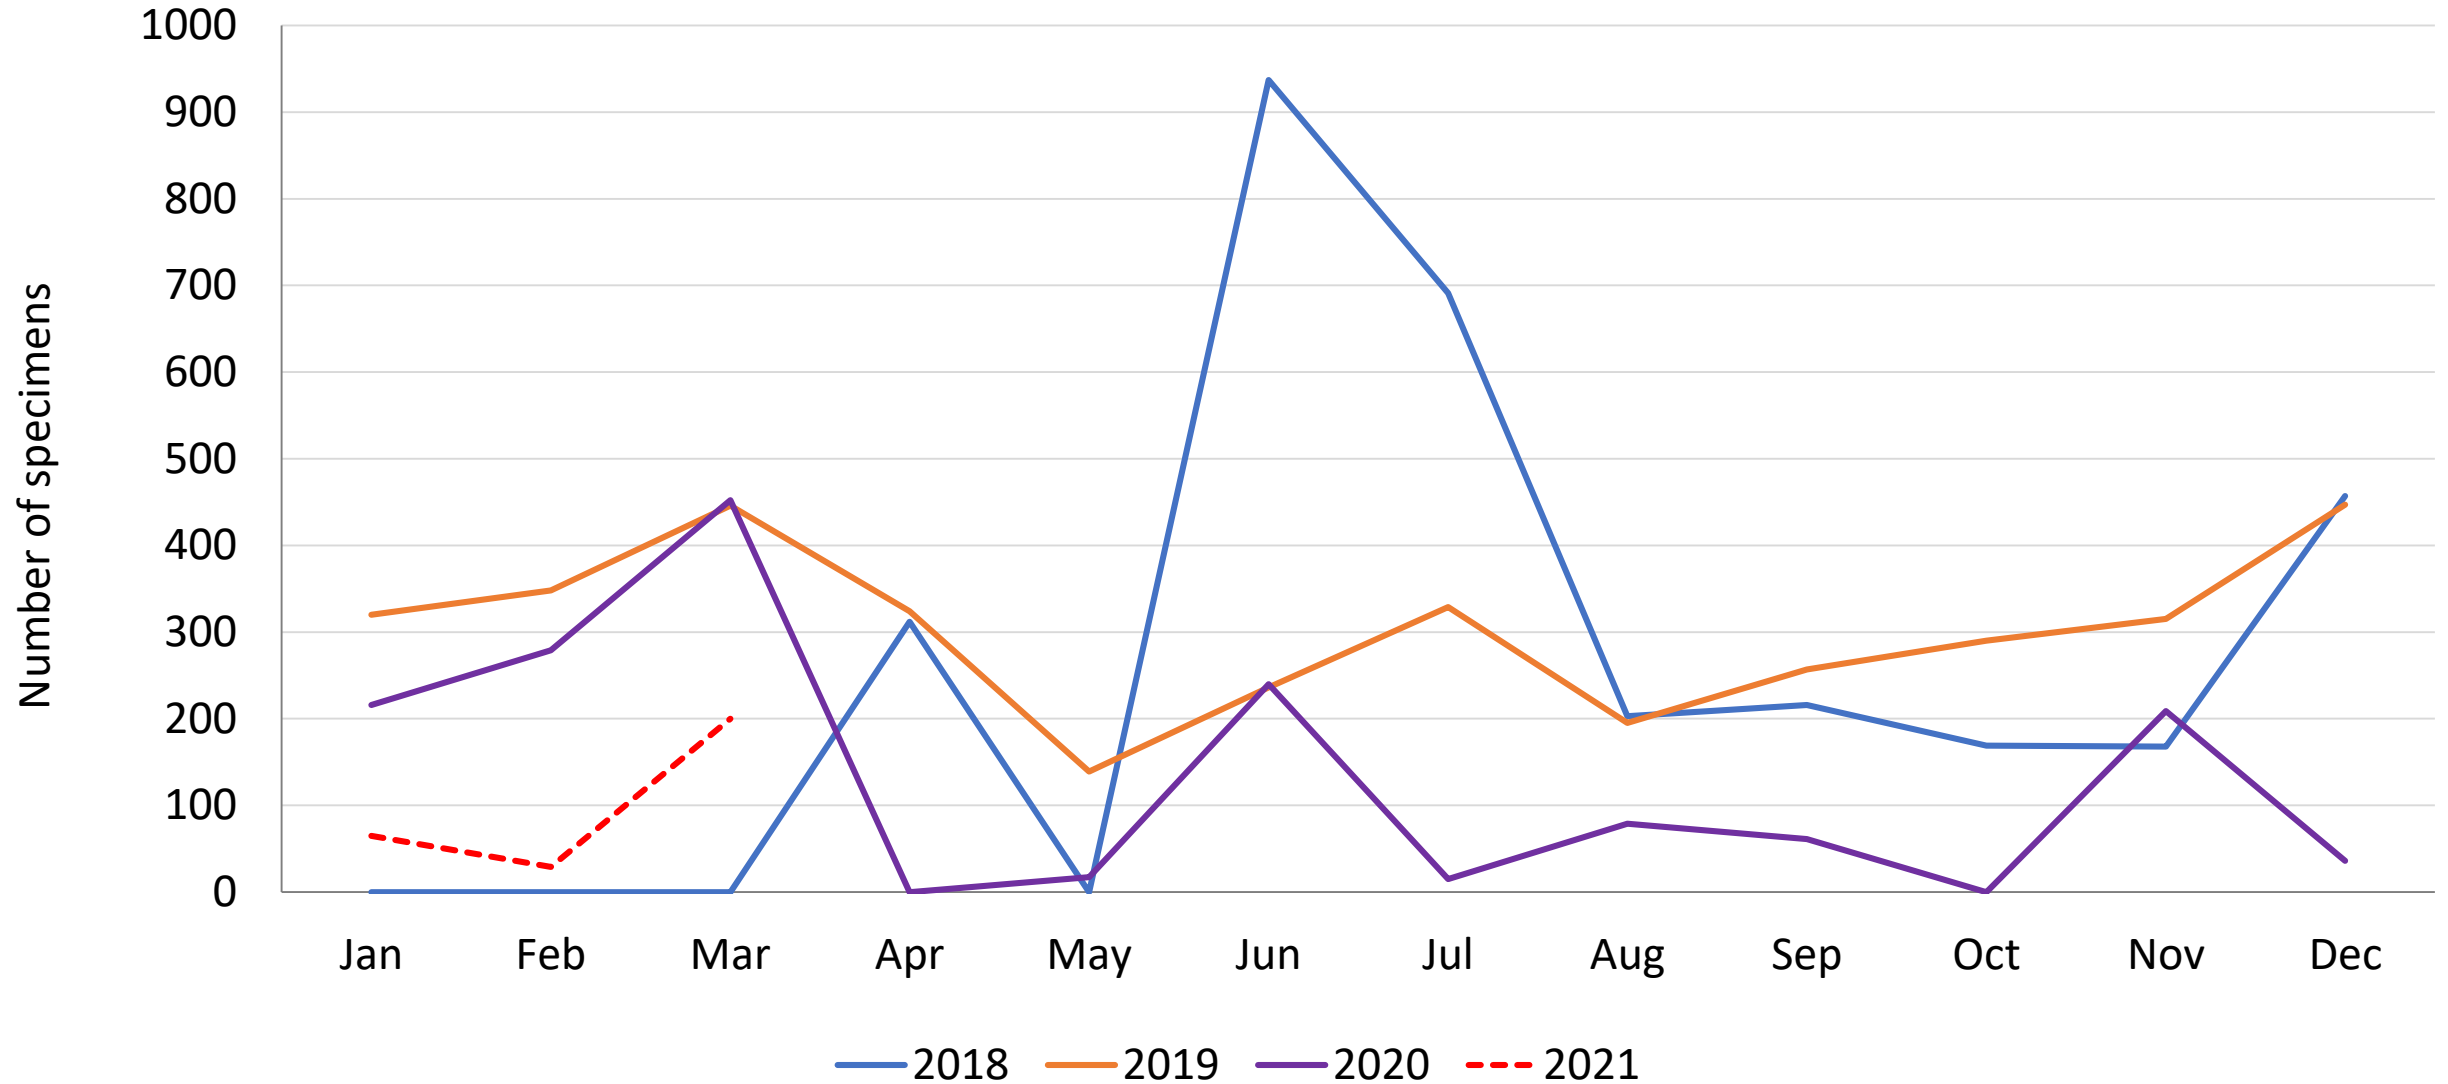

Number of influenza-like illness (ILI) cases, Nepal, 2019-2021*

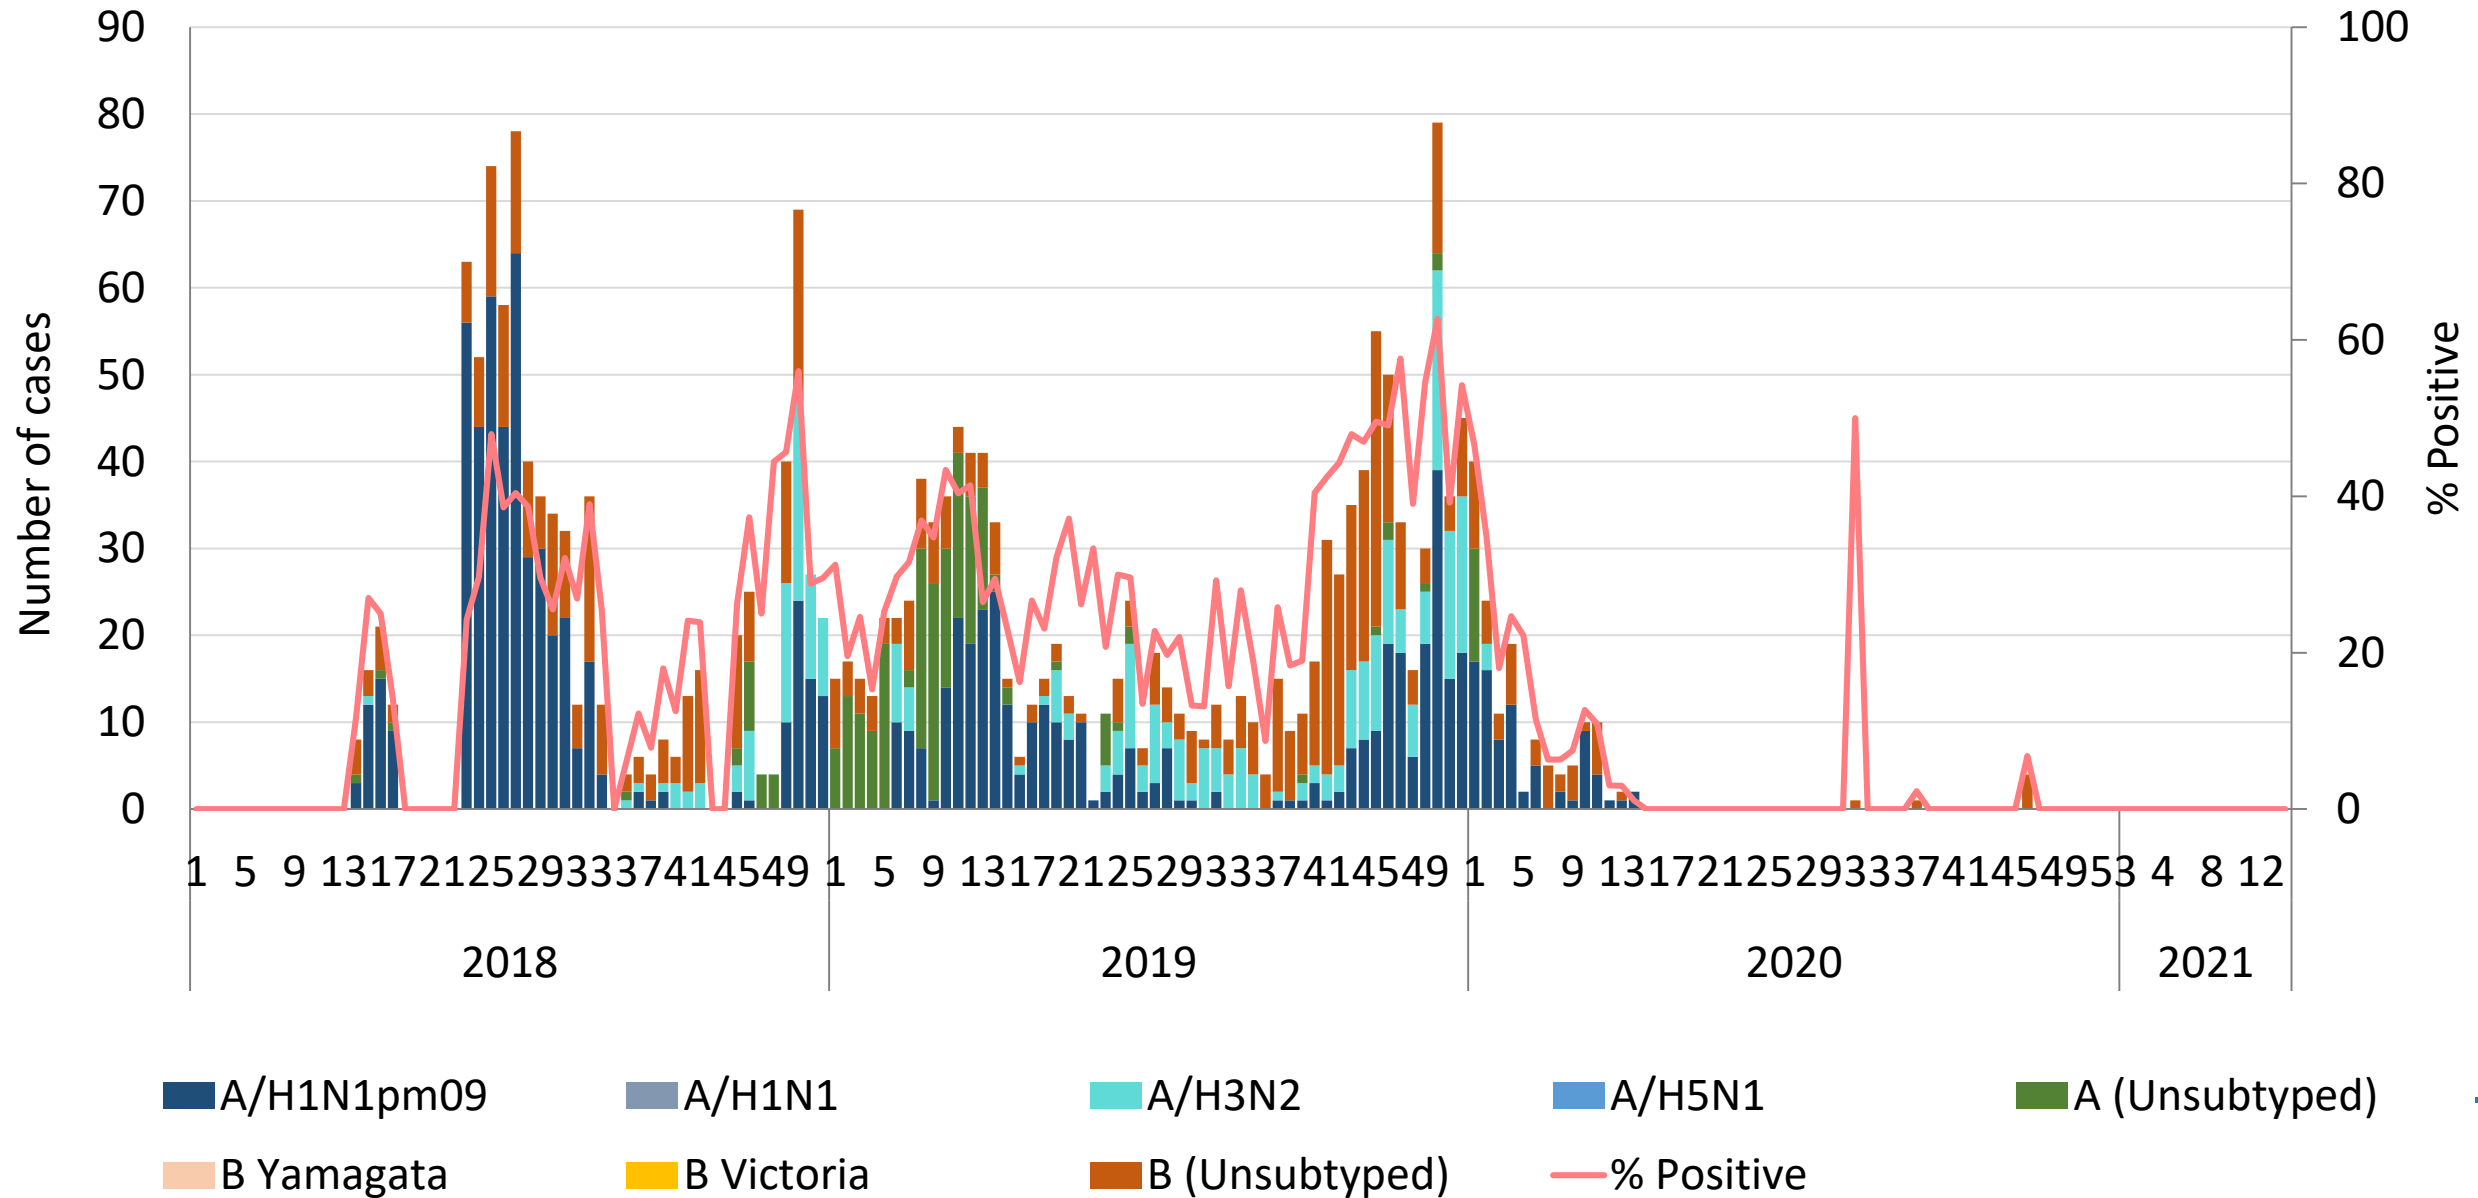

Number of severe acute respiratory infection (SARI) cases, Nepal 2019-2021*

Number of specimens processed for influenza by month and year Sri Lanka, 2018-2021*

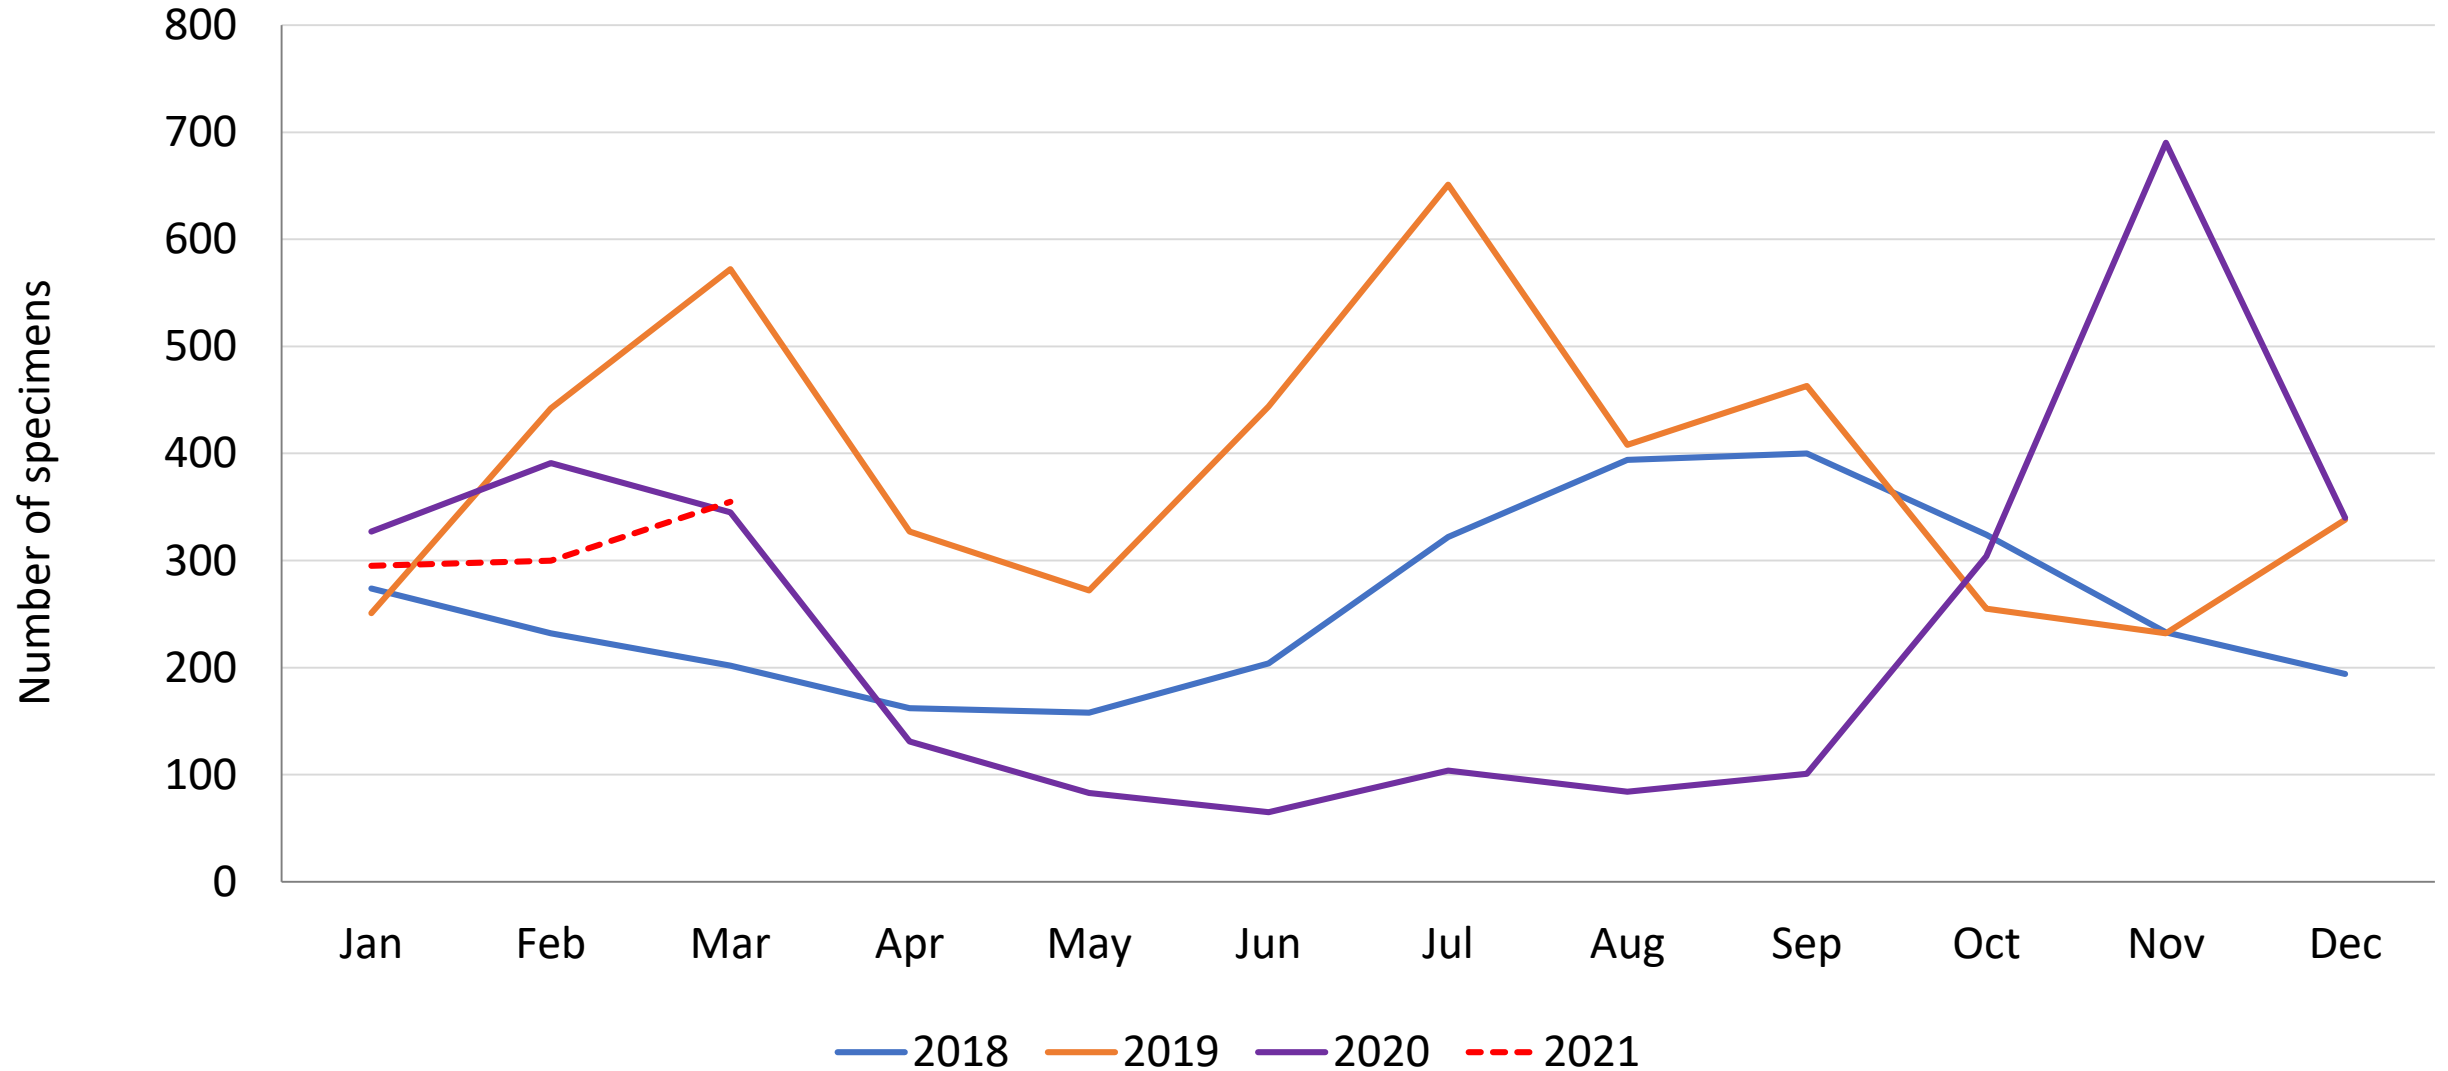

Number of specimens positive for influenza by subtype and % positive Sri Lanka, 2018-2021*

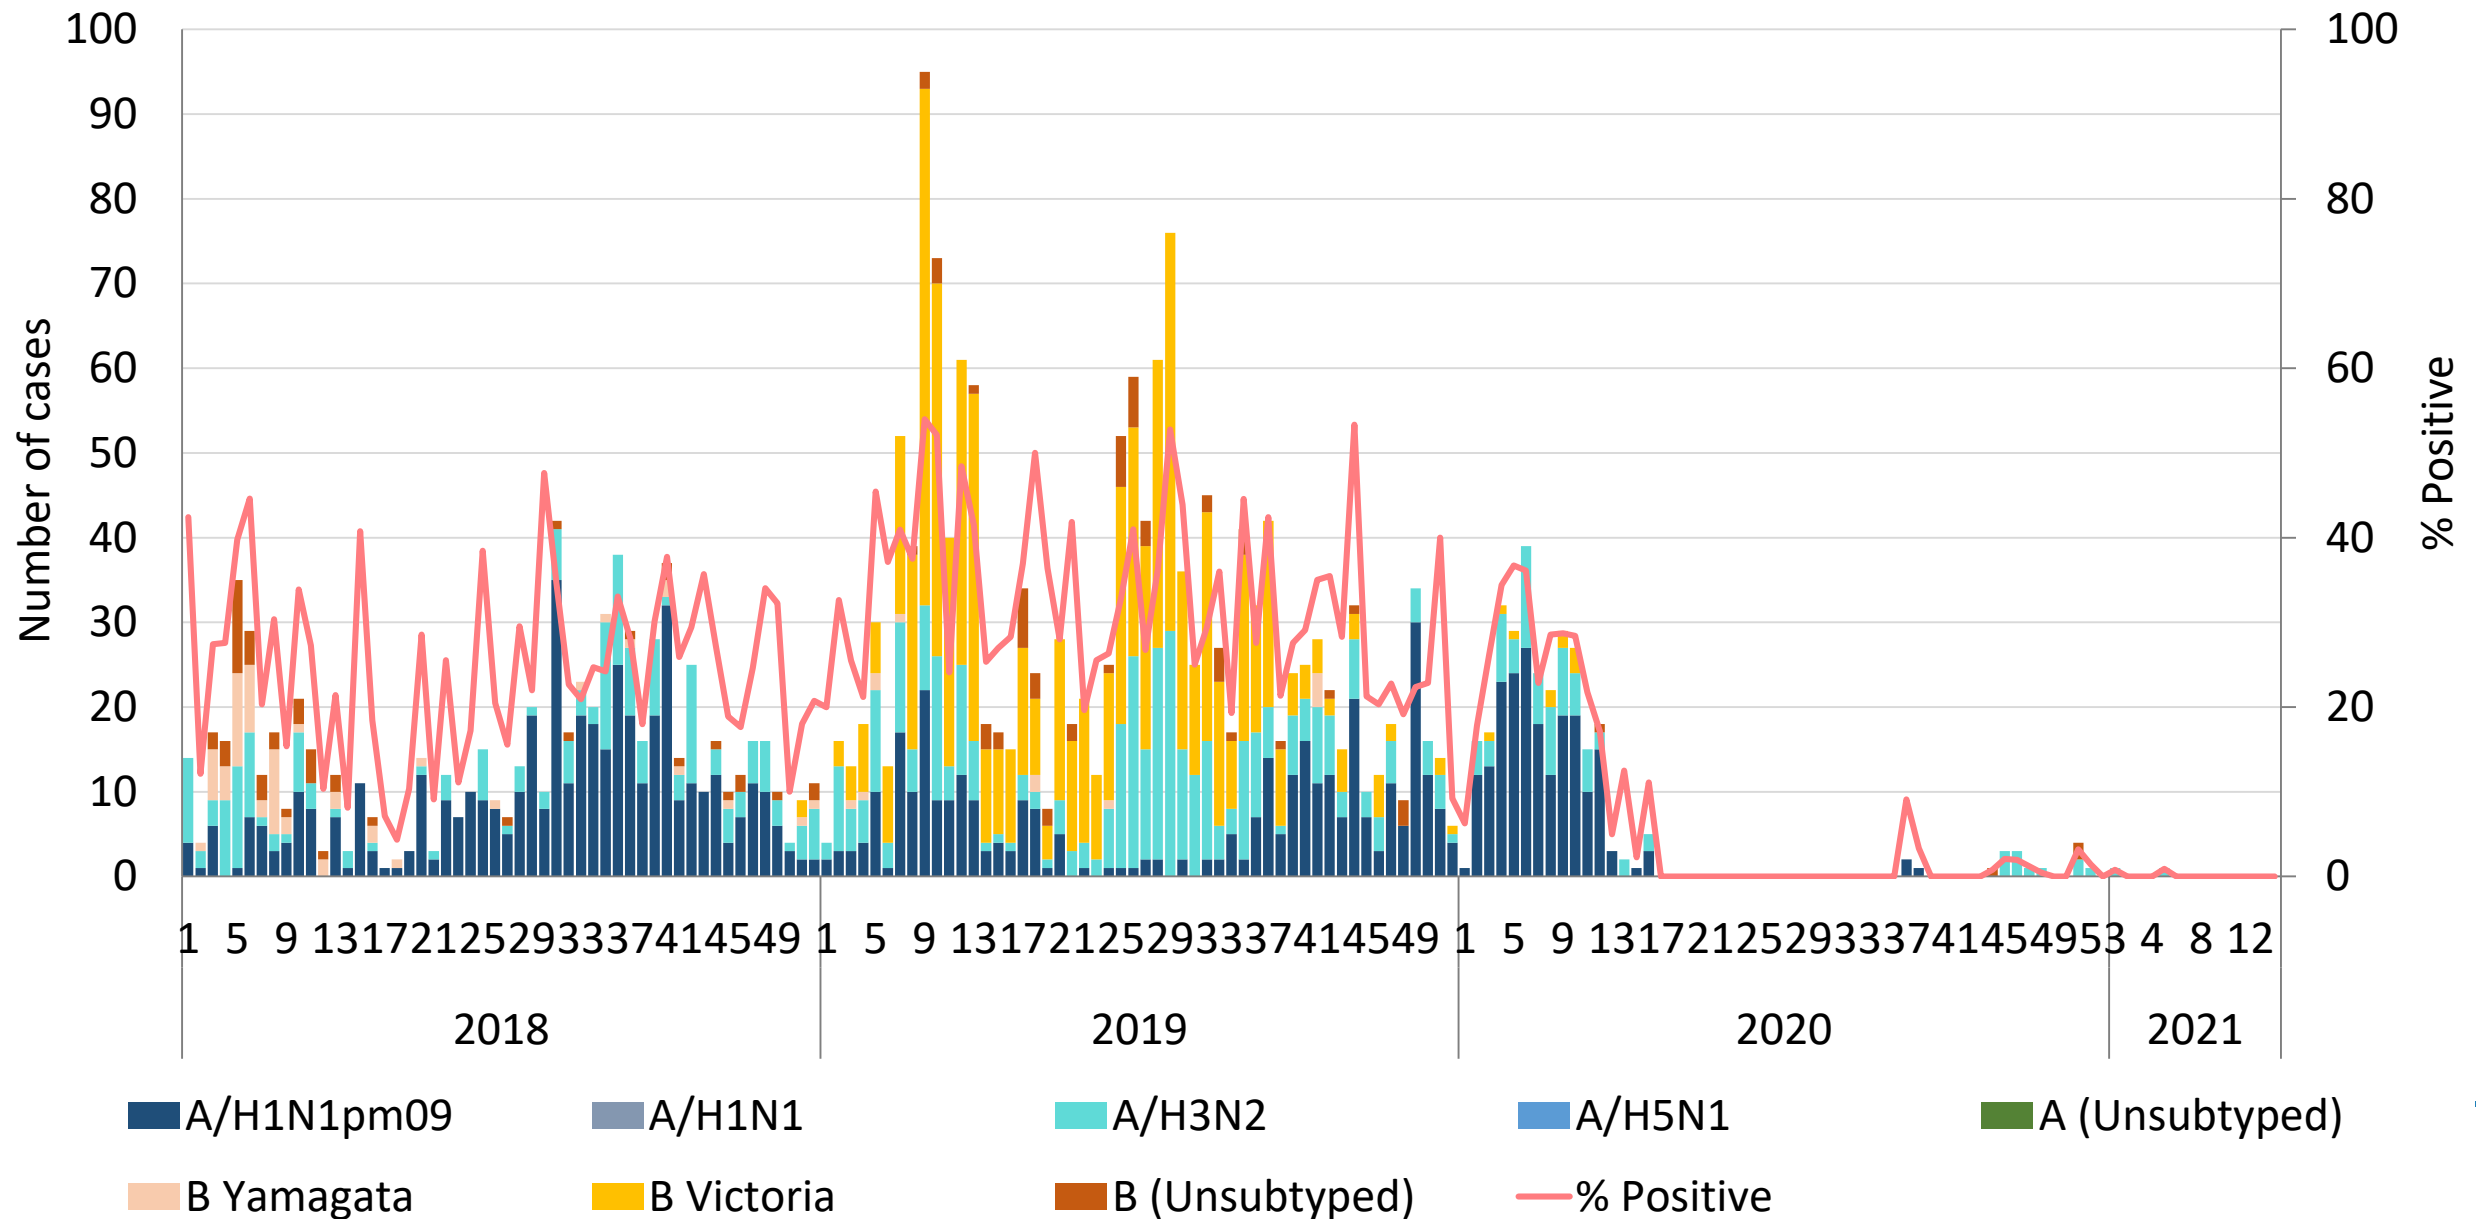

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Thailand, 2018-2021*

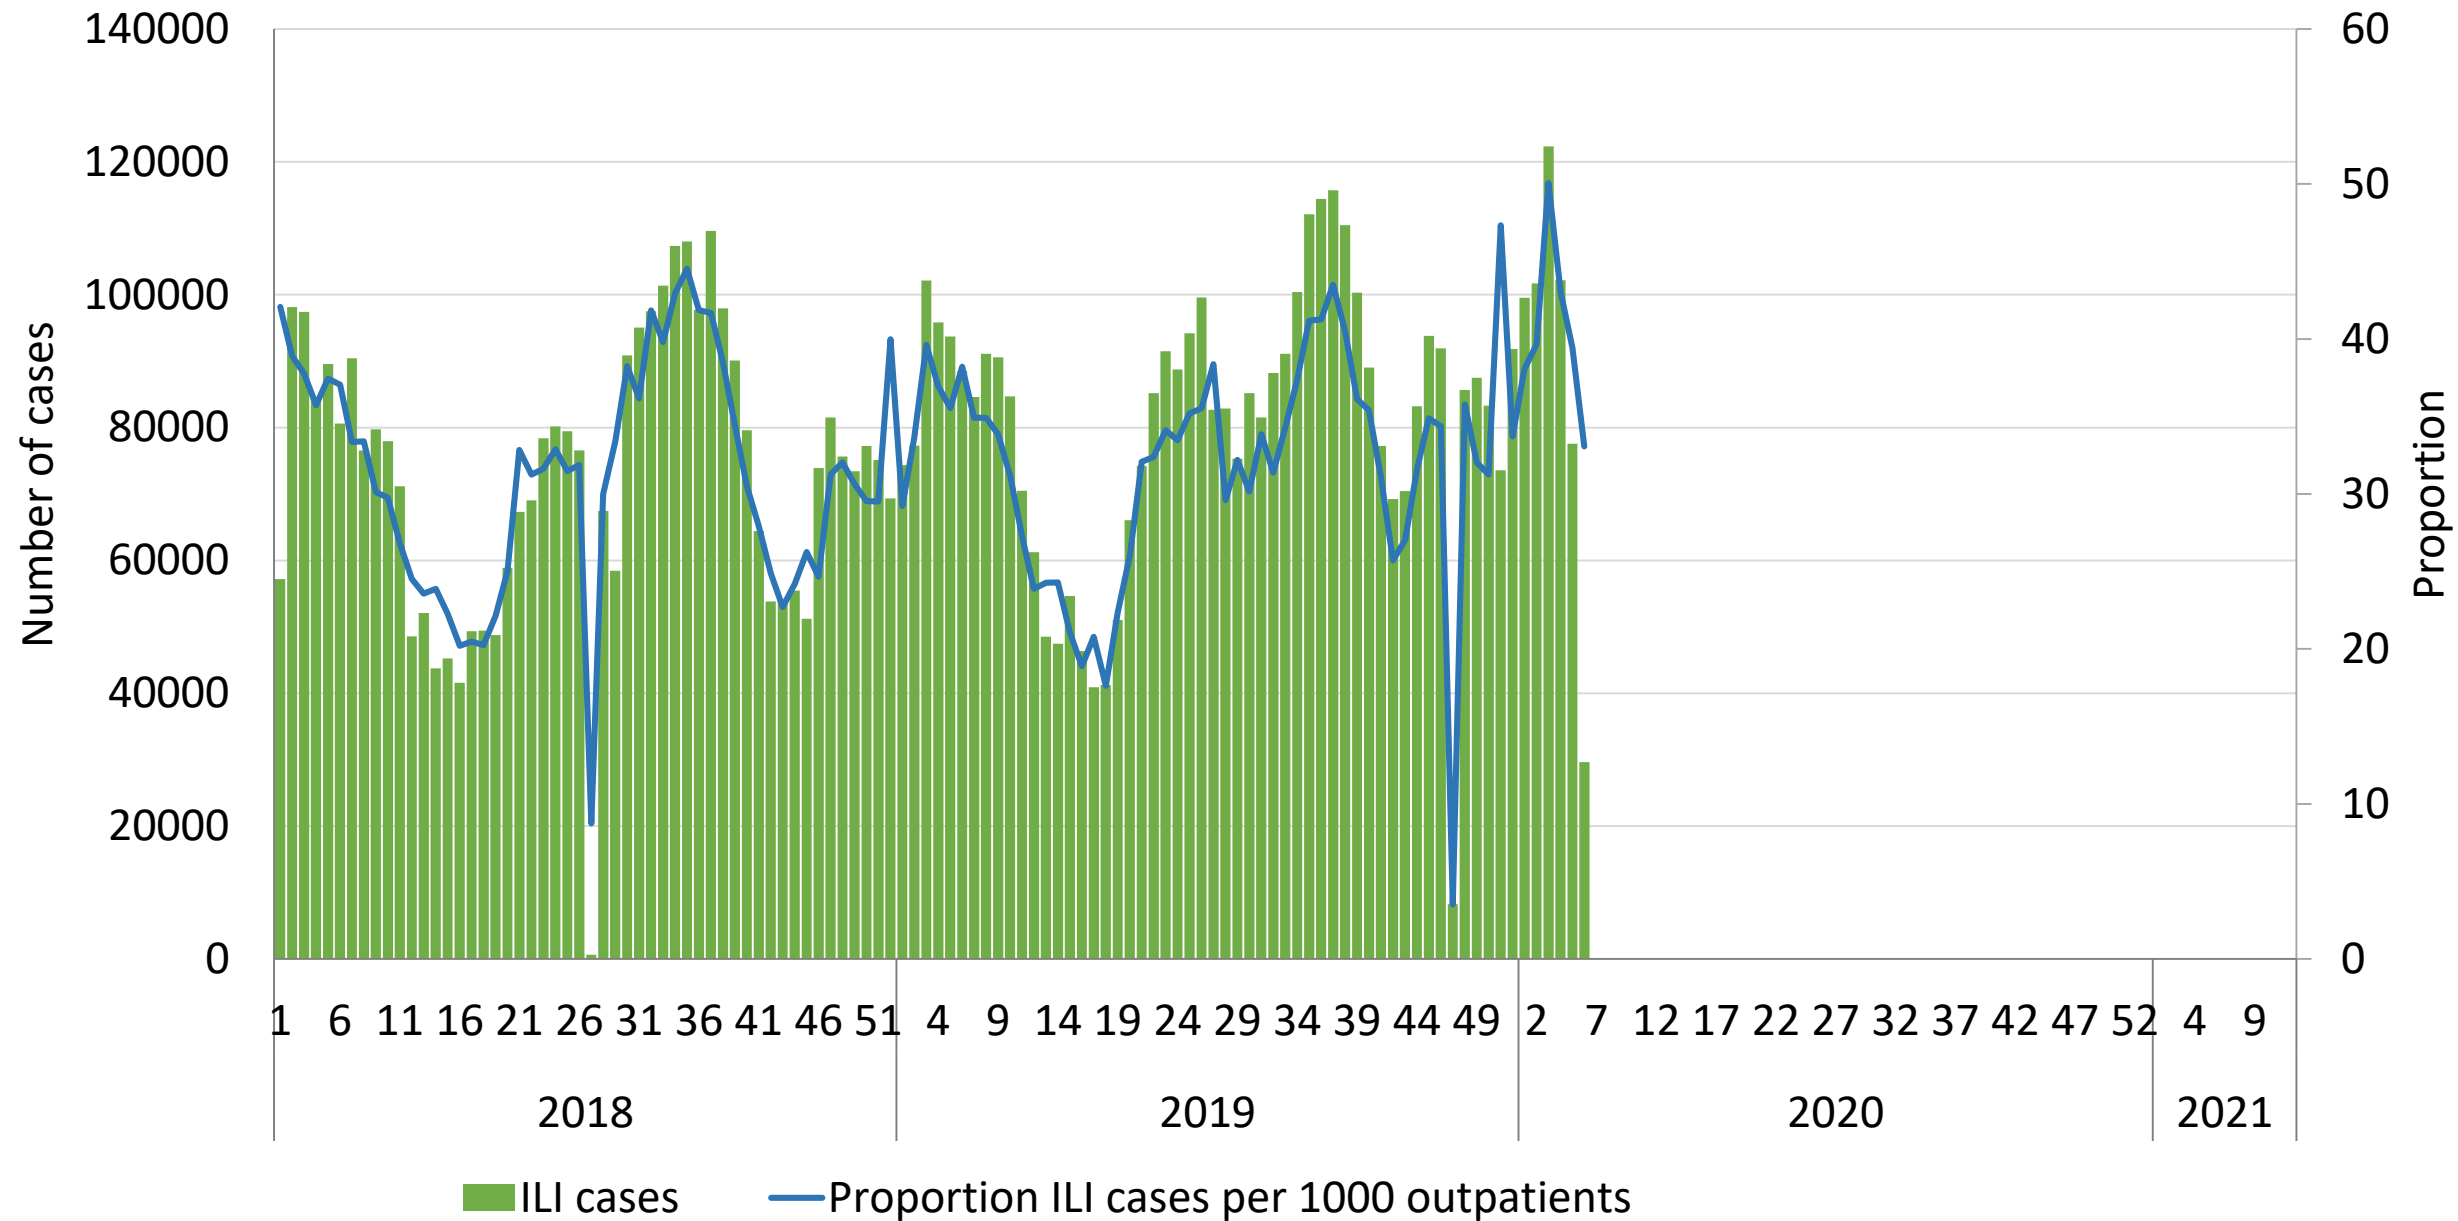

Number of specimens positive for influenza by subtype and % positive Thailand, 2018-2021*

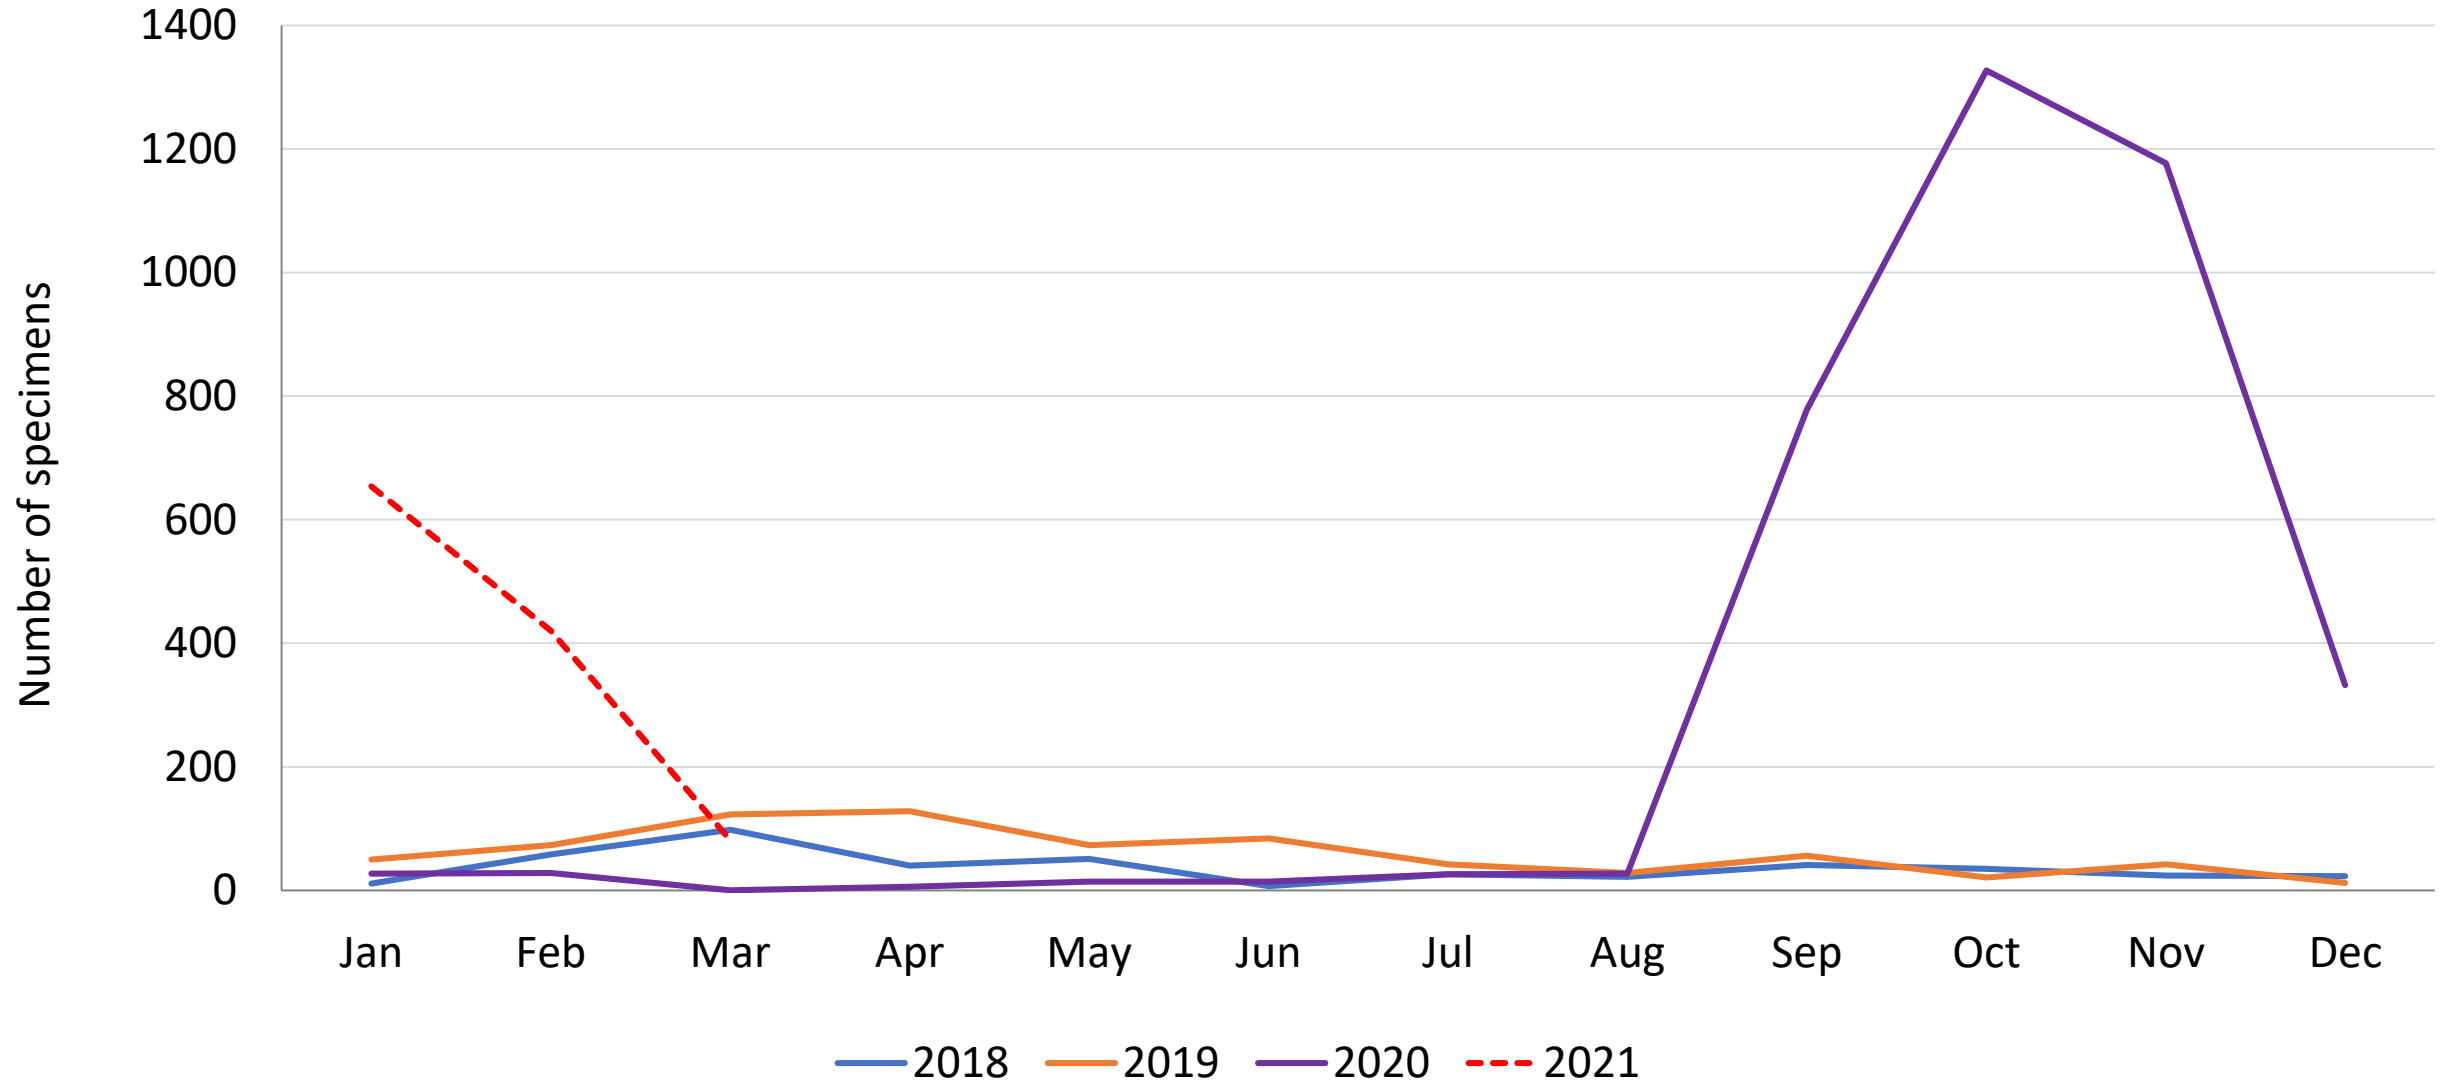

*Data source: FluMart, GISRS as of 15 March 2021

Number of influenza-like illness (ILI) cases and proportion of ILI cases per 1,000 outpatients Thailand, 2018-2021*

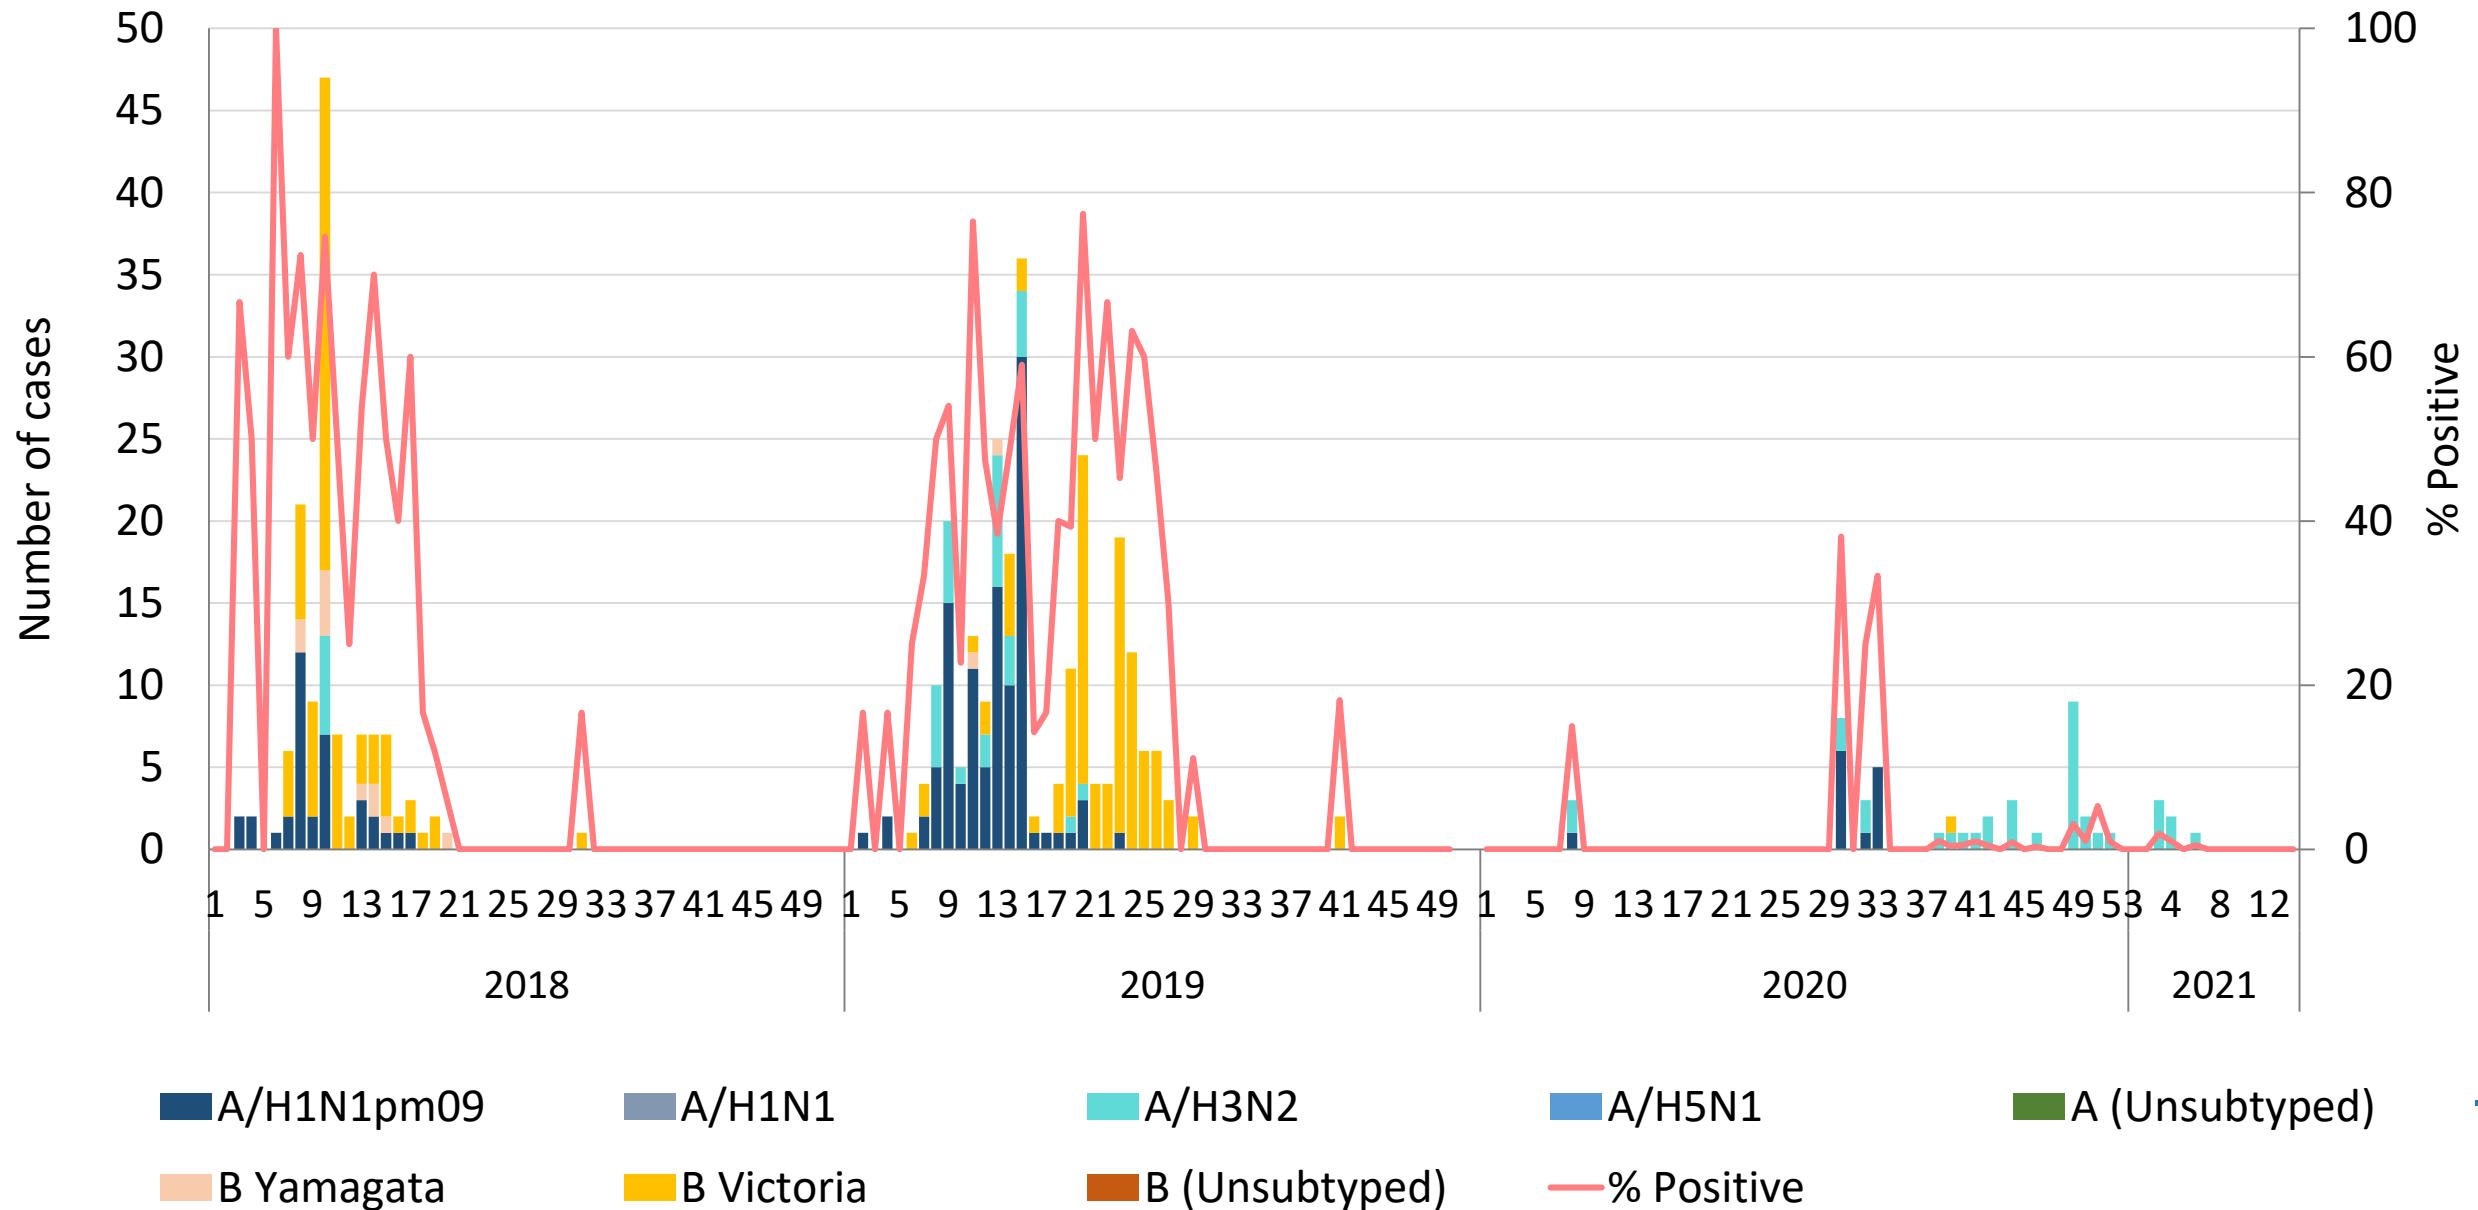

*Data source: FluMart, GISRS as of 15 March 2021

Number of specimens processed for influenza by month and year Timor-Leste, 2018-2021*

Number of specimens positive for influenza by subtype and % positive Timor-Leste, 2018-2021*

*Data source: FluMart, GISRS as of 15 March 2021
