World Patient Safety Day 2020

“One world: Global solidarity for health worker safety and patient safety”

Join us on World Patient Safety Day Global Virtual Event

Thursday, 17 September 2020

14:00 – 17:30 CEST

Registration: [Click here](#)

The virtual event brings together global stakeholders and partners demonstrating different areas of work that contribute to health worker safety.

This event will introduce initiatives from global stakeholders and partners sharing experiences, stories and testimonies from health workers and patients, also emphasizing the interdependence of health worker safety and patient safety.
