

## Note for the Record. 19.06.24 WHO Faith network for emergencies. June call.

### Agenda:

1. Presentation on H5N1 by Dr. Joshua A. Mott.
2. Q & A and discussion.

The meeting was opened by Sarah Hess, and new colleagues joining for the first time were invited to introduce themselves.

Sarah introduced Dr. Joshua Mott, Senior Technical Adviser supporting H5N1 preparedness work at WHO, to provide a briefing on the current global monitoring and preparation work.

Colleagues are referred to the relevant pages of the WHO website on Influenza A(H5N1) for the most up to date information.
