Section 1: Cover Letter

Dear Proposers,

The World Health Organization, hereinafter referred to as WHO, hereby invites prospective Proposers to submit a proposal in accordance with the General Conditions of Contract and the Terms of Reference as set out in this Request for Proposal (RFP).

To enable you to submit a proposal, please read the following attached documents carefully.

Contents:

Section 1: Cover Letter.....	2
Section 2: General Instructions to Proposers	3
Section 3: Specific Information to this RFP.....	8
Section 4: Evaluation Criteria.....	10
Section 5: Terms of Reference -Services	14
Section 6: General Conditions of Contract.....	23
Section 7: Returnable Forms	24
Annex A: Letter of Intent	25
Annex B: Confidentiality Undertaking.....	26
Annex C: Proposal Completeness Form.....	27
Annex D: Proposer Information.....	28
Annex E: Financial Proposal Form.....	30
Annex F: Self Declaration Form	31
Annex G: Joint Venture/Consortium /Association Information	32

If you are interested in submitting a proposal in response to this RFP:

1. Please acknowledge receipt of this RFP by completing and returning the Letter of Intent in Annex A, indicating your intention to submit a proposal or not, no later than Tuesday, October 13, 2026
2. Please submit any requests for clarification no later than Sunday, October 11, 2026
3. Please prepare your proposal in accordance with the requirements and procedures outlined in this RFP and submit it no later than Tuesday, October 13, 2026

All WHO vendors are required to comply with the [United Nations Supplier Code of Conduct](#). We encourage all Proposers to join the [United Nations Global Compact](#) and [support the Women's Empowerment Principles](#) (WEP).

We look forward to receiving your competitive proposals.

Section 2: General Instructions to Proposers

GENERAL	
1. About WHO	The World Health Organization (WHO) was established in 1948 as a specialized agency of the United Nations. The objective of WHO (www.who.int) is the attainment by all peoples of the highest possible level of health. "Health", as defined in the WHO Constitution, is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity. WHO's main function is to act as the directing and coordinating authority on international health work.
2. Scope	Proposers are invited to submit a proposal in line with the Terms of Reference (Section 5) and the requirements of this RFP, including any written amendments. A summary of the scope is provided in Section 3: Specific information to this RFP.
3. Interpretation of the RFP	This RFP is conducted in accordance with Policies and Procedures of WHO, a summary of which is accessible at WHO's website: WHO Procurement: principles and processes . Any proposal submitted will be regarded as an offer by the proposer and does not constitute or imply the acceptance of the proposal by WHO. WHO is under no obligation to award a Contract to any proposer as a result of this RFP.
4. Eligible Proposers	Proposers shall have the legal capacity to enter into a binding contract with WHO. All WHO suppliers must abide to the UN Supplier Code of Conduct, which is available at the following link: UN Supplier Code of Conduct. Proposers must submit a signed Annex F: Self-Declaration form included in this RFP. Proposers will be excluded if: • They are bankrupt, undergoing court administration, have suspended business, are under creditor arrangements, or in similar situations under national law. • They or individuals with decision-making power have been found guilty of fraud, corruption, involvement in criminal organizations, money laundering, terrorism-related offenses, child labor, or human trafficking. • They or such individuals have been found guilty of financial irregularities. • They misrepresent or fail to provide required information under this RFP or during evaluation. • They have a conflict of interest, as determined solely by WHO. This includes associations with firms involved in preparing specifications for this procurement or any other conflicting situation. • They appear on sanction or ineligibility lists, including the UN Security Council, UN Ineligibility List, World Bank's non-responsible vendors list, or World Bank ineligible firms and individuals list. WHO may also exclude proposers for other reasons, at its discretion.
SOLICITATION DOCUMENTS	
5. Clarification of solicitation documents	Proposers may request clarifications on any of the RFP documents no later than the date and time indicated in Section 3: Specific Information to this RFP. Any request for clarification must be sent in writing in the manner indicated in Section 3: Specific Information to this RFP. Explanations or interpretations provided by personnel other than the named contact person will not be considered binding or official. WHO will provide the responses to clarifications through the method specified in Section 3: Specific Information to this RFP. No individual presentations or meetings with Proposers will be allowed before the proposal submission deadline. From the issuance of this RFP until final selection, contact with WHO officials is not permitted, except through formal queries as outlined, or if WHO initiates a presentation or meeting as per the RFP terms.
6. Amendment of solicitation documents	WHO may, at any time before the closing date for submission of proposals, for any reason, whether on its own initiative or in response to a clarification requested by a (prospective) proposer, modify the RFP by written amendment. Amendments will be made available to all prospective Proposers. If the amendment is substantial or for other reasons, WHO may extend the Deadline for submission of proposals.
PREPARATION OF PROPOSALS	
7. Cost of preparation of the proposal	The proposer shall bear all costs related to the preparation and/or submission of the proposal, regardless of whether its proposal is selected or not. WHO shall not be responsible or liable for those costs, regardless of the conduct or outcome of the procurement process.

8. Language	The proposal, as well as any and all related correspondence exchanged by the proposer and WHO, shall be written in the language(s) specified in Section 3: Specific Information to this RFP.
9. Documents comprising the bidders' proposal	The proposal shall comprise of the forms requested in Section 7: Returnable forms as well as any associated documentation requested in the RFP
10. Technical proposal format and content	The proposer must submit a technical proposal addressing all requirements in Section 4 Evaluation Criteria attaching the forms provided in Section 7 Returnable Forms and responding to RFP requirement as described in Section 5 Terms of Reference. The technical proposal shall not include any price or financial information. A technical proposal containing material financial information may be declared non-responsive.
11. Financial proposal	The financial proposal shall be prepared using the form provided in Section 7 and taking into consideration the requirements in the RFP. The proposal shall list all major cost components associated with the services, and the detailed breakdown of such costs. Any output and activities described in the technical proposal but not priced in the financial proposal, shall be assumed to be included in the prices of other activities or items as well as in the final total price. Prices and other financial information must not be disclosed in any other place except in the financial proposal.
12. Prices, Duties and taxes	WHO is entitled to tax exemption by reason of the Privileges and Immunities it enjoys, subject to the conditions included in the WHO General Terms and Conditions in Section 6. During bidding, vendors must submit prices excluding taxes. However, in jurisdictions / countries where VAT is mandatory, as evidenced by the vendor, the selected vendor will include VAT on invoices to WHO. Procurement Team in the Country Office will handle tax exemption recommendation with the relevant authorities in accordance with applicable tax laws and procedures in Indonesia. Any quantity or other discounts (e.g.: volume discounts) shall be clearly indicated. Prices quoted by the Proposer shall be fixed during the bidder's performance of the contract. Any adjustment or revision to the prices shall only be made effective upon agreement based on written amendment signed by both parties.
13. Currencies	Prices may be quoted in US Dollar, or any currency of the bidder's choice, unless otherwise stipulated in Section 3 Information Specific to the RFP. However, for the purposes of comparison of all offers, WHO will convert the currency quoted in the offers to USD, in accordance with the UN Operational Rate of Exchange on the closing date for bid submission specified in Section 3: Specific information about this RFP.
14. Proposal validity period	Proposals shall remain valid for the period specified in Section 3: Specific information about this RFP commencing on the deadline for submission of proposals. A proposal valid for a shorter period may be rejected by WHO and rendered non-responsive. During the proposal validity period, the proposer shall maintain its original proposal without any change, including the availability of the key personnel, the proposed rates and the total price. In exceptional circumstances, prior to the expiration of the proposal validity period, WHO may request Proposers to extend the period of validity of their proposals.
15. Joint Venture, Consortium or Association	Two or more entities may form a joint venture or consortium and submit a joint proposal offering to jointly provide the services described in the proposal. Such a proposal must be submitted in the name of one member of the consortium hereinafter the "lead organization". The lead organization will be responsible for undertaking all negotiations and discussions with, and be the main point of contact for, WHO. The lead organization and each member of the consortium will be jointly and severally responsible for the proper performance of the contract
16. Only one proposal	Each proposer, including individual members of any Joint Venture, may submit only one proposal—either independently or as part of a Joint Venture. Proposals will be rejected if any of the following apply:

	• They share at least one controlling partner, director, or shareholder. • One has received a direct or indirect subsidy from another. • They have the same legal representative for this RFP. • They are related in a way that gives access to or influence over another's proposal. • They are subcontractors to each other, or a subcontractor also submits a separate proposal as a lead proposer. • Key personnel are proposed in more than one team (this does not apply to subcontractors appearing in multiple proposals).
17. Alternative proposals	Unless otherwise specified in Section 3: Specific information to this RFP, alternative proposals shall not be considered. If submission of alternative proposal is allowed in Section 3: Specific information about this RFP, a proposer may submit an alternative proposal but only if it also submits a proposal conforming to the RFP requirements. Where the conditions for its acceptance are met, or justifications are clearly established, WHO reserves the right to award a contract based on an alternative bid.
18. Pre-proposal conference	When appropriate, a pre-proposal conference will be held at the date, time, and location specified in Section 3: Specific information to this RFP. If marked as mandatory, non-attendance will result in ineligibility to submit a proposal. If not mandatory, non-attendance will not lead to disqualification.
19. Site inspection	If specified in Section 3: Specific information to this RFP, a site inspection will be held at the indicated date, time, and location, following the given instructions. If marked as mandatory, failure to attend will render a proposer ineligible. If not mandatory, non-attendance will not lead to disqualification. Proposers are responsible for their own visa arrangements. The site inspection is for background information only, and any information provided is not binding unless confirmed by WHO in writing.
SUBMISSION AND OPENING OF PROPOSALS	
20. Instruction for proposal submission	The proposer shall submit a complete proposal in the format and with the documents required in Section 3: Specific information to this RFP, using the delivery method specified therein. Submission of a proposal implies that the proposer has accessed, read, understood, and agrees to comply with WHO's General and Contractual Conditions in Section 6.
21. Deadline for proposal submission	Complete proposals must be received by WHO in the manner, and no later than the date and time, specified in Section 3: Specific information to this RFP. In case of any doubt regarding the time zone, Proposers should refer to Section 3: Specific information to this RFP. It is the sole responsibility of Proposers to ensure their proposal is received by the stated deadline. Late submissions will not be possible or accepted. Proposers are strongly advised to take all necessary steps to ensure timely submission. WHO accepts no responsibility for proposals that are delayed due to technical issues and will consider only the actual date and time of receipt. WHO may, at its discretion, extend the proposal submission deadline by amending the solicitation documents in accordance with Clause 6 (Amendment of solicitation documents) of Section 2. In such cases, the new deadline will apply to all Proposers.
22. Withdrawal, substitution and modification of proposals	The proposer may withdraw its proposal any time after the proposal's submission and before the tender closing date of the proposals, provided a written and signed notice of the withdrawal is received by WHO prior to the closing date for the submission of proposals. No Proposal may be withdrawn in the interval between the closing date for submission of proposals and the expiration of the proposal validity period.
23. Proposal opening	Proposals will be opened after the deadline for proposal submission by the bid opening committee There will be separate proposal openings for technical and financial proposals. The opening panel will open only the financial proposals of suppliers who meet the minimum criteria of the technical evaluation.
EVALUATION OF PROPOSALS	
24. Evaluation of proposals	WHO shall evaluate a proposal using only the methodologies and criteria defined in this RFP. No other criteria or methodology shall be permitted.

	WHO shall conduct the evaluation solely on the basis of the submitted technical and financial proposals. Evaluation of proposals shall be undertaken in the following steps: (i) preliminary examination. (ii) evaluation of minimum eligibility and qualification (if pre-selection is not done) / mandatory requirements (iii) evaluation of technical proposals on weighted scoring; and (iv) evaluation of financial proposals.
25. Preliminary examination	WHO shall examine the proposals to determine whether they are complete with respect to minimum documentary requirements, whether the documents have been properly signed, and whether the proposals are generally in order, among other indicators that may be used at this stage. WHO reserves the right to reject any proposal at this stage. Technical proposals found to contain financial proposal or pricing information will be rejected.
26. Evaluation of eligibility and qualification	Eligibility and qualification of the proposer will be evaluated against the minimum eligibility and qualification requirements specified in Section 4: Evaluation Criteria and in Clause 4 (Eligible Proposers) in Section 2.
27. Evaluation of technical and financial proposals	After the preliminary evaluation, the panel will assess technical proposals based on their responsiveness to the Terms of Reference and other RFP documents, using the evaluation criteria, sub-criteria, and point system in Section 4: Evaluation Criteria. Proposals that do not meet the minimum technical score will be considered non-responsive. Only the financial proposals of technically qualified Proposers will be opened and evaluated in the second stage. If required, WHO may invite technically responsive Proposers for a presentation, with conditions provided in the RFP. Presentations may be held at WHO offices or via tele/videoconference. The applicable evaluation method is indicated in Section 3: Specific information about this RFP, typically the combined scoring method based on both technical and financial scores.
28. Clarification of proposals	WHO may request clarifications or additional information in writing from Proposers at any stage of the evaluation. Responses must not alter the substance or price of the proposal, except to confirm corrections of any arithmetical errors identified by WHO, as outlined in the General Instructions to Proposers.
29. Nonconformities, reparable errors and omissions	Provided that a proposal is substantially responsive, WHO may request the proposer to submit the necessary information or documentation within a reasonable period in order to rectify nonmaterial nonconformities or omissions in the proposal related to documentation requirements. Such omission shall not be related to any aspect of the price of the proposal. Failure of the proposer to comply with the request may result in the rejection of its proposal. For financial proposals that have been opened, WHO shall check, and correct arithmetical errors as follows: a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of WHO there is an obvious misplacement of the decimal point in the unit price; in which case, the line item total as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail, and the total shall be corrected; and c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetical error, in which case the amount in figures shall prevail. If the proposer does not accept the correction of errors, its proposal shall be rejected, and its proposal security may be forfeited.
AWARD OF CONTRACT	
30. Award criteria, award of Contract	Before the expiration of proposal validity, WHO will award the Contract to the qualified proposer based on the criteria set out in the tender document.

	WHO reserves the right to: a) award the Contract to any proposer, even if not the lowest. b) award separate contracts for different parts, components, or items to one or more proposers, even if not the lowest. c) accept or reject any proposal or cancel the entire solicitation process at any time before award, without liability or obligation to inform proposers of the reasons. d) award the Contract based on WHO's specific objectives to the proposer whose offer best meets the Organization's needs. e) decide not to award any contract.
31. Right to vary requirements at time of award	At the time the Contract is awarded, WHO reserves the right to revise the scope of the work or to increase or decrease the quantity of services originally specified in Section 5: Terms of Reference / Schedule of requirements, and without any change in the unit prices or other terms and conditions of the proposal and the solicitation document.
32. Notification of award	Prior to the expiration of the period of proposal validity, WHO will notify the successful proposer in writing via email or via a notification from e-tendering system. After signing the contract with successful vendor, the unsuccessful vendors will be sent a regret notification.
33. Payment terms	Full payment of 100% is due within 30 days following receipt and acceptance of services, upon receipt of the invoice.
34. Debriefing	WHO does not routinely offer debriefings to unsuccessful bidders. However, for tenders over \$300,000 or complex tenders, WHO may provide a debriefing upon written request. The request must be submitted within 30 calendar days of receiving the notification of non-award. The debriefing aims to highlight the strengths and weaknesses of the proposer's submission to help improve future proposals. It will not include discussion of other proposals or comparisons. Debriefings will be conducted only through in-person meetings, teleconference, or videoconference.
35. Proposal complaint	When a supplier believes that WHO did not follow its own procurement rules, the supplier may choose to raise a formal complaint. The Procurement Complaint Mechanism is only available to suppliers who: • Participated in a competitive procurement process and were not awarded a contract; and • The value of the contract award is higher than US\$ 300,000. A formal complaint must be submitted in writing within one month of the notification of the outcome of the competitive bidding process, to the following email address: procurementcomplaint@who.int and must include the minimum information detailed on the WHO website (WHO Procurement: frequently asked questions).
36. Publication of Contract award	WHO publishes on its contract awards webpage the list of contracts for acquired goods and services of a value of USD 25 000 or more. This information is published with due observance of the requirements of confidentiality and security. Further procurement data about WHO can be obtained through WHO's Procurement Report or at UNGM's Annual Statistical Report on UN Procurement ..
37. Performance Security	This is not mandatory; however, if specified in Section 3: Specific information to this RFP, the successful Proposer must provide a performance security in the stated amount and form within the specified timeframe after receiving the contract from WHO.

Section 3: Specific Information to this RFP

The following specific information shall complement, supplement or amend the provisions in [Section 2: General Instructions to Proposers](#). In case there is a conflict, the provisions herein shall prevail over those in [Section 2: General Instructions to Proposers](#).

Instructions to Bidders article	Specific Instructions / Requirements
Scope of RFP and Intention to Bid (Article 2)	The reference number of this Request for Proposal (RFP) is RFP 075-2026 The services include the Development of a Technical Guideline on Active Tuberculosis Drug-Safety Monitoring and Management in Tuberculosis Treatment as further described in Section 5 of this RFP. The purpose of this RFP is to establish Contract
Clarification of the RFP (Article 5)	a) Contact details for clarification of solicitation documents should be sent to WHO by: Email : address wpinobids@who.int with copy to wpinoprocurement@who.int b) Deadline for submitting requests for clarifications / questions: Date: 11 October 2026 Time 4:00 PM City and Country: Jakarta, Indonesia Responses to requests for clarification will be communicated in writing by WHO to all bidders via same medium as stated above.
Language of the RFP (Article 8)	Language of this proposal shall be in English
Currency of proposal (preferred) (Article 13)	Prices included in the proposal shall be preferably quoted in IDR currency
Proposal validity (Article 14)	180 days from the deadline for proposal submission.
Alternative proposals (Article 17)	Shall not be considered.
Pre-proposal conference (Article 18).	Will be held but not mandatory Pre-bid conference will be held in virtual mode on Monday 5 October 2026 at 09.00 hrs Jakarta time. Interested participant is required to register their details through : Pre-bid Meeting RFP 075-2026 – Fill in form The pre-bid meeting will be delivered in English/Indonesia
Site Inspection (Article 19)	A site inspection will not be held.
Instructions for submission of Proposals (Article 20)	Proposals are to be submitted via email to : wpinobids@who.int The submitted technical and financial proposal shall be in reference to the enclosed Terms of References and budget component. A technical and financial proposal should be submitted separately in 2 emails stating in the subject the following reference number: RFP 075-2026

Instructions to Bidders article	Specific Instructions / Requirements
	Submission of proposal can only be done electronically by email to: wpinobids@who.int (including any other email address in the submission will automatically disqualify the bid) ▪ All information and documentation related to the technical proposal (including the attached Annexes A, B, C, D, F and G shall be submitted to wpinobids@who.int stating in the email subject : “Technical Proposal – RFP 075-2026_Name of Institution/Company” ▪ All information and documentation related to the financial proposal including Annex E, shall be submitted to wpinobids@who.int stating in the email subject: “Financial Proposal - RFP 075-2026_Name of Institution/Company” <u>ATTENTION:</u> Proposals which do not comply with the selected method of submission may be rejected.
Deadline for proposal submission (Article 21)	Public proposal opening will not be held CLOSING DATE: 13 October 2026 CLOSING TIME: 04:00 PM
Evaluation of technical and financial proposals (Article 24)	Evaluation will be based on the combined scoring method using a distribution of 70% : 30% of Technical Proposal to Financial Proposal respectively. This means that Technical Proposal will take 70%. and Financial Proposal will take 30% To be technically compliant, Proposers must obtain a minimum threshold of 60 out of 100 points in the technical evaluation.
Performance Security (Article 37)	Not Required

Section 4: Evaluation Criteria

The evaluation criteria are divided into two.

- A- Technical Evaluation Criteria Weighting 70%
- B- Financial Evaluation Criteria Weighting 30%

A- TECHNICAL EVALUATION CRITERIA

The technical evaluation criteria will follow the below process

1. Preliminary examination.
2. Evaluation of minimum eligibility and qualification/mandatory requirements.
3. Technical Proposal Weighted Scoring.

1. Preliminary examination

WHO shall examine the proposals to determine whether they are complete with respect to minimum documentary requirements, whether the documents have been properly signed, and whether the proposals are generally in order, among other indicators that may be used at this stage. WHO reserves the right to reject any proposal at this stage. Technical proposals found to contain financial proposal or pricing information will be rejected

2. Minimum eligibility and qualifications (Mandatory Requirements)

The vendors proposals will be assessed on pass and fail methodology and failure in any of the criteria may exclude the vendor for consideration at next stage of weighted scoring. WHO deserves the right to seek clarification when a proposal contains unclear or ambiguous information that makes it difficult to evaluate the submission fairly against the published technical criteria.

Item	Minimum eligibility and qualifications (Mandatory Requirement)	Required supporting documents	Pass /Fail?
1.	<u>Corporate status of the company:</u> Proposer is a legally registered entity	Vendor to provide proof of registration or accreditation in form of incorporation certificate, trading licences by filling the form in Annex D	
2.	<u>Vendor Eligibility:</u> Vendor is not suspended, nor otherwise identified as ineligible, by any UN Organization, the World Bank Group or any other International Organization in accordance with Section 2: Clause 4.	Vendor to declare that its company is eligible by filling the form in Annex D	
3.	<u>Conflict of Interest:</u> The Proposer must have no conflict or perceived conflict of interest	Vendor to declare that he has no conflict / perceived conflict of interest by filling the form in Annex F	
4.	<u>Bankruptcy:</u> Proposer has not declared bankruptcy, is not involved in bankruptcy or receivership proceedings, and there is no judgement or pending legal action against the vendor that could impair its operations in the foreseeable future	Vendor to declare that he has no conflict / perceived conflict of interest by filling the form in Annex F	
5.	<u>Non-performing contracts and History of Litigation:</u> Vendor must declare that during the last 3 years, that its company has no non-performing contracts because of its company's default and that its company has no consistent history of court/arbitral award decisions against itself.	Vendor to declare that its company is eligible by filling the form in Annex D	

6.	Company / Experience- The proposer must have minimum 3 years of relevant experience in tuberculosis treatment, management of adverse event related with TB treatment, strengthening active drug safety management and monitoring, of development of technical guideline related to tuberculosis program (For Joint Venture/Consortium/Association, all Parties cumulatively should meet the requirement).	Company should provide a list of relevant projects demonstrating that required experience through completion of form D.	
7.	Past performance: The proposer must submit at least: a) List of 3 relevant/comparable contracts and b) at least one reference letter or certificates of satisfactory performance for related services.	Company / respondent should provide reference letter related to the current project, Fill form D for the list of relevant projects.	

N.B Failure in any of the above mandatory criteria will result in the vendors proposal not being considered for weighted Scoring.

3. Weighted Scoring Criteria

Vendors who pass the preliminary and minimum eligibility requirements will have their proposals evaluated using a weighted scoring system, depending on the quality and clarity of the submitted proposal. Each proposal will be assessed against the set criteria, and a weighted score will be calculated to determine the most technically and/or financially advantageous offer.

The number of points which can be obtained for each evaluation criterion is specified below and indicates the relative significance or weight of the item in the overall evaluation process. As indicated, these points or even the criteria can be changed depending on the RFP requirements

The scoring scale per criteria was defined as follows:

Criteria evaluated as:	Based on the following supporting evidence:	Corresponds to the % of maximum score
Excellent and fully detailed	Excellent evidence of ability to exceed requirements	100%
Substantially detailed	Good evidence of ability to exceed requirements	80%
Averagely detailed	Satisfactory evidence of ability to support requirements	50%
Marginally detailed	Marginally acceptable or weak evidence of ability to support requirements	20%
Very minimally detailed	Lack of evidence to demonstrate ability to comply with requirements	10%
No submission	Information has not been submitted or is unacceptable	0%

Weighted Criteria and maximum Score for each criteria is as follows.

Section 1. Institutional Capacity		Max Points
1.1	Demonstrated institutional experience in tuberculosis, pharmacovigilance, patient safety, adverse-event monitoring, development of technical guideline, or other related public health fields. Previous experience in aDSM will be considered and advantage	8
1.2	Experience in developing national technical guidelines, clinical protocols, standard operating procedures, algorithms, checklists, job aids, recording and reporting tools.	6
1.3	Experience working with the Ministry of Health, BPOM, professional associations, academic institutions, and/or international organizations in relevant technical areas.	6
Total Section 1		20
Section 2. Quality of Technical Proposal		
2.1	Proposed methodology comprehensively addresses all phases of the assignment, including desk review, development of annotated outline, technical drafting, stakeholder consultation, field and implementer review, consensus building, finalization, and dissemination of the Technical Guideline and Job Aid.	14

2.2	Demonstrated understanding of active Drug Safety Monitoring and Management (aDSM) in TB treatment, including adverse event detection, monitoring, management, causality assessment, pharmacovigilance principles, and integration across both DS-TB and DR-TB services.	10
2.3	Demonstrated understanding of Indonesia's TB programme, national pharmacovigilance system, and relevant regulatory framework, including the roles and coordination mechanisms among the Ministry of Health, Badan POM, National Pharmacovigilance Committee, subnational governments, and health facilities.	6
2.4	Proposed approach for facilitating technical consultations, expert discussions, drafting meetings, and consensus-building processes involving multiple stakeholders to ensure technical quality and policy alignment of the final products.	6
2.5	Proposed approach for obtaining and incorporating feedback from health service implementers, including assessment of clarity, feasibility, usability, and operational relevance of both the guideline and job aid.	5
2.6	Practicality, usability, and implementation readiness of the proposed Technical Guideline and Job Aid, including development of algorithms, checklists, monitoring schedules, reporting pathways, referral criteria, and other operational tools for healthcare workers.	4
2.7	Proposed workplan clearly outlines activities, milestones, deliverables, timeline, quality assurance mechanisms, and coordination arrangements required to complete the assignment within the proposed timeframe.	5
Total Section 2		50
Section 3. Key Personnel		Max Points
3.1	Relevant expertise and experience of the proposed team in: (i) TB clinical management including DS-TB and DR-TB; (ii) pharmacovigilance, adverse-event monitoring and causality assessment; (iii) development of national technical guidelines, SOPs, algorithms and job aids; and (iv) health program implementation, monitoring and evaluation, and recording and reporting systems, and/or related public health fields	12
3.2	The proposed team composition, structure, and roles are appropriate and aligned with the scope of work. The expected team composition: (i) Team Leader/ Guideline-development lead, (ii) TB clinical expert, (iii) Pharmacovigilance expert, (iv) Program implementation/M&E Expert	10
3.3	Adequacy of team availability, level of effort, internal coordination arrangements, and organizational resources to ensure timely delivery of high-quality outputs and effective engagement with national and sub-national stakeholders throughout the assignment.	8
Total Section 3		30
Grand Total		100

NOTE

- A minimum of 60% or 60 points is required to pass the technical evaluation. Non-technically compliant proposals will not be opened for financial evaluation
- Rating the Technical Proposal (TP):

$$\text{TP Rating} = (\text{Total Score Obtained by the Offer} / \text{Max. Obtainable Score for TP}) \times 100$$

B- FINANCIAL EVALUATION

Once the technical evaluation is finalized, all evaluation panel members will sign the technical evaluation report. Only financial proposals from bidders who meet the minimum technical score, as indicated above, will be opened and evaluated. Proposals that do not meet the minimum technical threshold will be rejected.

The formula for the rating of the proposals will be as follows:

Rating the Technical Proposal (TP):

TP Rating = (Total Score Obtained by the Offer / Max. Obtainable Score for TP) x 100

Rating the Financial Proposal (FP):

FP Rating = (Lowest Priced or Cost Offer / Price or Cost of the Offer Being Evaluated) x 100

Total Combined Score:

(TP Rating) x (Weight of TP 70%+ (FP Rating) x (Weight of FP i.e.30% = Total Combined and Final Rating of the Proposal.

Section 5: Terms of Reference -Services

5.1 Introduction

WHO is seeking a qualified, eligible, and competent institutional contractor or consortium to support the Ministry of Health in the development and finalization of the Technical Guideline for Active Drug Safety Monitoring and Management (aDSM) in Tuberculosis Treatment in Indonesia, covering both drug-susceptible TB (DS-TB) and drug-resistant TB (DR-TB), together with a complementary practical Job Aid for Healthcare Workers.

The assignment will support the National Tuberculosis Programme (NTP) in updating and strengthening national guidance on systematic detection, assessment, management, documentation, reporting, and monitoring of adverse events associated with tuberculosis treatment. The resulting documents shall align with current national policies, WHO recommendations, pharmacovigilance principles, and implementation needs across different levels of health services in Indonesia.

5.2 Characteristics of the Contractor is

5.2.1 Status

The Proposer shall be a legally registered institution, company, university, research institution, consultancy firm, or consortium operating in one or more of the following fields: tuberculosis prevention, care and treatment; clinical medicine; pharmacovigilance and medicine safety; public health; health system strengthening; health policy and regulation; development of clinical guidelines, standards, procedures, or technical documents, or related areas.

5.2.2 Accreditations

An accreditation (ISO 9001 or equivalent; other in a relevant field or specific accreditation/certification) or an on-going accreditation process by a certified accreditation body would be an asset (desirable).

5.2.3 Previous experience

Mandatory:

- Demonstrated institutional experience in tuberculosis programmes, pharmacovigilance, medicine safety, adverse event monitoring, patient safety, and/or development of technical guidelines and implementation tools.
- Previous experience in development of technical guidelines, SOPs, job aids, clinical algorithms, monitoring tools, or related technical documents.
- Previous work with WHO, Ministry of Health, BPOM, other international organizations, development partners, universities, hospitals, or major national institutions.

Desirable:

- Experience supporting implementation of Active Drug Safety Monitoring and Management (aDSM).
- Experience supporting National Tuberculosis Programmes.
- Experience in pharmacovigilance systems and causality assessment.
- Experience facilitating consensus-building and multi-stakeholder technical consultations.
- Experience conducting reviews involving health facilities, professional organizations, and sub-national programme implementers.
- Experience developing implementation-oriented materials for healthcare workers.

5.2.4 Staffing

. The selected contractor is expected to dedicate the following human resources to the project:

- A Team Leader/Project Manager with advanced qualifications and demonstrated experience in tuberculosis, public health, development of technical guidelines or comparable technical documents, and coordination of multi-stakeholder consultations. The Team Leader shall be responsible for overall project management, quality assurance, stakeholder engagement, and timely delivery of all outputs.
- The designated Team Leader/project manager should remain the same throughout the implementation period, including contingency arrangements in case of absence.

- At a minimum, the proposed team shall collectively demonstrate expertise in the following areas:
 - Tuberculosis prevention, diagnosis, treatment and care, including experience in DS-TB and/or DR-TB management;
 - Medicine safety and pharmacovigilance, including adverse event monitoring, assessment and management, causality assessment, and active Drug Safety Monitoring and Management (aDSM) or related approaches;
 - Development, review, adaptation, or implementation of technical guidelines, standards, protocols, SOPs, algorithms, training materials, job aids, and other technical documents;
 - Health programme implementation, monitoring and evaluation, recording and reporting systems, and quality improvement approaches;
 - Stakeholder consultation, facilitation, consensus-building, and coordination of technical working groups and expert consultations;
 - Technical writing, editing, and production of high-quality technical documents.
- The proposed team should, at a minimum, include personnel fulfilling the following key functions:
 - Team Leader/Guideline Development Lead;
 - Tuberculosis Clinical Expert;
 - Pharmacovigilance/Medicine Safety Expert; and
 - Public Health/Programme Implementation and Monitoring Expert.
- One individual may fulfil more than one role, provided that the proposed team collectively demonstrates all required competencies and has adequate level of effort to deliver the assignment.
- WHO pays utmost attention to the level of qualification and experience of the individuals involved, and to continuity in the services. The profiles (no individual names required) of the personnel proposed for these services should be included in the technical proposal.
- All staff with full professional working proficiency/native or bilingual proficiency in Bahasa Indonesia and English.
- The bidder is expected to outline the roles and responsibilities of those staff in the technical proposal.

Activities will be carried in normal working hours of Indonesia Western (WIB, UTC+7) time zone.

5.2.5 Work to be performed

The selected institution shall undertake the following activities:

1. Preparation and Desk Review

- Conduct an inception meeting with the National Tuberculosis Programme, WHO, and relevant stakeholders.
- Review relevant documents: existing national aDSM guideline (2022); current national TB policies and guidelines; pharmacovigilance regulations and guidance; relevant BPOM regulations; WHO recommendations and operational handbooks; existing recording and reporting systems and tools; Current DS-TB and DR-TB treatment guidance; relevant implementation experience and lessons learned.
- Prepare:
 - Inception report;
 - Detailed workplan;
 - Annotated outline and structure of the technical guideline;
 - Annotated outline and structure of the healthcare worker job aid.

2. Technical Drafting

- Facilitate a series of technical drafting discussions involving relevant stakeholders.
- Develop draft content covering:
 - Principles and objectives of aDSM;
 - Scope and implementation arrangements;
 - Roles and responsibilities;
 - Clinical monitoring;
 - Laboratory monitoring;
 - Detection and classification of adverse events;
 - Clinical management of adverse events;
 - Causality assessment;
 - Referral and expert consultation mechanisms;
 - Recording and reporting systems;

- Monitoring and evaluation;
- Annexes, forms, and tools.
- Develop draft practical content for the healthcare worker job aid.

3. Multi-stakeholder Consultation and Technical Review

- Conduct technical consultations involving:
 - Ministry of Health
 - Directorate of Communicable Diseases;
 - National Tuberculosis Programme;
 - Directorate General of Pharmaceutical and Medical Devices;
 - Health Development Policy Agency (BKPK).
 - National Regulatory and Pharmacovigilance Institutions
 - Badan POM;
 - National Pharmacovigilance Committee.
 - DR-TB Technical Working Group
 - Representatives from: Jakarta, Riau, Padang, Palembang, Bandung, Semarang, Surabaya, Yogyakarta, Makassar.
 - Professional Organizations and Clinical Experts
Including but not limited to:
 - IDI
 - PDPI
 - PAPDI
 - IDAI
 - PERKI
 - PERDOSSI
 - PERDOSKI
 - PABI
 - PERDAMI
 - PDGKI
 - PERDAFKI
 - PDSKJI
 - IAI
 - PPNI
 - Health Services and Programme Implementers
 - Provincial health offices;
 - District health offices;
 - DR-TB referral hospitals;
 - Treatment initiation facilities;
 - Primary healthcare facilities.
 - Development Partners
 - WHO Indonesia;
 - US DoS LEAP Global;
 - Relevant technical partners and development agencies.

4. Field and Implementer Review

- Obtain structured feedback from intended users.
 - The review shall assess:
 - Technical accuracy;
 - Clarity;
 - Feasibility;
 - Usability;
 - Operational relevance;
 - Consistency with routine workflows.
- The proposed healthcare worker job aid shall be tested using practical scenarios and user feedback.

5. Finalization and Consensus Building

- Conduct a national face-to-face consensus meeting to:
 - Review complete drafts;
 - Address outstanding technical issues;
 - Finalize implementation arrangements;
 - Finalize algorithms, forms, checklists, and annexes;
 - Obtain technical consensus among stakeholders.

6. Editing and Document Completion

- Perform:
 - Technical editing;
 - Language editing;
 - Formatting;
 - Standardization of terminology;
 - Layout improvement;
 - Quality assurance review;
 - Reference verification;
 - Cross-reference checks.

7. Dissemination and Orientation

- Conduct an online dissemination meeting involving national and sub-national stakeholders.
- Present:
 - Final Technical Guideline;
 - Final Job Aid;
 - Key implementation arrangements;
 - Reporting requirements;
 - Monitoring requirements.

5.3 [Key requirements](#)

Expected Deliverables/ Outputs:

Deliverables 1:

- Inception Report
- Detailed Workplan
- Desk Review Report
- Annotated Outline of Technical Guideline
- Annotated Outline of Healthcare Worker Job Aid

Deliverable 2

- Draft Technical Guideline for Active Drug Safety Monitoring and Management (aDSM) in Tuberculosis Treatment in Indonesia.

Deliverable 3

- Draft Healthcare Worker Job Aid including:
 - Algorithms;
 - Checklists;
 - Monitoring schedules;
 - Warning signs;
 - Initial management actions;
 - Referral criteria;
 - Recording and reporting requirements.

Deliverable 4

- Field Review and Consultation Report including documentation of stakeholder feedback and proposed revisions.

Deliverable 5

- Final Technical Guideline for aDSM in Tuberculosis Treatment in Indonesia.

Deliverable 6

- Final Healthcare Worker Job Aid.

Deliverable 7

- Dissemination Meeting Report and Final Project Report.

5.4 Place of Performance

Performance will be implemented through a combination of desk review, online meetings, virtual consultations, face-to face and consensus meetings, selected field and implementer review activities.

The contractor is expected to work closely with the National Tuberculosis Program and WHO throughout implementation.

5.5 Timelines

October 2026 – December 2026

No	Description	Days
1.	Inception meeting, workplan development, desk review methodology, and preparation of annotated outlines for the Technical Guideline and Healthcare Worker Job Aid	5
2.	Desk review of national TB policies, aDSM guidelines, pharmacovigilance regulations, WHO recommendations, treatment guidelines, and existing tools	10
3.	Technical drafting of the Technical Guideline and Job Aid (Draft 1)	20
4.	Technical consultation meetings with MoH, BPOM, National Pharmacovigilance Committee, DR-TB TWG, professional organizations, and technical partners	10
5.	Field and implementer review, including health facilities, provincial and district health offices, and intended users of the Job Aid	10
6.	Consolidation of comments, revision of drafts, and preparation of Draft 2	8
7.	National consensus and validation workshop	3
8.	Final revision and completion of the Technical Guideline and Job Aid	8
9.	Technical editing, language editing, formatting, reference checking, and quality assurance review	5
10.	National dissemination and implementation orientation meeting	1
	TOTAL	80

5.6 Reporting requirements

The project manager shall provide written monthly progress updates. Formal reporting is expected upon completion of each deliverable. Additional reporting activities may be requested by WHO or the Ministry of Health as needed.

5.7 Finance and accounting requirements.

Payments will be released by WHO against the satisfactory and timely production of deliverables.

5.8 Performance monitoring

The Contractor will be evaluated on:

- Technical quality of outputs;
- Timeliness of deliverables;
- Responsiveness to comments and revisions;
- Effectiveness of stakeholder engagement;
- Quality of project management and communication;
- Practical usability of final products.

5.9 Further Capacities

The bidder shall propose key personnel with the following minimum qualifications:

1. Team Leader
 - Advanced degree in public health, medicine, pharmacy, epidemiology, tuberculosis, pharmacovigilance, or related field;
 - Minimum 5 years relevant experience;
 - Experience leading technical guideline development.
2. TB Technical Expert
 - Minimum 3 years experience in TB management, especially DS-TB and/or DR-TB.
3. Pharmacovigilance / aDSM Expert
 - Minimum 3 years experience in pharmacovigilance, medicine safety, adverse-event monitoring, or causality assessment.
4. Technical Writer / Public Health Specialist
 - Experience developing national guidelines, job aids, SOPs, technical manuals, or implementation tools.
 - Experience contributing to technical reports, policy documents or clinical guidance
 - Strong analytical and writing skills

Additional Requirement

At least one proposed expert should demonstrate prior experience in development or implementation of aDSM, pharmacovigilance systems, or adverse-event monitoring related to tuberculosis treatment, or development or revision of national or sub-national TB technical guidelines, protocols, job aids, or related technical documents.

5.10 Format of the Bidders Proposal

The proposal from the Proposer should include among others the following information

5.10.1 Executive Summary

The bidder's proposal must be accompanied by an Executive Summary (of 3 pages maximum) introducing the proposed solution and approach / methodology.

5.10.2 Approach/Methodology

Bidders are invited to describe the methodology of work that will be adopted throughout the assignment and their proposed approach to satisfy WHO's expectations (in line with Requirements detailed under 5.3 above). The approach should include, but not limited to:

- Proposed workplan, sequencing of activities, and timeline;
- Methodological approach for review, drafting, validation, revision, and finalization of the Technical Guideline and Job Aid;
- Approach for review of national regulations, WHO recommendations, existing TB and pharmacovigilance guidelines, and relevant technical evidence;
- Stakeholder engagement approach, including consultation, coordination, and facilitation of discussions among Ministry of Health units, BPOM, National Pharmacovigilance Committee, professional organizations, TB experts, health facilities, and development partners;
- Approach for obtaining user feedback and conducting implementer review of the draft guideline and job aid;
- Quality assurance mechanisms to ensure technical accuracy, consistency, usability, and alignment with national and international standards;
- Risk management approach, including identification of potential risks and proposed mitigation measures;
- Performance monitoring mechanisms to ensure timely completion of deliverables.

A. Preparatory and Inception Phase

No.	Activity	Suggested Participants	Expected Outputs
1	Inception and Debriefing Meeting	Directorate of Communicable Diseases; National TB Programme; WHO Indonesia; consultant team	Common understanding of objectives, scope, methodology, deliverables, timelines, reporting arrangements, and expected outputs.
2	Review and Finalization of Inception Report and Workplan	National TB Programme; WHO Indonesia; consultant team	Agreed workplan, methodology, timeline, stakeholder engagement plan, roles and responsibilities.
3	Desk Review and Technical Document Review	Consultant team; NTP technical focal points	Consolidated evidence review and summary of reference documents for drafting.
4	Development of Annotated Outline and Drafting Framework	Consultant team; NTP; WHO	Agreed outline and structure of the Technical Guideline and Healthcare Worker Job Aid.

B. Technical Drafting and Consultation

No.	Activity	Suggested Participants	Expected Outputs
1	National Technical Consultation on aDSM Framework and Scope	NTP; BPOM; National Pharmacovigilance Committee; WHO; technical experts	Agreed scope, structure, key technical content, and implementation approach.
2	Consultation on Clinical and Laboratory Monitoring	TB clinicians; DR-TB TWG; professional organizations; BPOM; NTP	Consensus on monitoring requirements and adverse-event detection procedures.
3	Consultation on Adverse Event Management and Causality Assessment	Pharmacovigilance experts; clinical experts; BPOM; National Pharmacovigilance Committee	Agreed framework for adverse-event management and causality assessment.
4	Consultation on Recording, Reporting, and Information Flow	NTP; BPOM; health facilities; provincial and district representatives	Agreed recording, reporting, coordination, and information flow mechanisms.
5	Technical Drafting Workshop	Consultant team; technical experts; NTP; WHO	Draft Technical Guideline and Job Aid developed.

C. Implementer Review and Usability Assessment

No.	Activity	Suggested Participants	Expected Outputs
1	Provincial and District Programme Review	Provincial Health Offices; District Health Offices; NTP	Feedback on feasibility and operational relevance.
2	Health Facility Review	DR-TB hospitals; treatment initiation facilities; primary healthcare facilities	Feedback on applicability at service-delivery level.
3	Healthcare Worker Job Aid Usability Review	Doctors, nurses, pharmacists, programme staff, data officers	Recommendations for improvement of usability, clarity, and practicality.
4	Consolidation of Feedback	Consultant team; WHO; NTP	Consolidated comments and agreed revisions.

D. Finalization and Consensus Building

No.	Activity	Suggested Participants	Expected Outputs
1	National Consensus Meeting	Ministry of Health; BPOM; National Pharmacovigilance Committee; professional organizations; WHO; technical partners	Agreement on final technical content and implementation arrangements.
2	Revision and Finalization of Draft Documents	Consultant team; NTP; WHO	Final Technical Guideline and Job Aid.
3	Technical Editing and Formatting	Consultant team	Edited and formatted final products.

E. Dissemination and Orientation

No.	Activity	Suggested Participants	Expected Outputs
1	National Dissemination and Orientation Meeting	Ministry of Health; BPOM; Provincial and District Health Offices; Hospitals; Primary Health Facilities; Professional Organizations; Development Partners	Dissemination of finalized guideline and job aid and orientation on implementation.
2	Submission of Final Report	Consultant team; WHO; NTP	Final report, finalized guideline, job aid, and meeting documentation.

Recommended Implementation Note

The sequence, agenda, duration, and participants may be adjusted in consultation with the National Tuberculosis Programme and WHO. However, the methodology shall adequately cover:

- Review of national and international guidance;
- Development of the Technical Guideline and Job Aid;
- Multi-stakeholder consultation;
- Review by intended implementers;
- Consensus building and validation;
- Finalization and dissemination of the products.

5.10.3 Proposed Solution

The bidder shall present a clear and structured proposed solution aligned with the requirements described under Chapter 3. The proposed solution should:

- Describe the overall approach and key components of the services, demonstrating a clear all components of the service;
- Outline the steps of the implementation approach, including how each phase of the work will be carried out;
- Present a detailed workplan, including work packages, key activities, and milestones linked to the expected deliverables;

Demonstrate how the proposed approach will ensure the quality, relevance, and practical applicability of outputs,

5.10.4 Proposed Timeline

A Timeline project plan following the timelines indicated under 5.5 above should be presented either in MS Project MPP, XLS or PDF format.

Section 6: General Conditions of Contract

6.1 General Conditions of the Contract for the Agreement for the Performance of Work (APW)

In the event of an Agreement for the Performance of Work (APW) is the resultant contract type, the General Conditions attached to the APW will be applicable and can be downloaded on the link below.

<https://www.who.int/publications/m/item/general-and-contractual-conditions>.

6.2 General Conditions of the Contract for the Technical Services Agreement (TSA)

In the event of a Technical Services Agreement (TSA) is the resultant contract type, the General Conditions attached to the TSA will be applicable and can be downloaded on the link below.

<https://www.who.int/publications/m/item/tsa-general-conditions>

6.3 Failure to access the general Conditions of Contract

In case the proposer fails to access and download the above General conditions, please contact us at the email procurement@who.int and the pdf copy will be sent to you.

6.4 General conditions of the contract that will apply to this RFP

For this RFP, the following general conditions of the Contract will apply :

General Conditions of the Contract for the Agreement for the Performance of Work (APW)

6.5. Acceptance of the general Conditions of Contract

By submitting a proposal in response to this RFP, the proposer confirms that they have accessed, read, understood, and accepted the General Terms and Conditions. The proposer further acknowledges that, if awarded the contract, these General Conditions shall apply.

Section 7: Returnable Forms

The following forms must be submitted with the vendor's proposal. Failure to submit the mandatory completed forms may result in proposal rejection.

These forms include.

Nature of Form	Name of the Form
Mandatory	<u>Annex A: Letter of Intent</u>
Mandatory:	<u>Annex B: Confidentiality Undertaking</u>
Mandatory	<u>Annex C: Proposal completeness form</u>
Mandatory	<u>Annex D: Proposers Information.</u>
Mandatory	<u>Annex E: Financial Proposal Form</u>
Mandatory	<u>Annex F Self Declaration Form</u>
Mandatory for joint ventures only.	<u>Annex G Joint Venture/Consortium/Association Information</u>

Annex A: Letter of Intent

Please acknowledge receipt of this RFP by completing this form and submitting it under the “Correspondence” tab of UNGM by the date specified, in the Letter of Invitation or through the email indicated in the RFP

Annex B: Confidentiality Undertaking

1. The World Health Organization (WHO), acting through its Department / Business centre of TB has access to certain information relating to Development of a Technical Guideline on Active Tuberculosis Drug-Safety Monitoring and Management in Tuberculosis Treatment which it considers to be proprietary to itself or to entities collaborating with it ("the Information").
2. WHO is willing to provide the Information to the Undersigned for the purpose of allowing the Undersigned to prepare a response to the Request for Proposal (RFP) for the Development of a Technical Guideline on Active Tuberculosis Drug-Safety Monitoring and Management in Tuberculosis Treatment Project ("the Purpose"), provided that the Undersigned undertakes to treat the Information as confidential and proprietary, to use the Information only for the aforesaid Purpose and to disclose it only to persons who have a need to know for the Purpose and are bound by like obligations of confidentiality and non-use as are contained in this Undertaking.
3. The Undersigned undertakes to regard the Information as confidential and proprietary to WHO or parties collaborating with WHO, and agrees to take all reasonable measures to ensure that the Information is not used, disclosed or copied, in whole or in part, other than as provided in paragraph 2 above, except that the Undersigned shall not be bound by any such obligations if the Undersigned is clearly able to demonstrate that the Information:
 - a) was known to the Undersigned prior to any disclosure by WHO to the Undersigned (as evidenced by written records or other competent proof);
 - b) was in the public domain at the time of disclosure by or for WHO to the Undersigned
 - c) becomes part of the public domain through no fault of the Undersigned; or
 - d) becomes available to the Undersigned from a third party not in breach of any legal obligations of confidentiality (as evidenced by written records or other competent proof).
4. The Undersigned further undertakes not to use the Information for any benefit, gain or advantage, including but not limited to trading or having others trading in securities on the Undersigned's behalf, giving trading advice or providing Information to third parties for trade in securities.
5. At WHO's request, the Undersigned shall promptly return any and all copies of the Information to WHO.
6. The obligations of the Undersigned shall be of indefinite duration and shall not cease on termination of the above-mentioned RFP process.
7. Notwithstanding any specific provision herein, this Undertaking and any dispute arising therefrom or relating thereto shall be governed by general principles of law, to the exclusion of any single national system of law. Any dispute arising from or relating to the Undertaking, including its validity, interpretation, or application, shall, unless amicably settled, be subject to conciliation. In the event the dispute is not resolved by conciliation within thirty (30) days, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the parties or, in the absence of agreement within thirty (30) days of written communication of the intent to commence arbitration, with the rules of arbitration of the International Chamber of Commerce. The parties shall accept the arbitral award as final.
8. Nothing in this Undertaking shall constitute or be deemed to constitute a waiver of any of the privileges and immunities enjoyed by WHO under any source of law, or as a submission to the jurisdiction of any national court or tribunal.

Previous Relevant Experience

Please list only previous similar assignments successfully completed in the last 3 years.

List only those assignments for which your company was legally contracted or sub-contracted by the Client or was one of the Consortium/JV partners. Assignments completed your Company's individual experts working privately or through other firms cannot be claimed as the relevant experience of the Company, or that of the Company's partners or sub-consultants, but can be claimed by the Experts themselves in their CVs. The Company should be prepared to substantiate the claimed experience by presenting copies of relevant documents and references if so requested.

The vendors are required also to provide the below details in their proposals in the chronological order indicated.

Project name & Country of Assignment	Client & Reference Contact Details	Contract Value	Period of activity and status	Types of activities undertaken and role (Contractor, sub-contractor or consortium member)

☐ Attached are the Statements of Satisfactory Performance from the Top 3 (three) Clients or more.

Financial Standing

Please attach the 3-years audited financial statements (balance sheets, including all related notes, and income statements) complying with the following condition:

- a) Must reflect the financial situation of the Proposer or party to a Joint Venture (JV), and not sister or parent companies.
- b) Historic financial statements must be audited by a certified public accountant.

Historic financial statements must correspond to accounting periods already completed and audited. No statements for partial periods shall be accepted.

Annex E: Financial Proposal Form

Note: The inclusion of any financial information in the Technical Proposal may lead to disqualification of the Proposer

Currency of the proposal: [Click or tap here to enter text.](#)

The Undersigned, [\[Company\]](#) confirms to have read, understood and accepted the terms of the Request for Proposals (RFP) No., and its accompanying documents. If selected by WHO for the work, the Undersigned undertakes, on its own behalf and on behalf of its possible partners and Contractors, to perform Title of the RFP in accordance with the terms of this RFP and any corresponding contract between WHO and the Undersigned, for the amount(s) below as indicated in the attached Excel form.

The itemized amounts for each of the deliverables must be completed in the attached Excel form and must be uploaded as part of the financial proposal. The Proposer must ensure that the amount of each Deliverable or of the total amount is identical in the attached Excel sheet and in table below. In case of inconsistency between those two documents, the most favorable terms to WHO in either the Excel sheet or the table below **shall prevail**.

Annex F: Self Declaration Form

Applicable to private and public companies

Company (the “Company”) hereby declares to the World Health Organization (WHO) that:

- a. it is not bankrupt or being wound up, having its affairs administered by the courts, has not entered into an arrangement with creditors, has not suspended business activities, is not the subject of proceedings concerning the foregoing matters, and is not in any analogous situation arising from a similar procedure provided for in national legislation or regulations.
- b. it is solvent and, in a position, to continue doing business for the period stipulated in the contract after contract signature, if awarded a contract by WHO.
- c. it or persons having powers of representation, decision making or control over the Company have not been convicted of an offence concerning their professional conduct by a final judgment.
- d. it or persons having powers of representation, decision making or control over the Company have not been the subject of a final judgment or of a final administrative decision for fraud, corruption, involvement in a criminal organization, money laundering, terrorist-related offences, child labour, human trafficking or any other illegal activity.
- e. it is in compliance with all its obligations relating to the payment of social security contributions and the payment of taxes in accordance with the national legislation or regulations of the country in which the Company is established.
- f. it is not subject to an administrative penalty for misrepresenting any information required as a condition of participation in a procurement procedure or failing to supply such information;
- g. it has declared to WHO any circumstances that could give rise to a conflict of interest or potential conflict of interest in relation to the current procurement action.
- h. it has not granted and will not grant, has not sought and will not seek, has not attempted and will not attempt to obtain, and has not accepted and will not accept any direct or indirect benefit (financial or otherwise) arising from a procurement contract or the award thereof.
- i. it adheres to the UN Supplier Code of Conduct.
- j. it has zero tolerance for sexual misconduct (an all-inclusive term which includes sexual exploitation, sexual abuse, sexual harassment, and all forms of prohibited sexual behaviour), harassment and other types of abusive conduct and has appropriate procedures in place to prevent and respond to sexual misconduct (an all-inclusive term which includes sexual exploitation, sexual abuse, sexual harassment, and all forms of prohibited sexual behaviour), harassment and other types of abusive conduct.

The Company understands that a false statement or failure to disclose any relevant information which may impact upon WHO's decision to award a contract may result in the disqualification of the Company from the bidding exercise and/or the withdrawal of any proposal of a contract with WHO. Furthermore, in case a contract has already been awarded, WHO shall be entitled to rescind the contract with immediate effect, in addition to any other remedies which WHO may have by contract or by law.
