**Azerbaijan**

**Project impact:** February 2021–November 2023

A 3-year, €40 million project of the European Union and WHO Regional Office for Europe in six countries of the Eastern Partnership – Armenia, Azerbaijan, Belarus, Georgia, the Republic of Moldova, and Ukraine

**抄印材料**

- **抄印材料** distributed to health-care facilities addressing COVID-19-related information, routine vaccines, vaccination of priority groups and vaccination during pregnancy

- **>270 000**

**增加健康保健工作者知识与技能**

- **334** health-care workers (HCWs) trained on routine immunizations in six regions

- **>70%** of all HCWs involved in the vaccination process trained on COVID-19 across the majority of districts

- **2900** copies of training handouts on COVID-19 vaccines distributed to HCWs

**提高疫苗接种的分布和管理能力**

- **150** epidemiologists from subnational vaccine storage facilities trained

- **2100** temperature monitoring devices

- **692** vaccine carriers and 70 cold boxes delivered

**确保快速安全的COVID-19疫苗部署**

- **260** office equipment items, including computers, printes, and uninterruptable power supply systems (UPS)

**减少健康不平等并支持疫苗接种的覆盖率**

- **>270 000** copies of printed materials distributed to health-care facilities addressing COVID-19-related information, routine vaccines, vaccination of priority groups and vaccination during pregnancy

- **>1680** professionals trained on providing emergency care in very rare instances of allergic reaction following vaccination

- **>70%**

**疫苗接种覆盖率**

- **83%** 1st booster dose

- **47.4%** complete vaccination series

- **34%** COVID-19 1st booster dose

**WHO and Civil Society Organizations collaboration**

- Workshop held to foster collaboration between health agencies and civil society, including media, to strengthen country’s capacity on community engagement before, during and after public health emergencies

- **645 000** copies of educational material on routine immunization distributed

- **12** newly qualified master trainers assigned to travel across the country to pass on their knowledge

- **335** children received missed shots following these sessions

- **>500** caregivers reached during informational sessions bringing together caregivers and experts answering participants’ questions about vaccines

- **18 000** enrolments of HCWs to the online knowledge platform OpenWHO

- **60** additional professionals trained to provide this emergency care training and training on COVID-19 vaccines to peers

- **218** vaccination sites provided with QR codes to download COVID-19-related information

- **100%** HCWs equipped with vaccine administration job aids

- **Funded by the European Union**

- **Vaccination saves lives:** supporting the deployment of COVID-19 vaccines and routine vaccination systems in the Eastern Partnership

- **Diphtheria, tetanus, pertussis-containing vaccine, 3rd dose**

- **COVID-19 complete vaccination series**

- **COVID-19 1st booster dose**

- **83%** (2022)

- **47.4%** (2022)

- **34%** (24 September 2023)
